PITTSBURGH GAZETTE.

SATURDAY MORNING, FEB. 12, 1853.

The Capitol of Ohio.—The state house of Ohio when finished, will cost $1000,000. The roof is to be put on during the present year, and the whole will be completed in the course of three years. It was commenced in 1838, with an appropriation of only $10,000, but the work was suspended on account of the monetary pressure in Ohio, from 1840 to 1848. The money expended to the present time amounts to $406,676. It covers 45,928 square feet, nearly the same area as the capitol at Washington, the latter covering 61,793 square feet—five times larger than the capital of this State.—*Albany Atlas.*

A STORY WITH A MORAL.—Some years ago Mr. B., an American gentleman, having discovered some new process by which he thought money could be made in England, concluded to try his fortune in London. Very soon after his arrival, he presented himself at the office of a leading journal, and requested to see the editor. He was desired to give his name and business, which he did, and an answer was speedily brought that the editor was engaged. By dint of great urgency, he at last succeeded in making his way to the room of the sub-editor, and having never found any difficulty in obtaining a hearing from gentlemen of the press in his own country, where the time of an editor is considered almost public property, he proceeded at once to explain his discovery, supposing that it would be received as a favor, and duly glorified, as a matter of course, in the next day's impression. Before he had fairly made his beginning, the sub-editor cut him short, politely but firmly, by saying that he had no time to spare, and that he presumed his visitor's object was to have his discovery noticed. "Why, yes sir, I should like—" It can't be done, sir, without trouble; write whatever you like, it shall go in; of course you will leave your name and address. The clerk in the office will arrange with you as to terms. Good morning, sir." Finding himself bowed out, Mr. B., went back to the office, where he was furnished with pen, ink and paper, sat down, and in the course of some twenty minutes produced an editorial paragraph of perhaps twice that number of lines. This he handed to the clerk, merely asking whether it would appear the next day.

"Certainly, sir. Editorial?

"Yes, sir, in the editorial columns."

"I presume you would not wish it in the largest type used on the paper?"

"Why, yes, sir, I should prefer that."

"In that case, sir, the charge will be ten guineas; if in smaller type five."

Mr. B. took his manuscript and withdrew.

MEDICAL.

DR. MORSE'S INVIGORATING CORDIAL.

A PHENOMENON IN MEDICINE.

PROFESSOR MORSE'S INVIGORATING ELIXIR, OR CORDIAL.
THE EIGHTH WONDER OF THE BOTANIC WORLD.

The Invigorating Elixir and Cordial introduced into medical practice by the great chemist, physician and traveller, Dr. M. Morse, has for its basis an Oriental Herb, first brought from the stony deserts of Arabia Petrea, by that eminent philosopher. The natives of that region are remarkable for their longevity, exemption from sickness, and power of sustaining fatigue, all of which they attribute in a great degree to the use of the herb or plant referred to, which they universally chew, and sometimes smoke. On his return to Europe, after a long residence in the East, Professor Morse commenced experimenting with this wonderful natural production, and the result of his labors is the Invigorating Elixir, which has been endorsed by the medical colleges of all the great cities of Europe, as the best preparation extant for the

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system: Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once re-braced, re-vivified, and built up. The mental and physical symptoms of nervous disease vanish together under its influence. The stooping, trembling victim of depression and debility, becomes a new man—He stands erect, he moves with a firm step; his mind, which was previously sunk in gloom, or an almost idiotic apathy, becomes bright, buoyant, active, and he goes forth refreshed, regenerated, and conscious of new vigor, to his accustomed occupations. Nor is the effect temporary. On the contrary, the relief is permanent, for the cordial properties of the medicine reach the constitution itself, and restore it to its normal condition. Well may the preparation be called the

MEDICINAL WONDER

of the nineteenth century. It is, as the first scientific men in the old world have admitted, that miracle of medicine heretofore supposed to have no existence.

A STIMULANT THAT ENTAILS NO RE-ACTION.

Its force is never expended, as is the case with opium, alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them, "the last state of that man is worse than the first." But the Elixir is an exhilarant without a single drawback—safe in its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, hypochondriasis, dyspepsia, general prostration, irritability, nervousness, inability to sleep, liver complaint, prior albus, and all diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, barrenness, constipation, &c. &c, from whatever cause arising it is, if there is any reliance to be placed on human testimony, absolutely infallible.

