PERRY'S MOTH AND FRECKLE LOTION.—Chloasma, or Mothpatch (also called Liverspot,) and Lentigo, or Freckles, are often very annoying particularly to ladies of light complexion, for the discolored spots show more plainly on the face of a blonde than of a brunette; but they greatly mar the beauty of either, and any preparation that will effectually remove them, *without injuring the texture or color of the skin* is certainly a desideratum. Dr. B. C. PERRY, who has made diseases of the skin a specialty, has discovered a remedy for these discolorations which is at once prompt, infallible, and harmless.

Wholesale in Philadelphia by JOHNSTON, HOLLOWAY, & COWDEN, 23 North SIXTH Street, and by DYOTT & CO., 232 North SECOND Street.

Prepared only by B. C. PERRY, Dermatologist, No. 49 BOND Street, New York, and for sale by all Druggists. Price, $2 per bottle. Call for PERRY'S MOTH AND FRECKLE LOTION.

DIARRHŒA AND DYSENTERY.—A SURE remedy for the worst case of acute or chronic Diarrhœa and Dysentery is Dr. STRICKLAND'S ANTI-CHOLERA MIXTURE; thousands have been cured by it; our Government uses it in the hospitals. It has cured many of our soldiers after all other means failed; in fact, we have enough proof of the efficacy of this valuable preparation of astringents, absorbents, stimulants, and carminatives, to advise every one of our readers to get a bottle and have it in readiness, and to those who suffer try it directly. Sold by Druggists everywhere. Ask for Dr. Strickland's Anti-Cholera Mixture. jy3-mwf-3m

And drive out the demons of sickness and care."

HALL'S

HAIR RENEWER.

As the name indicates, it not only renews the growth of the Hair when thin and falling out, but it will positively renew the color to its original shade when it is turning gray or white, whether by disease, grief, or old age. It will certainly

do what is claimed for it—a fact which hundreds, nay, thousands who have used it, are ready to testify. Where one bottle is fairly used, in any community, its reputation "spreads like wildfire," and is the best advertisement and recommendation we desire. In the

HALL'S HAIR RENEWER.

Eastern States, where the "Renewer" originated, it is used by all young ladies as a dressing, and is to be found on the toilet tables of young men (also at their barbers,) while other men and women will not be without it, as a renewer and restorative for

their gray locks and bald heads, which it changes to their entire satisfaction.

We are selling, in the city of Boston alone, upwards of 36,000 bottles per month, the dealers giving the "Renewer" the preference to all other Hair preparations.

HALL'S HAIR RENEWER.

Its effect is marvellous. The old, middle-aged, and young alike in praising its virtues. It is an entirely scientific discovery, combining many of the best restoratives in the vegetable kingdom. It will restore gray hair. It will restore dry, faded, and

discolored hair to its original color, and change dry, brash, wiry hair into beautiful silken tresses. We have such confidence in its merits, and we are so sure that it will do all that we claim for it, that we offer $1,000 reward if the Hair Renewer does not give satisfaction in all cases, when used according

to the directions. We claim as follows: It will restore the hair to its former natural color. It will keep the hair from falling out. It will cleanse the scalp. It will leave the hair lustrous, silken, and glossy. As the name indicates, it will renew the

growth and color of the hair. It is liked by all who use it, and it is a splendid hair dressing. It is rapidly increasing in popularity everywhere, such as no other preparation for the same purpose has ever enjoyed, simply because it effects the change we claim for it—prove it, try a bottle.
