Many State Banks in Chicago Reserve

Chicago, Sept. 18.—A special report to W. A. Heath, chairman of the Board of the Federal Reserve Bank of Chicago, shows that since April 1 118 State banks, with combined resources of $338,011,000, have been admitted to the system as members of the Chicago bank. This makes a total of 222 State banks having membership in the Seventh district and they have combined resources of $1,188,569,000. Total membership of the Chicago Reserve Bank, including national institutions, is 1269 banks.

Utility Company Passes Dividend

New York, Sept. 18. — The Republic Railway and Light Company has passed the quarterly dividend of 1½ per cent on the preferred stock, payable October 15 to stock of record September 30. It was announced after the directors' meeting that the common dividend was omitted owing to the feeling that conditions now facing public utilities require conservative action. An initial common dividend of 1 per cent was paid January 15, 1917, and has been continued quarterly since that time.