It is the only infallible remedy yet discovered for nervous head and mind complaints; it is the mental physic, long sought for, and never before found, the only natural agent that can "administer to a mind diseased." In cases of neuralgia, headache, vertigo, pain in the nerves of the face, and the various train of nervous affections, it will produce a cure in an astonishing short period of time; and it will also remove depression, excitement, a tendency to blush, restlessness, sleeplessness, dislike of society, incapacity for study or business, loss of memory, confusion, giddiness, blood to the head, melancholy, mental debility, hysteria, indecision, wretchedness, thoughts of self-destruction, fear of insanity, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it, induce continued cheerfulness and equanimity of spirits, and prolong life.

Persons of pale complexion, or consumptive habits, are restored, by the use of a bottle or two, to bloom and vigor, changing the skin from a pale yellow sickly color, to a beautiful florid complexion.

Mark the misery that never fails to punish the violation of nature's laws—function after function gives way under this delusion. Palpitation of the heart, periodical headaches, cold and clammy feet, constipation, dimness of sight, lassitude, lethargy, dyspepsia, symptoms of consumption and of abstraction, dislike to society, melancholy, religious monomania, heats and flushes of the face on the slightest occasion, a desire that solitude, which terminates the stomach is put out of order, the appetite becomes capricious, a train of youthful dyspeptic set in, such as flatulency, constipation, &c., producing night sweats, weakness, and torpor after eating, fetid breath, furred tongue, &c.

THE COMMON EXPRESSION

Of those who have used this Extract is: "I had heard your Cordial highly spoken of, but was one of the incredulous in regard to its merits—having tried various medicines sold for the same purpose, (different Sarsaparillas,) without deriving any benefit. I had almost given up all hopes of deriving any relief, and when I purchased some of your Cordial, I had no faith whatever of its benefiting me; but it has—I feel stronger, have although 'tis not three weeks. I am satisfied the half dozen bottles I took will cure me."

Another says: "I had consulted several distinguished physicians. Some said I could not be cured—others prescribed this thing and that, but I found no relief until I tried one bottle of your cordial, I must say it completely cured me."

Another says: "I was surprised at the effect your Cordial had. What did I not hear of it before? It would have saved me much expense, besides years of mental and bodily suffering."

MARRIED PERSONS,

or others, conscious of inability from whatever cause, will find this Cordial, after they use a bottle or two, a thorough regenerator of the system. Wheresoever of offspring is a cause of regret, it is of inestimable value.

The nature of the maladies relieved by the Cordial are usually such as to leave the publication of certificates of cures out of the question, or the proprietor could produce a host of the most conclusive testimony to show that the happy guards of healthy offspring, who would not have been so, but for this extraordinary preparation, and it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

OPINIONS OF THE PRESS.

Boston Journal.

A Valuable Remedy—Dr. Morse's Invigorating Cordial. We invite public attention to this medicine. We have repeatedly heard it warmly recommended by many distinguished physicians as the best remedy ever discovered for the speedy cure of diseases of the genital organs, and those arising from a secret habit of youth. Three disorders are often rapid in their progress, undermining the constitution, soon sinking the sufferer into a fatal prostration of consumption, and ultimately an early grave. Dr. Morse's Invigorating Cordial will restore any case of any idea of, and productive of the most fearful mortality. Dr. Morse's Invigorating Cordial will cure any one of these complaints, and save the victim from the dangers that threaten him.

Salem Register.

We advise the young and inconsiderate, who are troubled with these complaints, so destructive to the mind as well as body, destroying all prospects of future happiness, to try Dr. Morse's Invigorating Cordial. We have been witness to many of its beneficial results in the recovery of several of our acquaintances, who, in consequence of the violation of those laws that govern man's social and physical being, were trembling on the verge of a hopeless eternity, and who were only rescued by a timely use of Dr. Morse's Cordial. (See Adv't.)

THE MEDICAL JOURNALS

Have not, in a single instance that has been authenticated, given their sanction to any other preparation for the above complaints. It has, in many violent and desperate cases, effected radical cures, after patients had been abandoned, and their condition pronounced hopeless by medical practitioners of high professional character.

My office having been in a store where this Cordial was kept for sale for over three years, and my opportunity of judging of its effects have thus been more than usually, which increasing in favor, and that without a single application, which has resisted all treatment for over five years, both in this place and in Philadelphia, and the person a fair candidate for suicide, dislike of society, &c. I am much pleased with its effects, and can with confidence recommend it to the patronage of the profession as a valuable auxiliary for removing disease in some of the most troublesome forms, and to all, as a safe and valuable medicine.

