NOT ALL ALONE.
BY ALARIC A. WATTS.

Not all alone; for thou canst hold
Communion sweet with saint and sage;
And gather gems, of price untold,
From many a consecrated page.
Youth's dreams, the golden lights of age,
The poet's lore are still thine own;
Then, while such themes thy thoughts engage,
O, how canst thou be all alone.

Not all alone, the lark's rich note,
As mounting up to Heaven she sings,
The thousand silvery sounds that float
Above, below, on morning's wings;
The softer murmurs twilight brings—
The cricket's chirp, cicada's glee,
All earth, that lyre of myriad strings,
Is jubilant with life for thee!

Not all alone; the whispering trees,
The rippling brook, the starry sky,
Have each peculiar harmonies
To soothe, subdue and sanctify:
The low, sweet breath of evening's sigh,
For thee hath left a friendly tone,
To lift thy grateful thoughts on high,
And say—thou art not all alone!

Not all alone; a watchful Eye,
That notes the wandering sparrow's fall,
A saving hand is ever nigh,
A gracious power attends thy call—
When sadness holds the heart in thrall,
Oft is his tenderest mercy shown,
Seek then the balm vouchsafed to all,
And thou canst never be alone!

The New Chrystal Palace.—A company has been fully organized to carry out the plan for the re-erection of the Chrystal Palace at Sydenham. The capital of the company is to be £500,000, and raised in one hundred thousand shares of £5 each. So great is the public confidence in the success of the undertaking that already application has been made for one hundred and fifty thousand shares! A very efficient board of directors has been formed. Sir Joseph Paxton undertakes the management of the Winter Garden, Mr. Digby Wyatt is Director of the Works, Mr. Owen Jones, Director of the Decorations, and Messrs. Fox, Henderson & Co., Contractors for the re-erection of the building.—Among other attractions, fountains of unequalled magnificence and beauty are spoken of, which are to put even Versailles and Chatsworth in the shade. If only one-half of the programme can be realized, and the parties who have issued it will accomplish it if it be possible, the new Chrystal Palace will offer attractions superior to any other place of recreation and relaxation, as well as of instruction, in the world.—*Wash. Intelligencer.*

N. B.—The above described property constitutes the well known Pork and Beef Slaughtering Concern, owned and formerly occupied by James P. Campbell, and is situated in the City of Chillicothe, on the plat of ground dividing the Ohio Canal from the Scioto River, and has about one thousand feet of ground fronting on each. The enclosure embraces six acres, containing large pens, large and commodious slaughtering, hanging, cutting, packing, smoking, and lard rendering houses, and brick house for office, and every convenience for handling twelve hundred hogs per day, and rendering the lard of the same, there being a double flue steam boiler and engine for scalding hogs, and cutting lard, and two tanks for rendering offal, by steam.

There is also an excellent ice house on the premises, capable of containing ten thousand bushels.

The Scioto Valley, of which Chillicothe is the chief market, is one of the largest pork and beef districts in the West, and hogs can always be bought there at lower prices than in Cincinnati; and Cooperage is abundant and cheap.

There is no drayage necessary, as boats may be loaded at the packing house; and the facilities for shipping direct from this house, via the Lakes and New York; or to Philadelphia and Baltimore via Pittsburgh; or to the East and South via New Orleans, are at all seasons of the year fully equal to those afforded by Cincinnati. Money facilities are also good, there being eight or ten banks within forty five miles.

S. N. WICKERSHAM'S LIVER AND ANTI BILIOUS PILLS.

For Liver Complaints, Dyspepsia, Fevers, Nervousness, Impurity of the Blood, Sick Headache, Costiveness, Pains in the Head, Breast, Side, Back and Limbs, Bilious Affections, Female Diseases, etc., etc.

THERE is scarcely any disease in which Purgative Medicines are not more or less required, and much sickness and suffering might be prevented were they more generally used. No person can feel well while a costive habit of body prevails: besides, it soon generates serious and often fatal diseases, which might have been avoided, by a timely and judicious use of proper cathartic medicines.

The proprietor can recommend these Pills with the greatest confidence, believing them superior to the Pills in general use, more mild, more prompt, safe and uniform in their operation.

They may be taken at all times, and in most diseases—in Inflammatory, Intermittent, Remittent, Bilious and every other form of Fever, Jaundice and Liver Complaint. For Dyspepsia, they are really an invaluable article, gradually changing the vitiated secretions of the stomach and liver, and producing healthy action in those important organs. They are very good for diseases of the skin, and for what is commonly called "Impurity of the blood;" and also for Female Complaints, Costiveness, &c., and in fact in every disease where purgative medicine may be required. For sale by S. N. WICKERSHAM, my31 cor. Wood and Sixth sts., Pittsburgh.

