Well, it's high time the law makers get down to business and do something to smash this dirty crooked deal of an Income Tax. There are a lot of people who can't pay the Income Taxes and these taxes deny God his tithe. He will come and destroy the crooked law makers, and also the contrary insurance companies. Last warning to law makers and the Auto Safety Control fellows. Get down on your knees and pray or you will be left to the Devil and ris Angels.

Mr. and Mrs. Glenn Mitchell entertained their friends last Sunday at their home up the Pike.

Well, we got a good pour down of rain last Sunday evening which is a help to my garden.

Leonard Lambert spent the weekend with his wife and family here.

Those thunderin' Income Taxes! I will not pay so much Income Tax. The time is not too far off when God will come and straighten out this thing. Too many are living too far from God. The ungodly must suffer for it. The Bible says so.