A Conceded Point.

THE following testimony of the efficacy of B A Fahnestock's Vermifuge, from a regular practitioner, cannot fail to convince.

From Dr. J J STIRMAN.

Messrs. B A Fahnestock & Co—Your Vermifuge continues to be called for, and to give satisfaction in all cases when properly used. It is now a conceded point, that B A Fahnestock's is the best Vermifuge now in use.

Mrs. Betts' Supporters.

WE have recently accepted the Agency for Mrs. Betts' Abdominal Supporters, for the cure of Prolapsus Uteri. We have a large assortment on hand, and are prepared to supply all who wish to make trial of this valuable instrument. L WILCOX & CO., No. 84 Market st., and 56 Smithfield street.

We subjoin a certificate from a celebrated physician of Philadelphia. PHILADELPHIA, Feb. 24, 1842.

"The Abdominal and Pirenest Supporters made by Mrs. Betts, of this city, I can recommend to the medical profession, and to others, after several years experience of their use. These instruments are adapted to remedy the inconvenience depending on a sinking down of the uterus. In this state of the organ, exercise is attended with so much pain and other suffering, as to be difficult or impossible.

Mrs. Betts is a lady of intelligence, education, probity and manners—the greatest confidence can be placed in her. SAMUEL JACKSON, M. D.,

Professor of the Institute of Medicine in the University of Pennsylvania.

IMPORTANT TO THE AFFLICTED.

DR. ROSE'S CELEBRATED REMEDIES.—Dr. Jacob Rose, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in effecting a cure of Chronic diseases, was a student of that eminent Physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of diseases, and the application of remedies thereto.

Through the use of his inflating tube, in connection with his Prophylactic syrup, and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies: Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fever of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Indeed, every form of disease vanishes under the use of his remedies, to which humanity is heir—not by the use of one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, adapted to, and prescribed for, each peculiar form of disease.

Dr. Rose's Tonic Alterative Pills, when used, are invariably acknowledged to be superior to all others, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; as also his Golden Pills are admitted, by the faculty, to possess peculiar properties, adapted to female diseases, that no other medicine has, which is sufficient to establish what has been said, in the minds of the most skeptical.

The afflicted are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy, and its application.

Cough of Three Years Standing Cured!
Case of Mrs. Booth.

SUFFERERS, TRY THIS GREAT REMEDY.
BIRMINGHAM, Conn., July 22, 1852.

MESSRS. A. L. SCOVILL & CO.—Gents: Inclosed is statement of account, etc. ∗ ∗ ∗ ∗ You may send us three or four dozen SYRUP OF LIVERWORT, TAR, and CANCHALAGUA. In regard to the article, we would say, that many have come to us expressing their gratitude for the benefit derived from your valuable Medicine. One lady in particular, Mrs. Booth, had been so reduced by a Cough which she has had for Three Years, that she was scarcely able to walk across her room, and could take no food; and, to use her own words, "did not expect to live but a few days." She heard of your Syrup, and sent to us for a bottle, which she commenced taking, and soon she found her appetite returning, her Cough abating, and her strength increasing, and is now able to do her own work; comes often to our village, and appears quite well. Others are taking it with good effect. Yours, truly, BRISTOL & TOMLINSON.

Important to Merchants, Manufacturers Tradesmen and Professional Men.

48 SOUTH THIRD STREET, PHILADELPHIA.

THOMAS B. CALVERT, General Engraver, Embosser and Manufacturer of Dies for Business Cards, Adhesive Envelopes, Bill Heads and Labels, would most respectfully call the attention of mercantile and professional men to these most important and essential articles.
The Adhesive Envelopes, having name and address, with original designs emblematic of the business, conspicuously and beautifully embossed, will be found not only a novel advertisement, but will prevent detention in the Dead Letter Office. These Envelopes have the recommendation and patronage of the Post Office authorities. No business man should be without them—the detention of one important letter, probably, causing much greater loss than the expense of the Die.
Business Cards, from the same Dies, in every style.—The advertiser invites an inspection of his specimens which will be found splendid. Bill Heads and Labels, also Note and letter paper stamped.
Sketches of Buildings, &c., taken from the original, and beautifully executed on Steel or Brass.
The advertiser has now the most extensive establishment in the United States, having secured the services of first class workmen, from De La Rue, London, and other eminent houses, this machinery is now perfected at a great outlay, and he is prepared to execute all orders at short notice, at Western prices.

