The Markets.

PHILADELPHIA, Feb. 24.

Cloverseed comes in slowly, and commands $6 50@6 62½ per 64lbs. from store and $6 25@6 37½ from wagons.

The receipts of Flour have increased, the inspections amounting to 12,740 bbls., against about 7000 bbls. last week. There is some little inquiry for shipment, and 1200@1500 barrels have been disposed of at $5 75@5 87½ ⅌ bbl. for standard and good brands, and $6 37½@6 75 for extra. There is a steady demand for home consumption within the range of the same quotations. Rye Flour is in better demand—sales of 400 bbls. at $6. Corn Meal is in better demand—600 bbls. Pennsylvania sold at $4 25 ⅌ bbl.

Grain—Wheat is in rather better demand, but prices remain without change. Sales of 2000 bushels prime Penna. white, deliverable on the opening of the canals, at $2 20 and 12@1500 red, in store, at $2 11 ⅌ bu., and some mixed at $2 11@2 14. In Rye nothing is doing. Corn is unchanged—sales of 2@4000 bushels yellow, at 92 cents, afloat and 90 cents, in store; a sale of 2000 bushels, to arrive, at 90 cts. In Oats no transactions.

In Groceries there is considerable activity, and further sales of New Orleans Sugar have been made at 4¾@5¾ cents ⅌ lb, on time.

Whiskey is dull.—Sales of bbls. at 32 cts and hhds at 31 cts.

To the Public.—Justice to George M. Steinman requires me to state that the report put in circulation—that he threatened to collect by execution the money due my husband and that his threat preyed upon my husband's mind—is without any foundation. Mr. Steinman always told my husband that he should not give himself any concern about the debt, that he should take his own time to pay it, and that in the event of his death he would not distress me for its payment. My husband and our family knew that Mr. Steinman was one of our best friends.

Freely and without any solicitation on the part of Mr. Steinman I make this statement, influenced only by a desire to do justice to my husband's memory, and to one who was his best friend and benefactor.

Cash Music and Piano Store of Horace WATERS, No. 333 Broadway, New York. Opposition to Monopoly. Music at greatly reduced prices. Notwithstanding the combination of music dealers to keep up the prices of non-copyright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence, that he has public countenance and suppport, in opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a great reduction in the prices of Pianos, Melodeons and Musical Instruments of all kinds. Superior toned 6½ octave pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories: among them the celebrated modern improved Horace Waters' Pianos and the first premium Æolian Pianos of T. Gilbert & Co.'s make, (owners of the Æolian patent.) Second-hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons, (tuned the equal temperament,) the best make in the United States. Prices $45, 50, 75, 100, 115, 125, 135 and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c.; 12½ per cent. discount to clergymen and churches. All orders promptly attended to. INSTRUCTIONS.

Form of a proposal where no change from advertisement is contemplated by the bidder.

I, ——, of ——, county of ——, State of ——, propose to convey the mails on route No. ——, from —— to ——, agreeably to the advertisement of the Postmaster General, dated February 10, 1855, and by the following mode of conveyance, viz:
for the annual sum of dollars.

This proposal is made with the full knowledge of the distance of the route, the weight of the mail to be carried, and all other particulars in reference to the route and service, and also after full examination of the instructions and requirements attached to the advertisement.
Dated (Signed.)

Form of a Guarantee.

The undersigned, residing at ——, State of ——, undertake that, if the foregoing bid for carrying the mail on route No. —— be accepted by the Postmaster General, the bidder shall, prior to the 1st day of July, 1855, or as soon thereafter as may be, enter into the required obligation to perform the service proposed, with good and sufficient sureties.

This we do with a full knowledge of the obligations and liabilities assumed by guarantors under the 27th section of the act of Congress of July 2, 1836.
Dated.
(Signed by two guarantors.)

Form of a Certificate.

The undersigned, postmaster of ——, State of ——, certifies, under his oath of office, that he is acquainted with the above guarantors, and knows them to be men of property, and able to make good their guarantee.
Dated.
(Signed.)

The sufficiency of guarantors on proposals may be certified by a judge of a court of record, and by postmasters.

Conditions to be incorporated in the contracts to the extent the Department may deem proper.

The distances are given according to the best information; but no increased pay will be allowed should they be greater than advertised, if the point to be supplied be correctly stated. Bidders must inform themselves on this point.

A bid received after time, viz: 3 p m of the 10th April, 1855, or without the guaranty required by law, or that combines several routes in one sum of compensation, cannot be considered in competition with a regular proposal reasonable in amount.

Bidders should, in all cases, first propose for service strictly according to the advertisement, and then, if they desire, *separately* for different service; and if the *regular* bid be the lowest offered for the advertised service, the other bids may be considered; if the alterations proposed are recommended by the postmasters and citizens interested, or if they shall appear manifestly right and proper.

There should be but one route bid for in a proposal.

The bid should be sealed; superscribed "Mail Proposals, State of or Territory of ——," (as the case may be,) addressed "Second Assistant Postmaster General, Contract Office," and sent by *mail*, not by, or to, an agent, and postmasters will not enclose proposals (or letters of any kind) in their quarterly returns.

The contracts are to be executed and returned to the Department by or before the 1st of August, 1855, but the service must be commenced on the mail day next after thatdate, whether the contracts be executed or not. No proposition for transfers will be considered until the contracts are executed in due form and received at the department; and then no transfers will be allowed unless good and sufficient reasons therefor are given, to be determined by the department.

Present contractors and persons known at the Department, must, equally with others, procure guarantors and certificates of their sufficiency substantially in the forms above prescribed. The certificates of sufficiency must be signed by a postmaster, at one of the places before named, or a Judge of a court of record.

The Great Distribution Postponed.—The Cosmopolitan Art Association announce a brief postponement of the distribution, from the 30th of January to the 28th of February, at which time it will positively take place.

The managers find it necessary to make the above change owing to the delay in completing the building of the Galleries, and the reception of Works of Art; which necessarily deferred the publication of the Illustrated Catalogue until late in December, thereby preventing the general circulation desired among the distant Secretaries and friends of the Association.

To all those who have not subscribed the last opportunity is now presented. Any one subscribing previous to the 28th of February, are entitled to the Magazines for 1855.

The payment of $3 entitles any person to either one of the following Magazines for the year 1855:

Harper's, Putnam's, Knickerbocker, Blackwood's, Graham's Magazine of Art, and Godey's Lady's Book, and the Quarterly Reviews reprinted in New York, Edinburgh, Westminster, London Quarterly and North British. Also a ticket in the Distribution, giving the holders an equal chance in drawing the $5,000 Statute of the Greek Slave, or Venus, Bacchante, Hebe, Flora, with bronze statuettes and several hundred Magnificent Oil Paintings.

For full particulars see Illustrated Catalogues, which are sent free, on application to all parts of the country.—
