

DR. DICKSON SPEAKS TO STUDENTS

A receipt of last year's \$1,000 Superior Teaching Award at Penna. State University visited the Hazleton Campus Friday night, April 28, to discuss "Painting As A Language."

He is Dr. Harold E. Dickson, professor of history of art and architecture on the University Park Campus.

Dr. Dickson, who has been teaching at Penn State since 1923, is a native of Sharon. He received his Bachelor of Science degree in Architecture at Penn State and his Master of Arts and Doctor of Philosophy degrees at Harvard.

Much of his research has been concerned with Pennsylvania art and has led to the publication of "A Working Bibliography of Art in Pennsylvania", "A Hundred Pennsylvania Buildings", and "Pennsylvania Painters". He has also been concerned with the work of George Grey Barnard, Pennsylvania sculptor.

The lecture which was held in the Student Union Building and was open to the public, is one of a series arranged as part of a program to broaden the cultural offerings at the Commonwealth Campuses.

Nearly 20 faculty members as well as student groups are visiting various campuses as a part of the program and will talk or present programs in art, music, literature and other fields.

THE NEW CONSTITUTION

The S.G.A. has passed a new constitution to replace the out-dated one now in use and has posted it in various places on the campus. The students are asked to read or at least skim over it so that it may be ratified by the campus in the near future. The probable ratification date is Monday, May 8, 1961, and voting will take place in the S.U.B. May 9, with a minimum of ten signatures. **PLEASE!!!** Everyone take advantage of your privilege and vote for or against the Constitution next week. Remember, your student council will be functioning under this new document next fall.

The man who believes there is nothing bigger than himself lives in a very small world indeed.

SPORTS EVENTS AT THE MAIN CAMPUS

by Dave Leonard

Baseball and Track, the two major sports at Penn State have gotten off to fine starts this year.

Coach Joe Bedneck's ball team has racked up three victories against only one defeat. The weatherman has not helped the Lion nine however. They have lost five games due to adverse weather conditions. The team stands a very good chance of getting into the NCAA District Two playoffs.

The track team has only had one dual meet so far but in that one they defeated unbeaten Navy, 66½-62½.

In the Quantico relays Bob Brown, State's star sprintman set a school and meet record when he ran the 100-yard dash in 9.4 seconds, only .1 of a second off the world's record. The Lion mile-relay team also came out victorious at Quantico. They turned in a very good time of 3:14.8.

Bob Brown also came through at the Penn Relays. He won the Championship of America 100 yard dash in 9.9, running into a strong headwind. Jerry Wettstone tied for first in the highjump with a leap of 6'4½".

In other sports; the golf team sports a 3-4 log while the tennis team is 2-4 and the Lacrosse squad is 1-5.

If you are planning to go up to the main campus, why not take in a ball game or a tennis match? The Penn State teams appreciate your support.

S.G.A. ELECTION

On Thursday, May 11, 1961, there will be an election of new officers for the coming term. All persons wishing to run for office must submit a petition to Mr. Kidd by 10:A.M. Tuesday, May 9, with a minimum of ten signatures.

Only those who have been here at Highacres for at least one semester, who intend to be here for at least the next two successive terms, and who have a 2.2 average are eligible to run for office. All students are eligible to vote.

Intelligence is like a river--the deeper it runs the less noise it makes.
