Sad Accident.—On Saturday afternoon, June 30th, as Andrew Lants of Franklin township was swimming his horse for the purpose of washing him, in a very deep pool of water just below his father's mill dam he was thrown from the horse and not being able to swim, immediately sank to the bottom. His body was recovered in a short time and every effort made to resuscitate him but the vital spark had fled.

Susquehanna Collegiate Institute.—The Anniversary Exercises of the Institute will be held in the Presbyterian Church on Monday and Tuesday of next week, commencing at fifteen minutes before eight in the evening. The Literary and Musical exercise, of the Young Ladies Department on Monday evening, and the exercises of the Philomathean Society in connection with the Young Gentlemen's Department on Tuesday evening.

The Public are respectfully invited to sttend.

☞ The Board of Managers and members of the Young Men's Christian Association of Towanda, desire to return their sincere thanks to the ladies of the place for their generous assistance in getting up and conducting their festival, the results of which meet most satisfactory, placing the Association in possession of the necessary funds to supply their Public Reading Rooms with a choice selection of reading matter, and they would once more invite the public to make the rooms a visit, believing they will find them a pleasant place of resort.

☞ Waverly stage leaves Towanda at 7 o'clock a. m., connecting with trains East and West. Returning at 6 a. m., on the arrival of the mail train from Buffalo, and Buffalo express from New York.

☞ The Festival given by the Ladies for the benefit of the Presbyterian Church, of this place, on the 3d and 4th inst., was a great success, the proceeds amounting to about $1000.

The balloon ascension in the evening of the 4th, under direction of Prof. Bender, was a marked feature of the occasion, contributing by its success, not a little to the gratification of the spectators.

Field Sports.—*Match Game of Base Ball.*—A match game of Base Ball was played on the 4th inst., between the Tioga Point Club of Athens and the Winona Club of this place, on the grounds of the latter. The prize played for was a Bat and Ball. Notwithstanding the inclemency of the weather at the commencement of the game, at least one thousand people were present to witness the playing. The choice was won by the Tioga's, who took the Field, and at 2:10 the Umpire called "Ball to the Bat," and the game commenced, with the rain pouring down in torrents, which it continued to do until two innings had been played, when the rain ceased and the sun came out, making the balance of the day quite pleasant, although rather warm for such active work as playing Base Ball. Considering the heavy condition of the Field, the playing was excellent on the part of both Clubs, and elicited frequent bursts of applause from the spectators. The players all did well in their several positions, and it would be almost impossible to say who excelled. As Umpire, Capt. J. B. Reeves, of the Tioga's, showed himself fully fitted for the position, and his decisions were received by both Clubs with entire satisfaction. The largest run made was that of the Winona's on their second innings—13. The time occupied by the game was three hours, and resulted in the success of the Winona's by a score of 41 to 31. After the game the Winona's entertained the Tioga's at the Means House, where an elegant supper was disposed of by the friendly contestants.

Annexed is the score of the game :