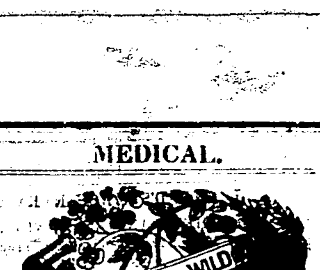
MEDICAL.



The best Remedy ever known to Man.
Coughs, Asthma Colds, Croup, Bronchitis, Influenza, Bleeding of the Lungs, Difficulty of Breathing, Liver affection, Pain or weakness in the breast or side. First stages of Consumption, &c.

In short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced in our ever varying climate.

WILD CHERRY HAS LONG BEEN known to possess important medicinal properties. This fact is familiar to every matron in our land, and physicians often prescribe it in a variety of forms for different complaints. Tar, also has been equally noted for its virtues; and some physicians, whose names are familiar to the country, have gone so far as to declare that even CONSUMPTION could be cured by that alone. In other hands, again, it was nearly valueless, owing no doubt, to their ignorance in preparing and administering it—a difficulty now entirely obviated by patient experiment and long experience.

The extraordinary medicinal qualities of these two substances are now, for the first time, combined and embodied in Dr. Wistar's Balsam of Wild Cherry. By a nice chemical process, every [illegible] deleterious or useless is rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of pulmonary and liver diseases ever known to man. To convince all unbelievers that our theory is really [illegible] we refer to a few cases of cures performed by this wonderful medicine.

ANOTHER ASTONISHING CURE.

E. Kalb, a highly respectable merchant of Rushville, Fairfield county, Ohio, sent us the following voluntary tribute to "Dr. Wistar's Balsam of Wild Cherry:"

RUSHVILLE, Fairfield Co., Ohio, April 6, 1851.
Mr. J. D. Park—Dear Sir—I wish to state to you that my daughter, Amanda, aged sixteen years, had about a year since, a very severe attack of measles, which reduced her very much; and left her with a racking cough. I employed all of the physicians within our reach for the purpose of removing her cough, but without success. She appeared to be sinking into a decline, with every symptom of consumption.

I then tried "Dr. Rogers' Liverwort and Tar." But this aggravated her cough, and gave her symptoms of a still more malignant character. I was now most seriously alarmed and it was with trembling fear that I from day to day, saw the progress of that insatiable disease, consumption. I really despaired of my daughter's recovery. But I providentially saw the certificate of Jonathan Coulson, whose daughter, Sarah Jane, was cured of consumption, by Wistar's Balsam of Wild Cherry; this created a faint hope that it might help my daughter, and I immediately commenced using it, and it almost instantly gave relief, her health was improved from the first bottle, and by the use of two bottles of Wistar's Balsam of Wild Cherry, she was restored to perfect health, and she is not now at all predisposed to a cough.

I will say to all that are afflicted with any disease tending to consumption, do not despair, for Dr. Wistar's Balsam of Wild Cherry will cure you, if you will but try it.
E. KALB.

PLEASANT RIDGE, Hamilton county, O., Sept. 25, 1850.
J. D. Park—Dear Sir—I take the liberty of advising you of the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry. I was prostrated by that terrible scourge, consumption, in May last. The attack was truly horrifying to me, for five of our family (my brothers and sisters) had died of consumption. I was afflicted with nearly all the worst features of the disease. I had a distressing cough, and expectorated a great deal of blood, hectic fever, severe pains in the side and chest, cold chills, alternating with flushes of heat and copious night sweats.

I was under the care of a skillful physician, from the time I was taken sick, until about six weeks since, being then about helpless, and my friends considered my case hopeless, or at least beyond our physicians skill, advised the use of Wistar's Balsam of Wild Cherry. Without my knowledge, my father procured it, and commenced administering it to me, and from the first day I commenced taking it, my health improved, and in two weeks from the time I commenced using it, I was able to be out and pursue my business, and labor, which I still continue to do. I have taken four bottles of the medicine, and now consider myself perfectly well.
JEREMIAH ISCRIGG

IMPORTANT TO THOSE AFFLICTED WITH DISEASES OF THE LUNGS AND BREAST.

Will miracles never cease? Mere evidence of its surpassing health restorative virtues.

CROWN POINT, Lake co., Ia., June 15, 1849.
John D. Park—Dear Sir—I have a deep conviction of the afflicted, permit me to give you a brief history of my case, and the remedy derived from the use of Wistar's Balsam of Wild Cherry.

