HOYT'S HIAWATHA HAIR RESTORATIVE.

In *Longfellow's* Poem Hiawatha was adjudged to have conferred the greatest benefit on his tribe because he brought to its notice corn. Every one will admit that our preparation is worthy of the name, for the benefits it confers when it is known.

WHAT THE HIAWATHA DOES.

It restores faded and gray hair and whiskers to their original color. It brings up the natural shading of one hair with another, thus giving the hair a perfect life appearance, so that the most critical observer cannot detect its use. It makes harsh hair soft and silky, stops its falling out, cleanses it and the scalp from all impurities, is as readily applied and wiped from the skin as any hair dressing, and entirely overcomes the bad effects of previous use of preparations containing sulphur, sugar of lead, &c.

The proprietors of the Hiawatha published the following challenge to test in the New York dailies three weeks, which

WAS NEVER ACCEPTED:

Let some well known and disinterested persons appoint one to the proprietor of each preparation for the hair to bring up the colors. Every proprietor to use no thing but his own preparation, and the person nothing else during the test. A certificate of the result to be widely published at the expense of the unsuccessful competitors. Address

THE GREAT CENTRAL FAIR.

STATE OF DELAWARE,
EXECUTIVE DEPARTMENT,
DOVER, March, 1864.

TO THE LOYAL CITIZENS OF DELAWARE: It is proposed to hold a Great Fair in the city of Philadelphia, in the first week in June next, for the benefit of the Sanitary Commission. The citizens of Delaware have been cordially invited to co-operate with the citizens of Pennsylvania and New Jersey in this patriotic and humane purpose. The regulations added hereto have been adopted with reference to this State, and will exhibit the details of the plan of management.

It is not necessary for me to commend this great and good work to the loyal people of Delaware. You have already given with a liberality and labored with a fidelity unexcelled in zeal. You have been willing and active; and what you have done is the best indication of what you can and will do. Let every clergyman announce this humane undertaking to his people; let the press give it the widest publicity and the most earnest encouragement; let every factory, workshop, and mill contribute a specimen of the best thing they can turn out; let all good men and women exercise their taste and ingenuity. In this way the result may be an honor to our State, a great comfort to our suffering heroes, and an offering well pleasing to the Almighty, whose blessing and assistance I humbly invoke upon this work of Christian charity.

WILLIAM CANNON.

By the Governor:
SAMUEL M. HARRINGTON, Jr.,
Secretary of State.

Gov. Cannon has announced the following general arrangements for the Delaware Department:

1. Executive Committee for Delaware in Philadelphia have been appointed as follows: Hon. Charles Gibbons, chairman; Daniel S. Cummins, Esq., Dr G Emerson, E. B. Comegys, Esq., Lindley Smyth, Esq., and F. A. Godwin, Esq.

LADIES' EXECUTIVE COMMITTEE IN PHILADELPHIA.

Mrs. Irvine Shubrick, Miss Elizabeth Phillips, Mrs. George Read, Miss Caroline H. Gibbons, Mrs. John K. Findlay, Mrs. John F. James, Mrs. Charles A. Lyman, Mrs. Thomas S. Woodward, Mrs. Thomas E. Ashmead, Miss Louisa B. Bispham, Miss Anna L. Austin.

Mrs. Edwin Mitchell, 1338 Walnut street, has been appointed Directress of the Department of Art, and will receive contributions for that department from Delaware ladies residing in Philadelphia.

2. An Executive Committee of ladies and gentlemen from Delaware will be appointed, to whom will be intrusted the general management of the Delaware Department.

3. Sub-committees of ladies and gentlemen will be appointed for each department of industry and art, whose business it will be to solicit contributions for the Fair, and to work in a general direction of the Executive Committee, each in its own special branch.

4. Appropriate prizes for the management of the Delaware Department will be appointed by and from this State.

5. The Delaware Department will be directed and conducted by Delaware ladies. It will keep its own accounts, and, at the close of the Fair, pay over to the general fund its profits, which will be credited to the State of Delaware.

6. Arrangements will be made by which the proceeds for tickets of admission to Delaware visitors will be duly credited to this State. These tickets will be sold near each entrance to the exhibition, in Philadelphia, Wilmington, and other places to be hereafter announced. It is earnestly requested that all persons from this State will purchase their tickets at such places as may hereafter be announced by the Delaware Executive Committee, so that the credit may be duly made to which it will justly be entitled.

7. It is earnest y requested that all persons throughout the State who desire to co-operate in this work will immediately, and until April 1, co respond with the Secretary of State, at Wilmington, and will indicate the committee or committees upon which they can be most efficient. As far as practicable their preferences will be recognized.

8. The Committee on "Labor, Incomes and Revenues" will endeavor to obtain the contribution of the proceeds of "one day's labor" from every person willing to give it, and one day's revenue from all corporations, firms, &c., and one day's income from all persons of fortune and from professional men.

9. There is no department of industry or of art that may not be used efficiently for the purpose of raising funds for the Sanitary Commission. There is not a man, woman or child, who is willing to aid, who cannot make his or her ability and willingness available. Almost every article of manufacture, amusement, curiosity, or sale will be acceptable. All varieties of needle-work, goods, food, fancy wares, old documents, books, pamphlets, engravings, caricatures, ornaments, carvings, relics, autographs of distinguished persons (single or bound together), official copies of proclamations, contributions of poetry or prose for the post office or for the Fair Journal, patent rights, rights for the soldier or the citizen, drawings, paintings, modeling, leather work, may be contributed. Every mechanic or laborer may contribute some article of his own manufacture to be marked in his own name, and exhibited and sold at the Fair.

10. All contributions from Delawareans will be made to the appropriate Delaware Committees. Those made within the State will be sent first to the General Headquarters at Wilmington, to be hereafter announced, where they will be properly marked and forwarded.

OFFICE OF THE MEXICAN PACIFIC COMPANY,
Textile Building, No. 86 Wall street,
NEW YORK, March 15, 1864.

To His Excellency, Senor Don Matias Romero, Envoy Extraordinary and Minister Plenipotentiary of the Republic of Mexico, Washington:

DEAR SIR: The time has arrived when the serious attention of American capitalists is being turned toward an attractive field for enterprise, with means, procured by the vast mineral wealth of Mexico.

This has led a large number of gentlemen to manifest a desire to become interested in the grants held by this Company in that country.

For their information, I beg to take the liberty of inquiring of you, as the official representative in this country of the Mexican Government:

1st. Will the grants held by this Company will at all times be recognized and respected by the authorities of the Republic.

2d. Will not any other similar grants have ever been conceded by the Mexican Government.

3d. As to the unequal revenues of the States to which these grants apply, and—

4th. As to the desire of the Mexican Government to have American capitalists to take part in the development of the resources of that country.

A reply at your earliest convenience is respectfully solicited

I have the honor to be, sir,
Very respectfully,
Your most obedient servant,
E. L. PLUMB, President.
