ALL HONOR TO THEM.

Two Brave Children Save a Young Lady's Life at Bath Beach.

A young lady bathing on the Bath Beach, New York, was saved from drowning Saturday, by the heroic efforts of two children who swam out to her assistance at the peril of their own lives. All the town is talking about it and the children are heroes. Miss Jennie Pitou, the young lady who was rescued, is the daughter of Pitou, a broker, of No. 15 State street, New York, who is stopping with his family at the Lowry house. Saturday morning about 11 o'clock, Miss Pitou, who is an expert swimmer, went into the water for her morning bath. She swam out about 100 yards from the shore when she suddenly became faint and sank. Most of the men stopping at the hotel had gone to the city, but the piazzas were filled with ladies, who saw Miss Pitou sink and they gave an alarm.

The only other persons in the water at the time were Harry Law, aged 12, and his sister Minnie, two years older. Seeing Miss Pitou's danger the gallant little fellow swam to her assistance. He reached her just as she came to the surface and she threw her arms around his waist. In his hurry to go to her aid he had so exhausted his strength that he could not bear her weight and both sank beneath the surface.

Minnie Law meantime was swimming out to the rescue. She is a strong swimmer. When her brother and Miss Pitou came to the surface she had reached them. The screams of the ladies on the piazza had by this time attracted the attention of a man working on the shore and he put off in a boat to assist the lady and children. Before he got to them, however, the children had got Miss Pitou to the shore. She was unconscious and the little boy who had so nobly gone to her rescue was exhausted.

Help soon came, and the young lady and boy were removed to the hotel, where medical aid was summoned and the boy was soon restored. Miss Pitou was revived with some difficulty, but was confined to her room all day. Minnie Law did not seem to be at all affected. Harry and Minnie Law are the children of J. H. Law, of No. 75 Chambers street, New York.

When the story of the rescue became known the children received an ovation which seemed to surprise them greatly. Mr. Pitou presented each of them in the morning with a gold watch suitably inscribed in recognition of their heroism.

In Pittsburg Richard Lane and his wife, a newly married couple, were drowned while boating with their neighbors, Frank Paine and his wife and child.

Philip Van Cortlandt Mathews, the 13-year-old son of the Rev. J. R. Mathews, United States navy, who resides above Sing Sing, N. Y., and a nurse girl, Catherine Kelley, aged 19 were drowned in the Hudson on Saturday.

Jerome Rittoine and wife started for St. Louis in a boat at midnight, but were drowned near Milwaukee bridge, at Randolph, Sunday morning. Frank Taylor who was with them, jumped on some driftwood and escaped.

Wants to Shoot the President.

The Washington police have taken into custody Benedicht Krebs, a crank, who is under the impression that the president has defrauded him of a vast sum of money, and who has been threatening to kill President Cleveland with a shotgun when he attends church. Krebs is held at a station for a medical examination of his mental condition.

His Arm Torn Off by a Caged Tiger.

At Kansas City, Mo., "Dan" Rice, one of the keepers of the tigers' cage in Sells Brothers' circus, while cleaning the cage caught his arm in the bars, and before he could release himself, his arm was torn from its socket by a tiger. The animal also tore his right eye out.

The Great Day.

From the New York World.

The great day devoted to lemonade and cannonade is with us.

Safety from Malaria.

The most vigorous constitution, and the strongest principle, are not proof against a disease, the germs of which impregnate the air we breath and the water we drink. The true preparative, the surest defense, is to fortify the system with a medicine which possesses specific virtues as a safeguard and remedy. Hostetter's Stomach Bitters is precisely this article—proved by conclusive tests to be so. Not only on this continent, wherever miasma gives birth to the material infection, but in the tropics, where fever and ague assumes the most malignant types, this incomparable, popular and deserving medicine has, for over a third of a century, shown its efficacy. Chills and fever, dumb ague, bilious remittent alike yield to its influence and are prevented by it. The word "fail" has no place in the lexicon of possibilities when this peerless article is used. It tones the stomach, arouses the liver when sluggish, and promotes healthful activity of the kidneys and bladder.

SCIAT. NOTICES.

Excitement in Texas.

Great excitement has been caused in the vicinity of Paris, Tex., by the remarkable recovery of Mr. J. E. Corley, who was so helpless he could not turn in bed, or raise his head; everybody said he was dying of Consumption. A trial bottle of Dr. King's New Discovery was sent him. Finding relief, he bought a large bottle and a box of Dr. King's New Life Pills; by the time he had taken two boxes of Pills and two bottles of the Discovery, he was well and had gained in flesh thirty six pounds.