In July, 1848, I was attacked by fever of a typhoid character, which left me in a very debilitated state, when in the following winter I was taken with a severe cold, which seized on the lungs to an extent as to give rise to the appearance of a confirmed consumptive. I labored under a severe cough—expectorated great deal, and was troubled with cold feet and night sweats. I also frequently raised blood from my lungs. I continued in this state, gradually sinking under the disease, until January, 1849, when I was again attacked with fever. My friends despaired of my life, and my physicians thought I could survive but a short time. My extremities, especially my feet, were constantly cold, and almost lost their feeling. Under these circumstances, I as a last resort, made my friends [illegible] finally determined to quit taking medicine prescribed by physicians, and try Dr. Wistar's Balsam of Wild Cherry—and from the first week I commenced taking it, I can date a gradual recovery. I continued its use six months, and at the end of which time, I was cured, and have enjoyed good health ever since, and cheerfully I recommend the Balsam to all those afflicted with diseases of the lungs—and would say to those commencing its use, not to be discouraged if one or two bottles do not effect a cure. But persevere, as I have done, and I have no doubt but one bottle will be [illegible] in the use of my [illegible] health as I have been.
Respectfully yours, JOSEPH JACKSON.

CHERRY PECTORAL
FOR THE CURE OF
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, CONSUMPTION.

THIS invaluable remedy for all diseases of the Throat and Lungs, has attained a celebrity from its remarkable cures, never equalled by any other medicine before. Other preparations have shown themselves palliatives, and sometimes effected notable cures, but none has ever so fully won the confidence of every community where it is known. After years of trial in every climate, the results have indisputably shown it to possess a mastery over this dangerous class of diseases, which could not fail to attract the attention of Physicians, Patients, and the public at large.

See the statement, not of obscure individuals, and from far distant places, but of men who are known and respected throughout the country.

The widely celebrated Surgeon, Doctor VALENTINE MOTT, of New York city, says:
"It gives me pleasure to certify the value and efficacy of 'AYER'S CHERRY PECTORAL,' which I consider peculiarly adapted to cure diseases of the throat lungs."

DR. PERKINS, the venerable President of the Vermont Medical College, one of the eminently learned physicians of this country, writes, the CHERRY PECTORAL is extensively used in this section, where it has shown unmistakable evidence of its happy effect upon pulmonary diseases.

The Rev. JOHN D. COCHRANE, a distinguished clergyman of the English Church, writes to the proprietor from Montreal, that "He has been cured of a severe Asthmatic affection, by CHERRY PECTORAL." His letter at full length, may be found in our Circular, to be had of the Agent, and is worth the attention of Asthmatic patients.

This letter is from the well known Druggists at Hillsdale, Michigan, one of the largest dealers in the State, and this case is from his own observation.

HILLSDALE, MICH., Dec. 10, 1849.
Dear Sir—Immediately on receipt of your CHERRY PECTORAL, I carried a bottle to an acquaintance of mine who was thought to be near his end with quick consumption. He was then unable to rise from his bed, and was extremely feeble. His friends believed he must soon die, unless relief could be obtained for him, and I induced them to give your excellent medicine a trial. I immediately left town for three weeks, and you may judge of my surprise on my return, to meet him in the street on my way home from the cars, and find he had entirely recovered. Four weeks from the day he commenced taking your medicine, he was at work at his arduous trade of a blacksmith.

There are other cases within my knowledge, where the CHERRY PECTORAL has been singularly successful, but none so marked as this. Very truly yours,
G. W. UNDERWOOD.

Hear the Patient.
Dr. J. C. Ayre, Lowell—Dear Sir—Feeling under obligations to you for the restoration of my health, I send you a report of my case, which you are at liberty to publish for the benefit of others. Last autumn I took a bad cold, accompanied by a severe cough, and made use of many medicines, without obtaining relief. I was obliged to give up business, frequently raised blood, and could get no sleep at night. A friend gave me a bottle of your CHERRY PECTORAL, the use of which I immediately commenced, according to directions. I have just purchased the fifth bottle, and am nearly recovered. I now sleep well, my cough has ceased, and all by the use of your valuable medicine.
E. S. STONE, A. M.,
Principal Mt. Hope Seminary.

