MARTHA

We wish to inform the public that the Women's Society of Christian Service will hold their regular meeting Friday evening, Nov. 19, in the M. E. church. At the same time they will hold Prayer and Self Denial services. Everyone welcome.

Regular church services and preaching will be held in the M. E. church Sunday morning and in the Baptist in the evening. There is no reason that we can't attend both. Religion is not rationed and the last time I visited both of these churches they had lots of seating room.

We are sorry to learn of the death of Clark Steel. Clark was held in highest esteem by all the citizens of this community and we wish to extend our sympathy to Mrs. Steele and family.

We have been having good reports from John Stiver. He is enjoying good health and is learning plenty in the armed service. John has never had to exert any effort to be a swell fellow and for that reason we know that he has many friends in his camp.

Mr. and Mrs. William Buchan are rejoicing over the arrival of a baby boy. Mother and son are doing fine.

Bud Williams of Turtle Creek, was a hunter visitor at the home of Mr. and Mrs. W. B. Williams over the weekend.

J. T. Henry is spending some time in Tioga county, where he is doing some surveying for the state.

The McGrew kids have been causing a lot of chilly spines by standing in the icy waters of the Williams Run. A number of the neighbors have been concerned but that all happens in the life of goats.

John Bailey was among the lucky hunters to bag a fine turkey last week.

Norman Stiver has just received an invitation to play with the Tyrone band on Armistice Day. Norman is becoming quite popular in the world of music. He is also quite popular in other ways too but I will let the Port Matilda girls tell you about that.

Brushes

Hairbrushes will be as clean as when new if rubbed with half a cupful of salt and flour in equal proportions. Rub into the bristles thoroughly and shake out well before using.

Apple Sauce

The apple sauce will be creamy if it is made by cutting the apples into quarters, not peeling, and leaving in the core. Cook, strain, and then beat it with a wooden spoon. Add the sugar after cooking.

Throng Sees Honor Roll Dedicated

(Continued from page one)

a successful battle. He declared the citizens of the precinct constitute one of the most patriotic groups to be found anywhere in the land, pointing to the high proportion of men they sent to both World Wars.

Declaring "if we lose this war only the dead will be free," Judge Ivan Walker of Bellefonte, a veteran of World War I, said the East Precinct of Snow Shoe Township has set a high mark of patriotism for other communities to follow.

"The names of the men you have sent to World War II represent about 16 per cent of the total population of the township," Judge Walker declared. "This community always goes over the top in War Bond campaigns. You bought more "E" bonds in the Third War Loan drive than any other community in the county, in proportion to population," the speaker added.

Judge Walker said the recent meeting in Moscow destroyed Hitler's last hope of dividing the United Nations, and that Germany and Japan now see the handwriting of defeat on the wall. He urged his hearers to keep up the morale of those in the armed forces by writing letters steadily and without stint.

D. Emmert Brumbaugh, of Clavsburg, newly-elected Congressman from this district, declared that the most important post-war problem to be solved is to provide a job for every man upon his return from the armed forces.

"We must preserve a sound government so we can help our boys when they return from the service," the Congressman declared. He commended the people of the precinct for having done "more than their share" in their efforts to win the war, and in their contribution to World War I.

The program closed with antiphonal taps for all deceased comrades, and a benediction pronounced by Rev. Ralph Schlabig, of Snow Shoe. Taps were sounded by members of the Legion Junior Band.

A crowd estimated at well over one thousand persons gathered on the highway in front of the hotel for the program. A public address system carried the speakers' voices throughout the area, the speakers' platform being on the hotel porch.

Ideal weather prevailed. A bright sun and a warm breeze was reminiscent of spring.

In the list of honor roll names published last week in this newspaper, six names were inadvertently omitted, Chairman Koshko reports. The names omitted are as follows: Joseph Almashie, Walter Bradley, Emil Matty, Rudolph Matty, Steve Padisak and Joseph A. Ceprish, all of the East Precinct of Snow Shoe township.