Perhaps no local disease has puzzled and baffled the medical profession more than nasal catarrh. While not immediately fatal it is among the most distressing, nauseous and disgusting ills the flesh is heir to, and the records show very few or no cases of radical cure of chronic catarrh by any of the multitude of modes of treatment until the introduction of Ely's Cream Balm a few years ago. The success of this preparation has been most gratifying and surprising. jy5 2wdeod&w

The Verdict Unanimous.

W. D. Sutt, Druggist, Rippus, Ind., testifies "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidney or Blood. For sale at H. B. Facts Worth Knowing.

In all diseases of the nasal mucous membrane the remedy used must be non-irritating. The medical profession has been slow to learn this. Nothing satisfactory can be accomplished with douches, snuffs, powders, syringes, astringents or any similar applications, because they are all irritating, do not thoroughly reach the affected surfaces and should be abandoned as worse than failures. A multitude of persons who had for years borne all the worry and pain that catarrh can inflict testify to radical and permanent cures wrought by Ely's Cream Balm. jun9-2wdeod&w

A GREAT DISCOVERY.

The greatest discovery of the nineteenth century is Dr. Leslie's Special Prescription for sick headache, which is the discovery of an eminent physician and used by him for over thirty years before giving it to the public, and it stands today without a rival. Read advertisement in another column.

A Very Narrow Escape.

"Yes, I had a very narrow escape," said a prominent citizen to a friend. "I was confined to my bed for a year and my friends gave me up for a consumptive's grave, until I began using Kemp's Balsam for the Throat and Lungs, and here I am, sound and hearty." Price 50c. and $1. For sale by H. B. Cochran, Druggist, No. 137, North Queen street, Lancaster.

The Impending Danger.

'Hold fast to that which is good' is my motto. I shall recommend to all my friends similarly affected that Hood's Sarsaparilla is the true elixir of life." WILLIAM HIGGERMAN GROSBECK, Brooklyn, N. THE SWIFT SPECIFIC CO.

Mexican War Veteran.

The wonderful efficacy of SWIFT'S Specific as a remedy and cure for rheumatism and all blood diseases, has never had a more conspicuous illustration than this case affords. The candid, unsolicited and emphatic testimony given by the venerable gentleman must be accepted as convincing and conclusive. The writer is a prominent citizen of Mississippi. The gentleman to whom Mr. Martin refers, and to whom he is indebted for the advice to which he owes his final relief from years of suffering, is Mr. King, for many years the popular night clerk of the Lawrence House, at Jackson.

JACKSON, MISS., April 29, 1887.

THE SWIFT SPECIFIC COMPANY, Atlanta, Ga.:

Gentlemen.—I have been an invalid pensioner for forty years, having contracted pulmonary and other diseases in the Mexican War, but not till the 1st of March, 1875, did I feel any symptoms of rheumatism. On that day I was suddenly stricken with that disease in both hips and ankles. For twenty days I walked on crutches. Then the pain was less violent, but it shifted from joint to joint. For weeks I would be totally disabled, either on one side of my body or the other. The pain never left me a moment for eleven years and seven months — that is from March 1, 1875, when I was first attacked, to October 1, 1886, when I was cured. During these eleven years of intense suffering I tried innumerable prescriptions from various physicians, and tried everything suggested by friends, but if I ever received the least benefit from any medicine taken internally or externally, I am not aware of it. Finally, about the first of September I made arrangements to go to the Hot Springs of Arkansas, having despaired of every other remedy, when I accidentally met an old acquaintance, Mr. King, now of the Lawrence House of this city. He had once been a great sufferer from rheumatism, and, as I supposed, had been cured by a visit to the Hot Springs. But when I met him he told me that his visit to the Hot Springs was in vain—he found no relief. On his return from Hot Springs he heard for the first time, of S. S. S. as a remedy for rheumatism. He tried it and six bottles made a complete cure. Several years have passed since, but he has had no return of the disease.

I immediately returned to try it. In September I took four bottles, and by the first of October I was well—as far as the rheumatism was concerned. All pain had disappeared, and I HAVE NOT FELT A TWINGE OF IT SINCE.

I have no interest in making this statement other than the hope that it may direct some other sufferer to a sure source of relief, and if it has this result I am well rewarded for my trouble. I am very respectfully and truly your friend, J. M. B. MARTIN.
