Bradford Reporter.

LOCAL AND GENERAL.

SKATING CLUB.—The Towanda Skating Club is now in a flourishing condition, and from present indications the members intend enjoying themselves hugely this winter. As the skaters are numerous hereabouts, and a large proportion of them juveniles, and rather young to belong to any association of this kind, it has been thought best by some of the members of the club to solicit contributions from the parents and friends of the "little ones," to carry out more effectually arrangements to preserving life. It is the intention of the club to place large lanterns, flags, torches, &c., upon the ice, so that everything must move off in safety and security. To do this would incur an expense larger than the club in its present condition is willing to foot, when others come on the grounds and enjoy the same privileges that the members do. Donations will be received thankfully by the Treasurer, CHARLES P. PATCH, in behalf of the club.

TORREY'S BEE HIVE.—Mr. R. S. TORREY, of Bangor, *Maine*, is introducing the "*Maine State Bee Hive*," to the notice of the people of Bradford County. This hive has taken the first premium at many State Fairs, and was awarded the first premium at the Pennsylvania State Fair, held at Easton. The agricultural journals all praise it highly, and it has the warmest testimonials from those who have made use of it. *Mr.* T., the patentee, is an enthusiast on the subject of bee raising, and has made it a study and business for more than thirty years. His hive combines cheapness with beauty of style and perfect adaptation to the wants of the colony which inhabits it. It is claimed for it, that it secures all the advantages necessary for the safety of the bees, removing the obstacles and dangers of raising and wintering them, and enabling them to produce in abundance a better quality of honey. Its merits are certainly worthy of the attention and enquiry of our bee-raising citizens.

☞ Godey's Lady's Book for January is already out. It is, indeed, a fitting initial number of the year. It contains two splendid steel plates, a superior colored fashion plate, and fourteen full page engravings; among which are the three robe dresses, from the celebrated house of *Messrs.* A. T. STEWART & Co., of New York, and one from BRODIE'S Emporium, besides other illustrations too numerous to mention. Its literary contents are unrivalled. We will send Godey's Lady's Book and the "REPORTER" the next year to subscribers for $4.50.

HOLIDAY PARTY.—We would say to the lovers of Dancing, that the HOLCOMB HOUSE, in LeRoy, will be open to receive its guests on Friday evening, Dec. 30. Good music will be in attendence. Bill $3.00.

THE LADY'S FRIEND.—The January number of the Lady's Friend is already on our table, and fully bears out the high reputation of this new monthly, which is now entering upon the second year of its existence. The leading steel engraving, "HUSH! IT IS ASLEEP," is a beautiful picture, and will doubtless go right to the hearts of the ladies. The Fashion Plate—a double one, as usual—is very handsome indeed, admirably engraved on steel, and richly colored. Then there is a colored design of a WORK TABLE COMPANION, a very useful lady, as she seems, in red and yellow and blue; and numerous other engravings of the Fashions, Work Table Department, &c. The music of this number is a piece entitled, "I STOOD WITHIN OUR COTTAGE HALL." The literary contents, are even unusually excellent.

Price $2,50; 2 copies $4,00; 9 copies $16,00; 21 copies $35,00. Specimen numbers will be sent to those desirous of making up clubs at 15 cts.—Wheeler & Wilson's celebrated Sewing Machines are furnished as Premiums. Address DEACON & PETERSON, 319 Walnut street, Philadelphia.

Now is the time to send on your subscriptions for 1865.

TIOGA CO. COTTON.—On Monday last we were shown a sample of Sea Island Cotton, raised by Mrs. Cady, at Tioga, from seed sent by some of the boys in the 45th Reg't, during their stay in South Carolina. From the specimen before us we should judge it would pay all to give it a trial and find out whether the loyal North is not capable of raising her own cotton without the help of our "dear Southern brethern."—*Tioga Agitator.*

☞ We are glad to welcome our old friend GOODRICH back to the tripod, and look to see him prosper as he deserves. The *Reporter* is now one of the largest and neatest county papers in Pennsylvania. *In fact it was ever one of the neatest printed and most efficient of all our exchanges.* He has procured new presses and new type, and ought to have 2500 subscribers. The price of the *Reporter* is now $2 per year in advance. He had better make it $2,50.—*Tioga Agitator.*

PETERSON'S MAGAZINE.—We are in receipt of this popular Lady's Magazine, for December.—It is a splendid number, with a superb title page for 1864. Notwithstanding the enormously increased price of paper, and the rise in all printing materials, "Peterson" will still be furnished at TWO DOLLARS A YEAR. No Magazine of similar merit approaches it in cheapness. Its stories and novelettes are by the best writers. In 1865, Four Original Copyright Novelettes will be given. Its Fashions are always the latest and prettiest. Every neighborhood ought to make up a club. IT IS THE MAGAZINE FOR THE TIMES! Its terms to clubs are unprecedentedly liberal, viz:—8 copies for $12,00, or 14 copies for $20,00. To every person getting up a club, (at these rates,) the Publisher will send, as a premium, that superb engraving for framing, size, 27 inches by 20 inches, "WASHINGTON PARTING FROM HIS GENERALS," or an extra copy of the Magazine for 1865.

