SALESMANSHIP
TAUGHT FREE
The following statements are based on facts; this wonderful opportunity is offered to the man who is a weekly wage slave, also to the man who is ambitious and desirous of increasing his earning power.
Read these cold facts; our night school has been running 30 days, and over 30 men who have never sold before in their lives have successfully learned the art of selling and are now earning between $40 and $75 per week; 6 of these men have received promotions in this time to managers' positions.
We guarantee to teach you to sell and place you in a position to make real money, as this opportunity is offered by one of the largest manufacturers in the United States manufacturing a necessity.
If you are anxious to get out of the rut you are now in and ambitious to get ahead in life and not afraid to work, we will pay you to investigate this wonderful opportunity; if, on the other hand, you are a weak sister and afraid to work, come in, regardless of this, and see how real men make real money.
We conduct this training school for the purpose of picking men to operate our branches in every section of the United States; this offer also holds wonderful opportunities for the man who has had previous sales experience and is looking for a proposition that will give him rapid and positive advancement.
You are absolutely obligated in no way; if you decide you cannot make a success in our business, everything we give is FREE; if you are 25 years or older call Wednesday evening, November 22, at 7:30 sharp, 204 Empire Building, 13th and Walnut sts., and ask for Mr. F. M. Johnson.
