Death of a Renowned Missionary.

Rev. Alexander Mackay, the famous missionary in the Uganda country, has died from fever. Mr. Mackay was the man whose name Stanley linked with Livingstone and Moffat as among the most eminent missionaries who have labored in Central Africa. He had remained thirteen years continuously in Africa, and had done a great and good religious work, besides which he found time to pursue scientific labors on the shore and among the islands of the Victoria Nyanza, the results of which made him known to all geographers.

Her Former Story Denied.

Maud Kelso, of Cleveland, Ohio, the 15-year-old blonde beauty who told such an exciting yarn last Friday about having been kidnaped, chloroformed and assaulted by unknown men on Thursday evening, now admits to the police that she lied, as she had only gone away and stayed at a neighbor's house over night to frighten her step-sister, who had angered her.

A Necessity of Health.

It is a prime necessity of health that the action of the bowels should be kept regular. But the way to overcome a temporary fit of constipation, or to remedy chronic costiveness, is not to deluge the stomach and drench the bowels with purgatives of violent and painful action. The happy medium between an inoperative and violent cathartic is Hostetter's Stomach Bitters, which acts just sufficiently upon the bowels to relax them, without pain, and which being a wholesome tonic, as well as aperient, has the effect of strengthening both them and the stomach, and promoting the well being of the whole internal economy. The removal of bile from the blood, increased activity of the liver, usually dormant in cases of costiveness, and sound digestion follows the use of this beneficient medicine, as thorough and genial in its effects as it is safe and pure in composition. Rheumatism, fever and ague, kidney troubles and debility are also remedied by it. ab5to22

For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. BROWN'S SARSAPARILLA.

Scrofula & Salt Rheum

The heritage of which every human being is almost as certain as he is of air, sunlight and breath, is Scrofula Humor. Far away in the realms of history we catch glimpses of what a curse upon the people this all-prevalent contamination made itself. Poor diet and insufficient food, ill ventilation, filth and dampness, all assist the slumbering germs of Scrofula to overpower the vitality of the body and run riot in the system. The blood in its process of renewing the waste cannot expel any inherited taint of weakness or impurity. It can only be removed by the action of some purifying medicinal agency, which assisted by nutritious food, well digested and assimilated into blood, gradually insures the possession of sound health. Such a renovating remedy has Brown's Sarsaparilla proved itself to be, whether this taint has given rise to Scrofula, Salt Rheum Rheumatism, Neuralgia, Liver Complaints, or Kidney Diseases, which are the most frequent manifestations of its presence, all have readily yielded to the clean and purifying action of Brown's Sarsaparilla.

A VERY BAD CASE.

of Scrofula, cured by Brown's Sarsaparilla, has excited the people living in and around the town of Lee, Me. Mr. Averill writes us as follows: "My son has now taken fourteen bottles of Brown's Sarsaparilla, and I am sure it has completed a cure. His case was the worst I ever saw. His face was covered with what seemed to be scales, and the itching was so intolerable that he tossed about in agony through many a sleepless night. He commenced some weeks ago to use Brown's Sarsaparilla in connection with the salve you sent to allay the irritation, and now he is so far recovered that we consider his complete cure as certain." Mr. J. W. Burke, of Lee, chairman of Penobscot Co. Commissioners, says: "It is wonderful what Brown's Sarsaparilla has done for young Averill." In this case Brown's Sarsaparilla threw open the bowels and pores of the skin, at the same time entering the blood, beginning a vigorous warfare on the impure matter found there, and which was a constant source of supply for the scrofulous humor on the outside. In time this was expelled from the system, and only pure matter entered the blood.

Cured by the Use of

SALT RHEUM.

On Davis street, in Bangor, resides Mrs. Edwin Wiley, whose daughter was badly afflicted with Salt Rheum. At times her face and hands would be covered with blotches. So intense was the itching sensation that applications of salt were made to destroy it. For a long time no relief could be obtained. One day some one suggested Brown's Sarsaparilla, and a bottle was purchased. Later Mrs. Wiley brought her daughter to the establishment of Mr. Ara Warren, where Brown's Sarsaparilla is made. The face that a short time previous was covered with blotches, burning and itching, presented as fair and smooth an appearance as that of any young lady. LESS THAN ONE BOTTLE WAS USED.
