Sick Headache.

GENTS:—I have been subject to Sick Headache for years, and have tried, in vain, many advertised remedies and several physicians, but all to no purpose. At last I tried your B. B. Bitters—without much faith, I admit—but to-day I can truly say, that after taking the third bottle I have not suffered from it. I recommend it to all my friends, several have been cured by it. My little grandson was permanently cured of Biliousness and Sick Headache, which were so severe as to cause convulsions. They have all ceased since he commenced the use of B.B.B.

There must be an open road between the food we eat and the substance of which our bodies are composed. If the road is clogged or closed we sicken, faint and die. This road is made up of the organs of digestion and assimilation. Of these the stomach and liver are chief. Most people have had more or less experience of the horrors of constipation. Prevent it and all its fearful sequence by using Dr. Kennedy's Favorite Remedy. It is the first step that costs.

Ague-Shaken Sufferers

who resort to Hostetter's Stomach Bitters, experience speedier and more complete relief than they can hope to do by the use of quinine. This well authenticated fact is of itself sufficient to have established a high reputation for the Bitters. But the article is not a specific merely for the various forms of malarial diseases, it endows the system with a degree of vigor, and reforms its irregularities with a certainty that constitutes its best defence against disorders of the stomach, liver and bowels, specially rife where the atmosphere and water are miasma tainted. Fever and ague, bilious remittent, dumb ague and ague cake are remedied and prevented by it, and it also removes dyspepsia, constipation, rheumatism, &c. Take this medicine on the first indication that the system is out of order, and rest assured that you will be grateful for the hint.

THE LIFE LESSON

Learned by a Prominent Hudson Odd Fellow.

(From the Hudson, N. Y., Register.)

Mr. John Elting, a faithful Odd Fellow (Past Grand, Lindenwald, No. 432) and a member of the Baptist church, says: "I have been, as most of my acquaintances in Hudson know, a sufferer from dyspepsia for ten years. Beginning with indigestion, sour stomach and flatulence, I became so weak that my body became a burden too heavy to carry and my mind was weighed down by a gloomy despondency. After eating I felt as if I had a ball of glowing iron in my stomach; my abdomen would bloat and I was afflicted almost constantly with sick headache. A lady learning of my condition, advised me to use Dr. DAVID KENNEDY'S FAVORITE REMEDY, telling me what an infinite deal of good it had done her and others whom she knew. I began taking it in the latter part of August, and used altogether only three bottles, when it achieved in me the most wonderful improvement. I have now gained flesh, and feel stronger, better and happier than I have in ten years. FAVORITE REMEDY cured my friend, H. B. Hermans, of Athens, of the lingering remains of malarial fever and of biliousness. Mr. Harvey Thomas, the grocer, on Warren street, just below the Worth House, says that it has had wonderfully good results upon him. Scores of my acquaintances say, that having once tried it they could never again be without it. I have given it to my children and found it the best medicine I have ever know for regulating their bowels, and purifying their blood. The knowledge of this medicine I deem the greatest lesson of physical life."

A Battle and Its Victory.—"I carried the burden of dyspepsia about all my life," said Mrs. Pierce, a lady eighty years old, residing at Rochester, N. Y., "until about three years ago. I began taking Dr. David Kennedy's 'Favorite Remedy'—of Rondout, you know—and it has given me more ambition and strength than I have had since I was young."
