WE ONLY PLAYED AT LOVE.

We only played at love you see,
And yet to-day the memory,
Like faded tea-rose scent, to me
Comes floating hazy,
As the cloudy clouds across the moon.
Left out upon an afternoon,
Or as a waltzer hears a tune
Amidst the maze.

I had to hold your hand, you know,
Because the "stage work" had it so;
I wonder did I let it go
Without a pressure?
Thus is it even things that were,
Remembered, make our pulses stir,
Nor even wisdom can demur
To call them treasure.

Not seven months had passed in turn,
Ere you were married; so I burn
These "acting" letters here, and I turn,
To other fancies;
But still 'tis very sweet to me,
This finished little comedy,
I'm glad we played at love you see,
And took our chances.

—*From Drake's Magazine.*

A PROBLEM IN THREES.

If three little houses stood in a row,
With never a fence divide
And if each little house had three little maids
At play in the garden wide,
And if each little maid had three little cats
(Three times three times three).
And if each little cat had three little kits,
How many kits would there be?

And if each little maid had three little friends
With whom she loved to play,
And if each little friend had three little dolls
In dresses and ribbons gay,
And if friends and dolls and cats and kits
Were all invited to tea,
And if none of them all should send regret,
How many guests would there be?

—*From St. Nicholas.*

"The sweetest thing that ever grew beside a human door" was little May, until she took to having headaches. For a time she lost her beauty, but one bright day her Papa bought a bottle of Salvation Oil, and lo! she is as sweet and pretty as ever.

Time is money, but health is happiness. If you have a bad cold or cough use Dr. Bull's Cough Syrup. It will cure you every time. Price 25 cents.

Idleness Is a Dangerous Fault

In the kidneys. When inactive they speedily fall into disrepair. Those obstinate and fatal maladies, Bright's disease and diabetes, ensue with terrible certainty upon the inaction of the organs affected. Catarrh of the bladder, enuresis, gravel and strangury are also to be apprehended from a partial paralysis of the bladder, of which weakness and sluggishness are the causes. Hostetter's Stomach Bitters is a fine tonic and promoter of activity for the renal organs, and one which can be relied upon to afford them the regulate stimulus without exciting them—an effect to be feared from the unmedicated alcoholic excitant of commerce. A further beneficent effect of the Bitters, by renewing activity of the kidneys, is to enable them to drain from the blood in its passage through them, impurities productive of rheumatism and dropsy. Nervousness, fever and ague, constipation and dyspepsia are conquered by the Bitters.

Rupture cured guaranteed by Dr. J. S. Mayer, 631 Arch street, Philadelphia. Ease at once, no operation or delay from business, attested by thousands of cures after others fail, advice free, send for circular. mar10-1yd&w

McLANE'S LIVER PILLS.

THE GENUINE DR. C.

McLANE'S

—CELEBRATED—

LIVER PILLS.

Intemperance a Disease.

When the celebrated Dr. Rush declared that drunkenness was a disease, he enunciated a truth which the experience and observation of medical men is every day confirming. It has many apparently trivial origins, of disease which indulgence the use of spirituous liquors may thus be accounted for. As the true cause of conduct, which is taken for intoxication, is very frequently a diseased state of the Liver. No organ in the human system when deranged, produces a more frightful catalogue of diseases. And it, instead of applying remedies to the manifestations of the disease, as is too often the case physicians would prescribe with a view to the original cause, fewer deaths would result from diseases induced by a deranged state of the Liver. Three-fourths of the diseases enumerated under the head of Consumption have their seat in a diseased Liver. The genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bros., Pittsburg, Pa., are a sure cure.

Mr. Jonathan Houghman, of West Union, Park Co., Illinois, writes to the proprietors, Fleming Brothers, of Pittsburg, Pa., that he had suffered from a severe and prostrating attack of fever and ague, and was completely restored to health by the use of the genuine Dr. C. McLane's Liver Pills alone. These Pills unquestionably possess great properties, and can be taken with decided advantage for many diseases requiring invigorating properties, but the Liver Pills stand pre-eminent as the means of restoring a disorganized liver to healthy action; hence the great celebrity they have attained.

Insist on having the genuine Dr. C. McLane's Liver Pills, prepared by Fleming Bros., Pittsburg, Pa. All druggists keep them. Price 25 cents a box. (3)

S. S. S.

S. S. S.

I am satisfied that Cancer is hereditary in my family. My father died of it, a sister of my mother died of it, and my own sister died of it. My feelings may be imagined then, when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way that it could not be cut out. Numerous remedies were used for it, but the Cancer grew steadily worse until it seemed that I was doomed to follow the others of the family. I took Swift's Specific, which, from the first day, forced out the poison and continued its use until I had taken several bottles, when I found myself well. I know that S. S. S. cured me.
