SPECIAL NOTICES.

PURE BOURBON WHISKY,

Bottled by

UDOLPHO WOLFE,
NEW YORK.

TO GROCERS OF PHILADELPHIA:

I have since my return been solicited by the Medical Faculty of this city to add to my "Schiedam Schnapps" business the bottling of PURE BOURBON WHISKY, which could be relied on by the medical profession. I would have acceded to their request some months, but found it difficult to procure a pure article. After considerable difficulty and delay, I have arranged with two distillers in Bourbon county for a regular supply. I have also located an agent in Louisville, Ky., for the purchase of BOURBON WHISKY, direct from the distillers, when offered for sale in that market.

The Whisky will be put up in my Schnapps bottles, and packed in cases of one dozen each, with a fac simile of my signature on the label.

I remain, yours respectfully,

UDOLPHO WOLFE,
No. 22 BEAVER Street.

NEW YORK, January 30th, 1863.

UDOLPHO WOLFE, Esq., 22 Beaver St., New York:

DEAR SIR: The want of Pure Liquors for Medicinal purposes has been long felt by the profession, and thousands of lives have been sacrificed by the use of adulterated articles.

I have tested the several articles which you sent us, and consider it justly entitled to the high reputation you claim for it.

I would recommend you to appoint some of the reliable Apothecaries, in different parts of the United States, as Agents for the sale of your Bourbon Whisky, that the profession can obtain the same when needed for medicinal purposes.

Wishing you success in your new enterprise,

We remain your obedient servants,

VALENTINE MOTT, M. D., No. 1 Gramercy Park.
J. M. CARNOCHAN, M. D., Professor of Clinical Surgery, Surgeon-in-Chief to the State Hospital, &c., No. 14 East Sixteenth street.

JOHN O'REILLY, M. D., 230 Fourth street.
B. F. RAPHAEL, M. D., Professor of the Principles and Practice of Surgery, New York Medical College, &c., 91 Ninth street, and others.

TO COUNTRY MERCHANTS, DRUGGISTS, AND PRIVATE FAMILIES:

Beg leave to inform the public I have appointed the firm as agents for the sale of this Pure Bourbon Whisky, where samples can always be seen, and soon be forsale by every Grocer, Druggist and Apothecary, and Hotel in the United States.

LIVER COMPLAINT AND DYSPEPSIA.

It is estimated that seven-tenths of all adult ailments proceed from a diseased and torpid liver. The biliary secretions of the liver overflowing into the stomach, poison the entire system, and exhibit the above symptoms.

After long research, we are able to present the most remarkable cure for these horrid nightmare diseases, the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has came to our knowledge!

It is a most effectual tonic, and agreeable stimulant, suited to all conditions of life.

The reports that it relies upon mineral substances for its active properties, are wholly false. For the public satisfaction, and that patients may consult their physicians, we append a list of its components.

CALISAYA BARK—Celebrated for over two hundred years in the treatment of Fever and Ague, Dyspepsia, Weakness, &c. It was introduced into Europe by the Countess, wife of the Viceroy of Peru, in 1640, and afterwards sold by the Jesuits *for the enormous price of its own weight in silver*, under the name of *Jesuit's Powders*, and was finally made public by Louis XVI, King of France. Humboldt makes especial reference to its febrifuge qualities during his South American travels.

CASCARILLA BARK—For diarrhœa, colic, and diseases of the stomach and bowels.

DANDELION—For inflammation of the loins, and dropsical affections.

CHAMOMILE FLOWERS—For enfeebled digestion.

LAVENDER FLOWERS—Aromatic, stimulant, and tonic; highly invigorating in nervous debility.

WINTERGREEN—For scrofula, rheumatism, &c.

ANISE—An aromatic carminative, creating flesh, muscle and milk; much used by mothers nursing.

Also, clove-buds, orange, caraway, coriander, snakeroot, &c.

S.—T.—1860—X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion, and brilliancy to the mind, is yet unknown to the commerce of the world, and we withhold its name for the present.

IMPORTANT CERTIFICATES.

I am respectfully yours,

REV. J. S. CATHORN.

PHILADELPHIA, FEBRUARY 26, 1863.—The attention of the Public is called to the operations of the SOUTHWARK SOUP SOCIETY.

Last week they distributed fifteen hundred loaves of bread and thirty-two hundred quarts of soup.

Owing to the increased demand upon the Society at this time, they are compelled to ask the assistance of the generous and benevolent, so that they may be able to continue their charitable work.

Within the past few days the applications have been numerous, and from a class of persons who heretofore have been able to provide for themselves.

These new applicants are females, whose husbands, sons, or brothers are now with the army, and the delay in the payment of whom has thrown, them upon the Society.

Their funds are low, and looking back to former years, when the Society, in need of help, called upon the citizens, and never asked in vain, they feel that now the call will not be unheeded.

"He that giveth to the poor lendeth to the Lord."

Donations may be left at the SOUP HOUSE, SOUTHWARK LAND Street, below Queen, or with the following persons:
