Bradford Reporter.

LOCAL AND GENERAL.

☞ A. M. MUNDAY, of Williamsport, was relieved of $1,500, on Monday evening, at the Herdic House in that city, by one of the light-fingered fraternity. Pretty good haul that.

FINIS.—The last prisoner of war, who had been in confinement at Elmira, left for home on Friday last. He belonged in North Carolina. His name is KESTLER. He has been sick in the hospital for a long time.

☞ The Elmira Rolling Mill Co. pay a Government tax of over Fifty-five Thousand Dollars per annum to the U. S. Government.

☞ "THE SULLIVAN FREE PRESS," is the title of a new newspaper, published at Laporte, Sullivan county, by JOHN T. BREWSTER, the first number of which has just reached us. The paper is well printed, and that it will be ably conducted needs no assurance, when we state that THOMAS J. INGHAM is associated in the editorial department. We wish the *Free Press* success.

BURGLARY.—The Grocery Store of M. CLARK, in Ulster, was broken into on the night of Sept. 21st, and about $15 in money stolen.

MELANCHOLY SUICIDE.—ASA PRATT, of Canton township, committed suicide on Wednesday morning last, while laboring under mental aberation. He left his house quite early, and went to his grist mill, which is near his house, and was found soon after dead, hanging by a rope which was fastened to a joice. He had apparantly sat on a joice while he adjusted the rope around his neck and tied it to another joice, and then dropped off. Mr. Pratt was a much respected citizen. He has for several years shown occasional symptoms of insanity, and frequently talked of killing himself, and on one occasion attempted to shoot himself. The family and friends are plunged into the deepest grief by his melancholy and tragical end.

HIGHWAY ROBBERY.—E. HUGHSON, merchant, of Big Flats, on his way home from his store, on Thursday night last, was attacked by two ruffians, and after a severe struggle was robbed of about four hundred dollars in money and a gold watch. He received several severe bruises, none of which, however, are of a serious character. We do not learn that as yet any clue has been obtained, as to who are the perpetrators of the crime.—*Elmira Adv.*

SOLDIER'S DISCHARGES.—We learn that some soldiers have been trying to sell their discharges. These certificates of honorable service should never be parted with. Congress may make further provision for our soldiers, and the discharge, in each instance will be the proof which will entitle the soldiers to the benefit of such provision. Those who may buy them up, expecting to receive any benefit, will be mistaken. It has always been the policy of Congress to provide for the soldiers themselves, and disregard the claims of their assignees. This policy is not likely to be departed from. The soldier's discharge should be sacredly preserved as an heir-loom in the family. His decendants should preserve it with pious care. It is is a great deal better than a patent of nobility.

SALE.—To be sold *at once*, a house and lot. Good bargain offered. JOHN N. CALIFF, Office over News Room. Sept. 6, 1865.—2m.

A SALT WELL.—The "Binghamton Petroleum Co.," who have been sinking a well for the past few weeks at Appalachin, Tioga Co., N. Y., one day last week, at the depth of 295 feet, struck salt water, which flows about 200 barrels a day. We have tasted the water, and should think it was fully as salt, clear and pure as the Onondaga salt wells.

We learn that the Company intend erecting works, and go to manufacturing salt at once, and to proceed immediately to put down another well a short distance from this.—*Union Times.*

—We have been shown a quantity of the salt water from this well by Commissioner BEARDSLEE, of Warren. It certainly has a briny taste sufficient to satisfy the most incredulous. It is said that the flow from this well is very large.

TOWANDA NURSERIES.—Now is the time for our farmers and lovers of fine fruit-trees and good fruit to buy large stocks of splendid apple trees of all the leading and best varieties at very low prices. Such an opportunity may not offer again for many years. Send in your orders for Standard Pears, Peaches; and all the best and finest grapes, such as Delaware, Iowa, Israella, Conard, Creveling, Hartford Prolific, Diana, &c.

R. M. WELLES, Gen'l Ag't.

LARGE PUMPKIN.—Mr. J. C. RIDGWAY, of Franklin, has left at this office, a pumkin of monster growth, weighing 77 pounds, and measuring ever so many feet in circumference. According to a moderate calculation, this pumpkin would make the thanksgiving pies for a whole township. If any of our subscribers can beat this, we should like to hear from them.

