APARTMENTS

N. E. CORNER 17TH AND WALNUT STS.

This 13-story concrete and steel fireproof structure reaches the highest point of development as yet attained in apartment construction and may be properly styled a perfect place of abode.

An earnest effort has been made to offer a matchless home to those whose first consideration is not to count the cost alone, but to procure that which they desire; where there is only perfection, the site and character of which may be selected and shaped according to the distinctive requirements of the individual.

Suites are arranged from two rooms and one bath to seven rooms and three baths.

The location is excellent, being convenient to the business and shopping centres and yet not too near.

All things considered, the rentals are moderate.

Building will be formally opened November 1, 1915.