HANOVER, Ohio, April 3, 1850.
Dear Sir: I wish I could tell all that suffer with a cough what your CHERRY PECTORAL has done for me. It does seem they might be benefitted by the information. I had a lung fever, which left my lungs weak and inflamed. Being very feeble and unable to gain strength at all, my friends thought I must soon sink in consumption. I had no appetite, and a dreadful cough was fast wearing me away. I began to take your beautiful medicine, by the advice of a clergyman, who had seen its effects before. It eased my cough at first, and gave me rest at night. In less than a fortnight I could eat well, and my cough had ceased to be troublesome, my appetite returned, and my food nourished me, which soon restored my strength. Now, after five weeks, I am well and strong, with no other help than your Cherry Pectoral.
Yours with respect, JULIA DEAN.

I hereby certify that the above statement of my wife is in conformity with my own views of her case, and her cure by Ayre's Cherry Pectoral. JOSEPH DEAN.
The above named Joseph Dean, and Julia, his wife, are personally known to me, and implicit confidence may be placed in their statement.

The Section Boat system of Transportation over our State Improvements has been in use upwards of ten years, and the great success and favor it has met with is a sufficient guarantee that it is no longer considered a doubtful or uncertain experiment, but is acknowledged by all to be superior to any other on canals, in the saving of expense and time, and avoiding transhipment at Philadelphia, thereby effectively avoiding the delay consequent on three different transhipments, and securing the delivery of goods in better order, in less time, and cheaper than on canals when intersected by railroads.
Goods loaded into our Boats at Pittsburgh remain unopened until unloaded at our warehouses in Market street Philadelphia.

RAWLE ON COVENANTS FOR TITLE—A practical treatise on the Law of Covenants for Title. By William Henry Rawle.
This work is devoted to the consideration of the liabilities and Rights of Venders of Real Estate, arising from their Covenant for Title. As such covenants are, in some shape or other, introduced into nearly every conveyance of real estate on both sides of the Atlantic, it is hoped the profession will not deem unnecessary a work which has for its object their analysis and explanation. No English treatise on the law of Vendor and Purchaser, the subject of Covenants for Title has allotted to it only a limited space, but there is a vast body of American authorities which have not hitherto received the classification and analysis which the importance of the subject demands. 25,000 Copies Sold in Five Weeks!
THE GREAT AMERICAN TALE, UNCLE TOM'S CABIN, OR LIFE AMONG THE LOWLY. By MRS. HARRIET BEECHER STOWE.—For thrilling description of character, and power of description, this work is said to have no equal. It has been denominated and with truth, *THE STORY OF THE AGE*. The fact that twenty five thousand copies have been sold in three weeks is evidence of the popular favor it has met. The publishers of the book are constantly at work manufacturing, the paper mills are running, and three power presses are working twenty four hours per day, in printing it, and over one hundred book-binders are incessantly plying their trade, to bind them, and still it has been impossible as yet to supply the demand. Extracts of the strongest kind, numerous enough to fill a volume, have already appeared in the public journals. Rec'd and for sale at 78 Fourth street by J. L. READ.

MEDICAL.

We daily hear of the most Astonishing Cures be effected by that great and popular medicine,
H. G. Farrell's
CELEBRATED ARABIAN LINIMENT.

THE greatest remedy ever discovered for all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public, or has given such universal satisfaction. It performs the most extraordinary cures of various descriptions, after the doctors and all other remedies had failed. We do not only say that the genuine H. G. Farrell's Arabian Liniment cures and has performed cures which no other medicine can do, but you have here certificates of what it has done.

Thaddeus Smith, of Mudd Creek, Tazewell county, Ill., says "I had lost the use of my arm for more than a year, by Palsy or Paralysis; the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors, and all their remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and fleshy as the other. It is also first rate for burns, sprains and bruises."

The celebrated Dr. JAYNE, whose reputation as a benefactor to mankind extends over the whole world, reports that a lady of one of the first families in Philadelphia had been confined to her bed fourteen years with Rheumatism, and was cured by H. G. Farrell's Arabian Liniment. He also says: "Your Liniment is selling rapidly, send me a supply immediately by Beech's fast line."

My daughter, when six months old, was taken with a swelling in her tonsils, which grew larger and larger, till when six years old she had great difficulty in swallowing her food. Every night watch was kept, fearing she would suffocate. The best doctors attended her, but could give no relief. I took her to the most eminent doctors in the east; they said there was no help for her but to outgrow it. With a sad heart I returned home with her, when she became so much worse that the doctors had to be sent for again; they decided the tonsils must be cut off, as the only means of giving relief. My wife would not consent to this, and she determined to try your liniment, which gave relief the very first application, and by a continued use, she entirely recovered. She is now six years old, and as hearty and healthy as could be desired. Your liniment is the best in the use for sprains, bruises, cuts, burns, headaches, &c., and it will remove the most severe pain in a few minutes. It also cured caked udder in my cow in a few days.
GEORGE FORD.
Peoria, March 20, 1849.

