HOW TO MAKE MONEY.

ADVICE TO THE WISE.

We will state that the surest, best and speediest way to "multiply and increase" is to call at No. 12 WALL STREET, New York, and consult with

ALEX. FROTHINGHAM & CO.

These gentlemen, who have long been identified with the history and affairs of Wall Street, are unusually skilled in monetary affairs and in everything appertaining to speculation, are unexcelled for ability and proficiency. It may also be said that of the many brokers in that city they are not only the most popular, but also the most successful, best patronized, and most widely known in or near the vicinity of Wall Street.

Among the customers of the house of ALEX. FROTHINGHAM & CO., are some of our leading and representative citizens, who are mainly indebted to the labors of this firm for much of the wealth they now enjoy.

During the long and successful experience of Messrs. ALEX. FROTHINGHAM & CO., in this city they have earned for themselves an enviable reputation for honesty, integrity and good faith, and enjoy a business almost colossal in its proportions. In fact the amount of business done by this house in the course of a year is something wonderful, and often forms the subject of comment. It needs but a visit to their spacious offices in Wall Street to prove the truth of the above statement.

How they manage to convert $10 to $20, $20 into $40, $40 into $80, and so on, is a secret which they alone can explain; but that they succeed in doing so is a fact too well known to admit of doubt. If you would safely and profitably invest your money, do not hesitate to favor this firm with your cash and confidence. That by so doing you will reap an abundant reward, the experience of thousands of our best citizens attests. The necessity of taking such a course in these times of tottering banks and financial stringency must be apparent to the most indifferent and careless observer.

Messrs. ALEX. FROTHINGHAM & CO., are prepared to invest money to any amount in the best securities, and in every transaction in which they may be engaged guarantee entire satisfaction to those who honor them with their patronage.

☞ Send for their Explanatory Circular and Weekly Reports, which they mail free to all who desire them. *From N. Y. Metropolis, April 16, 1876.*