ARTHUR'S HOME MAGAZINE FOR 1865.—The Home Magazine closes its volume for 1864 with the widest circulation it has yet obtained. For 1865 it will be enlarged and made still more worthy of the patronage it is receiving. No periodical in the country has met with a heartier welcome from the press. Its praises come heralded from every direction. To maintain the high place it has reached in public favor, the publishers and editors will spare neither expense nor labor. It is, par excellence, the people's magazine, and should find a place in every home. Terms, $2,50 a year; three copies, $6; five copies, and one to the getter up of the club, $10; nine copies, and one to getter up of club, $15.

CHRISTMAS HOLIDAY PRESENTS.—COWLES & Co., call attention to the most splendid variety of Christmas holiday presents ever offered for sale in Towanda. Having a large stock they are determined to sell at great bargains. Call and see them.

NEW YORK AND PHILADELPHIA PETROLEUM CO.—The prospectus of this company will be found in another column. At this time, when so many projects of this character are being originated for purly speculative purposes, it behooves those desiring to invest to investigate closely. The names connected with this company, are a sufficient guarentee of its reliability, and that its affairs will be prudently managed.

☞ The Sunday schools of Wyalusing and vicinity will hold their regular monthly Concert next Sunday—Christmas—at 3 p. m., in the chapel of the Second Presbyterian Church.

☞ The Fire Department of the Boro' of Towanda, held their annual election at the Engine House, on Monday evening, Dec. 19th 1864, when the following officers were elected for the ensuing year:

H. B. MCKEAN, *Chief Engineer.*
JOHN W. MIX, *Ass't. Chief Engineer.*

The Draft.

OFFICE PROVOST MARSHAL, 13th Dis.
TROY, Pa. Dec. 5, 1864.

In order to secure the assistance and co-operation of the people in the endeavor to keep the Enrollment Lists continually correct, the Enrolling Board have been directed to have copies of said lists kept open to the examination of the public at all times, if he can show, to the satisfaction of the Board, that the person named is improperly enrolled, on account of

1st. Alienage.
2d. Non Resident.
3d. Over Age.
4th. Permanent physical disability of such a degree to render the person not a proper subject for enrollment, under the law and regulations.
5th. Having served in the Military or Naval service two years during the present war, and been honorably discharged.

Especially civil officers, clergymen, and all prominent citizens are invited to appear at all times before the board to point out errors, and to give such information in their possession as may aid in the correction and revision, thereof.

They should understand that it is plainly for the interest of each sub district to have stricken from the lists all names improperly enrolled because an excess of names increase the quota called for from such sub-districts; and that it is equally for the interest of each person enrolled in a given sub-district to place upon the lists all persons in the sub district liable to do military duty, because the greater the number to be drawn from, the less the chance that any particular individual will be drawn. It is the personal interest of every enrolled man, that the quota in which he is concerned shall not be made too large, and that his own chances for draft shall not be injustly increased; both these objects will be attained if all parties will aid in striking out the wrong names and putting in the right ones. Especially is this the interest of those drafted men who by putting in substitutes themselves liable to draft have secured exemption, which by the terms of the law hold good only until the precent enrollment is exhausted in their sub districts.

Men who are over 45 years of age and in consequence excused by law from the performance of duty in the field, owe it to the cause and the country to take a zealous and active part in the correction of the enrollment lists, a military service of the first importance. The law requires that the quota shall be assigned in proportion to the enrollment, and the fairness and justice of this mode of determining the amount of military service due from each and every section cannot be doubted if the enrollment is made as nearly perfect as it is practicable to make it. The amount of service due to the nation from every town or county, is thus laid fairly and plainly before the citizens, and is expected that a higher motive thon a selfish interest will prompt all to do their share in perfecting the enrollment, and securing a just and efficient exetution of the laws for raising troops, whenever it becomes necessary to apply them.