Mr. H. G. FARRELL: Your Arabian Liniment is the greatest medicine for horse flesh in the world. I had a mare about to foal, when she became so helpless that she could not rise from the ground; she was in this way for several days, when, with the aid of others, I succeeded in raising her up, on which the only way it could be done, when I commenced the use of your excellent Liniment, rubbed in well over the loins, and, astonishing as it may appear, before I used up a bottle of the dollar size, she was able to get up and walk herself. I would not have given ten dollars for her before, and would not take fifty to-day, in her out of misery: she is now one of my best mares. I suppose it was a strain in the loins. G. W. HUNT,
Peoria, Ill., July 1, 1849.

Beware of Counterfeits
TO GUARD AGAINST IMPOSITION, READ THE FOLLOWING CAREFULLY.
The Public are particularly cautioned against a *Base Counterfeit* which has lately made its appearance and is called by the impostor who makes it "W. B. Farrell's Arabian Liniment." This is a dangerous fraud and more liable to deceive from his bearing the name of Farrell. Therefore, be particular *never to call for it by the name "Farrell's Liniment,"* for unprincipled dealers will impose the *SPURIOUS* mixture upon you for the genuine, but *always ask for "H. G. Farrell's Arabian Liniment," and take no other*, as the genuine *always* has the letters *H. G.* before Farrell's, his signature is also on the outside wrapper, and these words blown in the glass bottle—"*H. G. Farrell's Arabian Liniment, Peoria.*"
Agents wanted in every Town, Village and Hamlet in the United States, in which one is not established. Apply by letter to H. G. Farrell, Peoria, Ill., with good reference as to character, responsibility, &c.

S. N. WICKERSHAM'S PECTORAL COMPOUND—This preparation has proved itself to be of very great efficacy in the cure of obstinate Coughs, Colds, Asthma, Whooping Cough, Spitting of Blood, and other Pneumonic affections, and the proprietor feels warranted in recommending it as a safe and useful medicine, and is prepared to show certificates of indisputable authority, in testimony of its value.

PITTSBURGH, Feb. 2, 1852.
This is to certify that, after having used all the popular cough preparations of the day, I was induced to try S. N. Wickersham's Pectoral Compound for Colds, Coughs, &c., and after using one bottle, do not hesitate to pronounce it the best preparation of the kind ever offered to the public. HENRY P. FAHNESTOCK.

PITTSBURGH, Feb. 16, 1852.
I do certify that I purchased a bottle of S. N. Wickersham's Pectoral Compound, for the cure of Coughs and Colds, and after using it was entirely relieved of a cough which was very troublesome, as it at times prevented me from eating or sleeping. I would confidently recommend it to all persons afflicted with a cough or cold, as a safe and sure remedy, and superior to any other article of the kind now offered to the public.

—Dr. Jacob Rose, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the lungs, in cases of consumptive affections, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years has been engaged in the investigation of diseases, and the application of remedies thereto.
Through the use of his inflating tube, in connection with his Prophylactic Syrup, and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fever of all kinds, Enlargement of the Glands, and all those diseases peculiar to females. Indeed, every form of disease vanishes under the use of his remedies, in which humanity is heir—not by the use of one compound only, for that is opposed to common sense, but by the use of his remedies, adapted to, and prescribed for, each peculiar form of disease.
Dr. Rose's Tonic Alterative Pills, when used, are invariably acknowledged to be superior to all others, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; so also his Golden Pills are admitted, by the faculty, to possess peculiar advantages over all others, being satisfied that a mere trial is sufficient to establish what has been said, in the minds of the most skeptical.
The afflicted are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application.

Great Cure of Liver Complaint,
BY the original, only true and genuine Liver Pill.
EMORY CREEK, Ohio co., Va., March 20, 1849.
Mr. R. E. SELLERS—Dear Sir: I think it a duty I owe to you and the public generally, to state that I have been afflicted with Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. R. Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended—the best Liver Pill ever used; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours, H. D. COLEMAN.
WEST LIBERTY, March 20, 1849.

Mr. R. E. Sellers—On the 18th ult. I caught a very severe cold. The night following I went to bed earlier than usual: yet, notwithstanding I had slept none the night before, the person sleeping with me was so much annoyed by my coughing, that he got up and went to a drug store and bought a bottle of your Cough Syrup, one dose of which gave me relief, so that I slept the rest of the night as if by magic. I went to work in the morning, and am now quite well. Yours, &c. JOHN DEAN.