To the Readers of the Pittsburgh Gazette

PUBLIC ATTENTION is respectfully invited to the following truths, set forth in relation to one of the most important remedies of modern times! PETROLEUM OR ROCK OIL! It is not more than one year ago since this great remedy was brought before the public, for the relief and cure of disease. Its great powers to heal, have, since then, become fully appreciated by the community, and we allege that the longer it is tried the more certain will its great fame spread. It is not the remedy of a day, got up for the sole purpose of making money but, one which we conceive, will continue to be used when all other nostrums have been forgotten. The Petroleum is a Natural Remedy, elaborated in the depths of the earth by a power and agency that laughs to scorn all human competition. It is our duty, when we write about a medicine, that we write the truth—that we say nothing calculated to deceive those who may apply our word or put confidence in our statements. The sick are very apt to catch at anything that promises relief from disease. A story can hardly be too highly wrought to answer the object of getting a number to buy a remedy—but we do not desire to do this—we wish to state nothing but the truth, and let our remedy should be told, to secure to it a fair representation for exceeding anything else in the materia medica. Plain unvarnished facts—facts that may be ascertained in our city and neighborhood, bear ample testimony in favor of the Petroleum.
Within the past two months, two of our own citizens, who were totally blind, have been restored to sight. Several cases of blindness, in the State of Ohio, have been cured. And, also, the case of a gentleman in Beaver county. There are others; but these are cases near home, and may be referred to by any persons who have doubts on the subject. These cases were given up, and had been abandoned by physicians as hopeless. The Petroleum will cure when used according to directions—Diarrhea, Dysentery Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin, Pimples on the face, Chronic Sore Eyes, Ringworm, Tetter, Scald Head, pains in the bones and joints, old sores, Ulcers, Weak Ague, Chronic Coughs, Asthma, Bronchitis, and all Pulmonary affections of a chronic nature, tending to produce Consumption.
Burns and Scalds, diseases of the Bladder and Kidneys, Chapped Hands, Excoriated Nipples, Corns and Bunions, in fact, it is a GREAT UNIVERSAL REMEDY, and has been tried in most of the above diseases within the past year with the most perfect success. Certificates that will astonish are in the hands of the proprietor, or they will take pleasure in showing them to the afflicted or their friends.
Whatever others may say about their medicines, the Petroleum is the greatest Remedy of the age. Physicians of high standing in the profession are beginning to use it in their practice. Those who at first looked on with doubt and uncertainty, are willing to award it due praise and consideration. Before another year rolls round, all will be compelled to acknowledge that the Petroleum is the great, all healing remedy of the age. For sale, wholesale and retail by KEYSER & McDOWELL, 140 Wood st.
Also—R. E. Sellers, 57 Wood street; D. M. Curry, D. A. Elliott, Joseph Douglas, Allegheny City. Also, by the proprietor, S. M. KIER, Canal Basin, Seventh street, Pittsburgh, and B. A. Fahnestock & Co., Wood and Front sts.

LIVER COMPLAINT of five years' standing cured by using the original, and only genuine LIVER PILLS, prepared by R. E. SELLERS.
FARLING, Washington Co. O., Sept. 1, 1851.
Mr. R. E. Sellers—Dear Sir: I wish to inform you that I can recommend your Liver Pills, which have effected wonders wherever used in our part of the country. Many of my neighbors have used them, and I can say that they are the greatest utility in bilious affections, sick headache, &c. As for myself, I can say that there never has been anything to equal your Liver Pills, which have effected the most happy results, and I may say without exaggeration that I am now perfectly cured. I therefore recommend them to all who are afflicted with disease of the Liver.
Your grateful friend J. SMITH.
Purchasers will remember that all Pills called "Liver Pills," other than those prepared by R. E. SELLERS, No. 57 Wood street, are counterfeit or base imitations.

Letter from Joseph B. Hall, Esq.
MARCH 29th, 1851.

MESSRS. A. L. SCOVILL & CO.—Gentlemen—I am happy to inform you that the "Syrup" gives the best satisfaction of any preparation I have ever sold. The 'Pills' also work admirably. I am now furnishing three medicines to one of our physicians, who administers them to his wife. In fact, from what I know of the composition of the Syrup, and from what I have seen of its effects, I do not hesitate to recommend to the sufferer Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua, as the best and safest remedy with which I am acquainted. Yours, Truly, JOSEPH B HALL.
