

SOCIAL NEWS

by Kathleen Gibson

The month of October will be a very busy one. Many social events have been planned.

This year we on the Social Activities Committee are trying to get really good bands. Some of the bands scheduled have played successfully at University Park; others have won various band contests. We are doing our part by providing these good bands; it is up to you to support your school by attending them.

Friday, October 18 is the night of the biggest Social Activities event of the year, Las Vegas nite. It will start at 9:00 pm. Admission is \$1.00 or an activities ticket. There will be horse races, pocker games, dice wheel crap games, chuck-a-luck, and card games.

Soul lovers! This is your chance to hear soul played the way it should be on October 25. "Something Soul" will be playing here from 9:00 pm till 12:00 pm.

On November 1, a Halloween Dance will be held. "The West Gate Five" will play. Do you want to find out how many children you will have? Would you like your palm read? Your handwriting analyzed? Or gaze into the crystal ball and have your fortune told? Then come to our Halloween Dance in costume or Pay Double!!

SPORTS

The year of the Nittany Lion is in full swing. Before the start of the current season, Penn State's eleven has ranked as one of the top teams in the nation. Currently sporting a 3-0 record and number three national ranking, the charges of coach Joe Paterno are living up to pre-season expectations. The lions opened the season with a 31-6 victory over a determined Navy team. Kansas State was the next victim, losing 25-9 last weekend, the boys defeated a strong West Virginia team 31-20.

Coach Paterno was reportedly very proud of his team's comeback victory over Kansas State. "This is the time," he told his team at half-time, "to see if you have it." And they did.

The victory over Kansas State has a taste of misfortune. Half-back Bob Campbell, All-American candidate, suffered a shoulder separation that will place him out of action indefinitely. He will be replaced by Gary Duel or Charlie Wilson, both sophomores and lacking experience.

Most newcomers to the Hazleton Campus are not aware of the many opportunities available for participating in athletics. Intercampus competition is held in chess, bowling, ping-pong, and basketball. In addition, there is an extensive intramural program available to interested students. Intramural football and basketball teams are now being formed. Anyone who enjoys keen competition and would like to join one of the inter-campus or intramural teams should sign up on the appropriate sheet located on the bulletin board in the S.U.B. cafeteria.