TO BE REMOVED.—Provost Marshal Capt. Thos. E. Douglas, informs us that he has had orders from head-quarters, to close out his business for this district, as soon as consistent, and report at Harrisburg, for further orders. We are not sorry that "Uncle Sam" is disposed to lighten the burden that has been so heavy, for the past four years, and yet we should like very much, to have the Captain remain with us. He is of the right stripe, and 'tis this class we are anxious to keep among us. He has many warm friends in our vicinity, who will miss him not a little.—*Troy Times.*

GODEY'S LADY'S BOOK, the most superb Lady's Magazine published in America, is at hand. The October number contains a beautiful and very expensive line engraving, copied from the Cartoons of Raphael. It represents five highly interesting scenes in the lives of Paul and Peter. It alone is worth the price of the Magazine. The Fashion Plates are numerous and superb. Literary contents, as usual, of the highest order.—Price, one year $3,00. L. A. GODEY, Publisher, Philadelphia, Pa.

OIL.—A Petroleum Company from Prairie du Chien, Wisconsin, consisting of O. B. Thomas, John Conant, Timothy Wheeler and W. G. Furman, are now erecting a Derrick on the lands of Albert Tozer in the township of Athens, Pa., near this village, for the purpose of testing the great oil question in this valley. Mr. Furman, who is a practical man in the business, left yesterday for Erie city to procure an engine for boring purposes. He assures us that a well will be put down immediately and the Petroleum question thoroughly tested. The well will be near the canal, between Albert and Murray Tozer's. We wish the company and all concerned the most abundant success.—*Waverly Advocate.*

☞ The Canal has been repaired below this place and water was let in last week. Boating will soon commence, and Anthracite Coal be moving North. We understand that the mines at Pittston have resumed work, and should no break occur in the Canal, at least a partial supply of coal will find its way to market.

MARRIED.

MANLEY—LINDLEY.—Also, at the same time and place, Mr. Dolson Manley, of Alba, to Miss Marion Lindley, of Canton.

DIED.

FRISBIE.—At Orwell, Sept. 6, of fever, Warren R. Frisbie, aged 34 years and 5 days.

GRIFFIS—In Division Hospital, Arlington, June 6, 1865, of Typhus fever, Warren H. Griffis, Co. B, 81st Regt. P. V., in the 20th year of his age. The son of W. R. and Mary Griffis, of Asylum.

LIVES OF LINCOLN.—THE ESTEEM in which the memory of our late President Lincoln is held, is evinced by the number of "Lives" published, or to be published, and the rapidity with which subscriptions are taken. One of these is the *Life and Times of Abraham Lincoln*, by Dr. L. P. Brockett, who is already known to the public as the author of the works, "Our Great Captains," and "History of the Civil War in the United States." The specimen pages before us, bound up to show the style and size of the volume, speak well of its literary qualities and mechanical execution.

S. G. ROCKWELL, is canvassing for the above book, in the towns of Wyalusing, Pike, Windham, Orwell, Rome, Wysox and Sheshequin, and will deliver the books at the earliest possible period to subscribers.

AGENTS WANTED FOR THE SECRET SERVICE, THE FIELD, THE DUNGEON, AND THE ESCAPE
BY ALBERT D. RICHARDSON.
N. Y. Tribune Correspondent.

The most interesting and exciting book ever published, embracing Mr. Richardson's unparalled experience for four years; traveling through the South in the secret service of the "Tribune" at the outbreak of the war, with our armies and fleets, both East and West, during the first two years of the Rebellion; his thrilling capture; his confinement for twenty months in seven different rebel prisons; his escape, and almost miraculous journey by night of nearly 400 miles. It will abound in stirring events, and contain more of the fact, incident and romance of the war than any other work published.

HORACE GREELEY says:—"A great many books will yet be written concerning this War, in addition to the many already in print; but not one of them will give within a similar compass a clearer, fuller, more readable account, entirely from personal observation, of the nature, animus, purposes, tendencies and instrumentalities of the Slaveholders' Rebellion than does the unpretending narrative of Mr. Richardson."

Teachers, ladies, energetic young men, and especially returned and disabled officers and soldiers, in want of profitable employment, will find it peculiarly adapted to their condition. We have agents clearing $175 per month, which we will prove to any doubting applicant. Send for circulars. Address
JONES, BROS. & CO.,

FOR SALE ON REASONABLE TERMS. That valuable property studded with white oak, hemlock and other valuable timber on Brown's creek, the land when cleared is good for farming purposes.—Containing 280 acres, 60 of which is partly cleared. The improvements are: 1 good steam saw mill, also one with little repairs to the dam can run by water, one good barn, and several dwellings around the mill. The property is only a few miles west of Ulster, a good shipping point on the North Branch Canal, and Susquehanna River, to a capitalist this would be a valuable investment. INTERESTING TO ALL!

The subscriber would most respectfully announce to the citizens of Bradford County, and "the rest of mankind," that he has recently purchased, and most elegantly refitted the stand formerly owned by T.
