Mrs. J. K. Polk.—Mrs. Polk is the niece of the late Judge White, a distinguished Senator of Tennessee, and was married before the election of General Jackson as President; and accompanied her husband to Washington when he was first elected to Congress.

Ohio Legislature.—The Cincinnati Gazette gives the following as the complexion of the new Legislature of that State:—Senate, 21 whigs, 15 democrats; House, 41 whigs, 31 democrats. Whig majority on joint ballot 18.

A Costly Calumny.—The Lafayette (Ala.) Herald, speaks of a slander case just decided in Russell county, in which a verdict for $5,000 damages was rendered, but which was compromised by the payment of $2,500.

The City of New York.—The official canvass of the votes given at the late election in New York city, shows that the Polk electors received 28,296, the Clay electors 26,384. Polk's majority 1,912. For Governor—Fillmore, 25,824; Wright, 20,164.—Wright's majority, 3,340.

Large Hogs.—Mr. Paul Furman 2d. of Columbia township, in this county, lately slaughtered two pigs, aged eight months and twenty days, one of which weighed 377 lbs.; the other 336 lbs.—Company of our farmers beat this?

Louisiana.—Returns have been received from all the parishes in the state but four, and Polks majority is about 700. It is supposed his majority in the State will be about 1,000.

Errors in the Census.—It is said that the census of 1840 abounds with the most gross and very material errors. The obstacles thrown in the way of the officers, prevented in many instances, a correct return.

Went Up.—On the receipt at New Orleans of information of the result of the Presidential Election, Texas notes and bonds advanced in price.

Court.—Our quarterly Court commenced last Monday. We shall give as usual, a full report of the business as it progresses.

The Mormon Vote.—Nearly the entire vote of the Mormon City was given to Polk. The full returns give him 200; Clay, 5.

Brick Work.—The distance from Cincinnati to Pittsburg, over 500 miles, was performed last week in fifty-three hours, by the steamer Messenger.

Colds from wet Feet.—It should be remembered that Colds, Coughs, Consumption, Asthma, Inflamation of the Lungs, Pleurisy, and many other disorders are often the result of taking cold, in consequence of wet and damp clothes, night air, &c. Wright's Indian Vegetable Pills are thought to carry off and prevent all evil consequences from catching cold. because they purge from the body those morbid humors, which, if lodged in the body, are the cause of Coughs, difficulty of breathing, Consumptions, and other dangerous complaints.

From three to six of said Indian Vegetable Pills, taken every night on going to bed, will in a short time not only remove the most obstinate cold, but the body will even be restored to sound health than before.
