A FRIEND TO THE AFFLICTED! *DR. N. B. BRISBINE,* PHYSICIAN AND SURGEON,

Has opened a permanent office in Lancaster, Pa., for the treatment of Chronic Diseases, and invites those who are in need of his services, to call and consult him free of charge.

The Doctor pledges himself to give careful attention to every patient who calls upon him and will not hold out any inducement which the case will not warrant. Dr. B. compounds his own Medicines at his Laboratory, which combine the whole vegetable and mineral kingdoms, without confining himself to any one system of medicine, devoting himself to finding the most potential remedies for the human frame; he also believes the medicines employed by him *will* cure Chronic Diseases of the oldest and most obstinate character, when curable, and pledges them for the complete and sure eradication from the system of all chronic Diseases.

There is not their superior in the known world. Many of these specifics are prepared from the formulas of the celebrated Dr. Dellenbaugh of Georgetown, Ohio, who so successfully treated 227,000 patients, during a practice of twenty-six years.

Dr. Brisbine treats all forms of Chronic Diseases, such as

Consumption, Liver Complaint, Dyspepsia, Scrofula, Constipation, Bronchitis, Rheumatism, Diseases of the Kidneys, Heart and Spine, Nervous Debility, Fits, Skin Diseases, Female Complaints, Cancer,

and all diseases peculiar to young or old.

Dr. B. makes his diagnosis by the urine, and will give entire satisfaction to those at a distance who send him their case for examination.

The Doctor can be found at all hours at his office and residence, No. 33 East King street, a few doors east of the Eastern Hotel.

Consultation free and strictly confidential.
