THE GREAT CENTRAL FAIR—TO THE WHOLESALE DRY GOODS MERCHANTS OF PENNSYLVANIA.

PHILADELPHIA, March, 1864.

On behalf of our sick and wounded soldiers in the camp, hospital, and on the battle-field, the undersigned appeal to the Wholesale Dry-Goods Merchants of Pennsylvania to lend their powerful aid to the GREAT CENTRAL FAIR OF THE SANITARY COMMISSION, to be held in this city the first of June next.

The labors and achievements of this great national organization are too well known to you and to the world to need any detailed description at this time.

The Sanitary Commission was recognized by the Government authorities at an early stage of the war, and has silently, but faithfully and most efficiently, continued its labors from that time to the present.

Thoroughly charitable in its spirit, compact in its organization, and systematic and practical in its working, established especially for the benefit of our own sick and wounded soldiers, at the same time it extends aid to those of either army, recognizing them all as brethren and citizens of a common country.

In the field of labor embraces the whole theatre of the war, from New Orleans and Texas, along the Mississippi Valley, across the bloody plains of Tennessee and Virginia, to Antietam and Gettysburg, and every battlefield on the Atlantic coast.

Such vast operations require correspondingly vast resources to sustain them, and the approaching Fair is intended to aid in providing and maintaining these resources.

We appeal to you confidently for liberal contributions, under the belief that all who are following peaceful and honored business pursuits in security at home will esteem it a privilege to do all in their power to alleviate the sufferings of those who are nobly sacrificing their health and life itself in behalf of their country. We will most receive thankfully small donations from those in your employ, earnestly requesting that you will encourage them and all others over whom your influence extends to contribute to this noble charity.

Contributions are earnestly solicited in money or merchandise, which may be sent to the City Store, either of the committee.

AT A MEETING OF THE ARTISTS' FUND SOCIETY, held March 30, the following resolutions were adopted:

Resolved, That each member of the ARTISTS' FUND SOCIETY be requested to present to the CENTRAL FAIR for the SANITARY COMMISSION, if he be a painter, a picture, no size less by twelve inches, more or less; and, if he be not a painter, then, work of 9 A. M. and 7 P. M. 1t

2. That a Committee of three be appointed, by ballot, to collect such works of art as may be subscribed for this purpose.

3. That the Committee be instructed to convey, collectively, such works to the Fine Art Committee of the Central Sanitary Fair, as a gift from the ARTISTS' FUND SOCIETY.

W. M. RICHARDS,
GEO. C. LAMBDIN, } Committee.
ALEX. LAWRIE,

OFFICE OF THE MAYOR OF THE CITY OF PHILADELPHIA, March 30, 1864.

SEALED PROPOSALS will be received by the Mayor of Philadelphia until 12 o'clock noon of WEDNESDAY, April 13th, for the purchase of the Six-per-Cent. Loan of the City of Philadelphia for one million two hundred and twenty thousand dollars, authorized by an ordinance of the Select and Common Councils of the said city, approved March 1st, 1864, and likewise of the Six-per-cent. Loan of the said city for two millions of dollars, authorized by an ordinance approved March 26th, 1864.

Such proposals must be addressed under seal to the Mayor, labelled "Offer for City Loan," which will be opened by him in the presence of the City Treasurer and City Controller at the time above designated, the right being reserved by the Mayor to reject any bid for insufficiency of price.

These loans are redeemable at the expiration of thirty years from date; their repayment is secured by Sinking Funds established contemporaneously with their issue, for like purposes as those where for the sale of which is specially pledged. Their interest will be paid yearly, on the first days of January and July, at the office of the City Treasurer, without deduction of, or liability for, State or City Taxes.

ALEXANDER HENRY,
Mayor of Philadelphia.

OFFICE OF THE GREAT CENTRAL FAIR FOR THE SANITARY COMMISSION, PHILADELPHIA, 1307 CHESTNUT STREET, March, 1864.—The Committee on Finance and Donations of the Great Central Fair appeal for contributions in MONEY to those of their fellow-citizens who do not propose sending to the Fair the products of their skill and industry. By far the larger portion of the money received on these occasions is contributed for the benefit of the Sanitary Commission in Cincinnati, Boston, and Brooklyn, has received from Street donations in CASH, and not from the proceeds of the sale of articles exposed. What the Sanitary Commission needs to afford relief to the sick and wounded soldiers is money, in large amounts and from all sources. We call, then, upon all bankers, corporations, and capitalists, to secure invaluable results by liberal or otherwise; in short, upon all who will not be represented in the Fair by their productions, to imitate the example of those who will, and to contribute generously to MONEY for this great object. In New York, although their Fair is not to be held for two weeks, contributions of more than $200,000 in cash have been already received, a single department of Brooklyn, of $50,000, having made up more than half that sum. Philadelphia and Cincinnati have each contributed as much in money, and certainly the liberality and patriotism of Philadelphia can hardly be considered as less conspicuous than that of those cities.

Donations will be thankfully received by any of the members of the Committee.
