Bradford Reporter.

LOCAL AND GENERAL.

☞ **W. B. Shaw,** of Washington, has purchased Humphrey Bros.' Store, on Main St.

☞ **Twenty-five hundred people,** it is said, have perished in the fires in the woods and on the prairies, during the present month.

☞ **Horace Cowles,** of Penn Yan, N. Y., has rented McMurrow Bakery, and will take charge of it about the 25th inst.

☞ **Horace Heath,** of Ulster, has left at this office 17 potatoes of the buckeye variety, dug from one hill, weighing 18½ lbs.

☞ **The local board of underwriters** are revising the rates of insurance in this place. The advance in some cases is quite considerable.

☞ **In accordance with the recommendation** of the Bishop, a collection was taken up in the Episcopal Church on Sunday last, for the Chicago sufferers.

☞ **Among the return judges who** came here on Friday last, was Rev. Z. Lane, of Burlington, who acted in the same capacity for that township *fifty years ago.*

☞ **Mr. DeLano has just returned** from the city again, where he has purchased another immense stock of goods, which are being opened this week at Powell & Co's.

☞ **The semi-annual parade of** the Fire Department came off yesterday afternoon. There was a good turn out, and everything passed off pleasantly. LaFrance's Elmira Band furnished the music, which was excellent as usual.

☞ **We take pleasure in calling** attention to the card of Messrs. Palmer & [illegible], commission merchants, of New York. Their reputation at home is first class, and we are confident that business entrusted to them will be satisfactorily attended to.

☞ **Masons have commenced work** on the outside of Morgan's house on Main St. Externally this residence is an ornament to our town, and we should judge from the plans will be one of the most convenient dwellings ever erected here. Abel Barner has executed the carpenter work, to the entire satisfaction of Mr. Morgan.

Personal.—We notice among the [illegible] in attendance at the Synod, Hon. [illegible], of Philadelphia, Dr. Cattell, of Easton, Father Hunt, of Kingston, Geo. W. [illegible], of Philadelphia, Dr. Worthington, of [illegible] and Dr. March, author of "Night Scenes of the Bible."

☞ **Hon. Ulysses Mercur has our** thanks for a copy of the eulogies delivered in the Senate and House of Representatives on the death of Hon. John Covode.

P. H. Buck will accept our acknowledgements for a copy of Smull's Legislative Hand Book for 1871.

☞ **We publish to-day an appeal** [illegible] the sufferers by the late terribly [illegible] fires in the woods and on the prairies in the West. The details of this unprecedentedly devastating conflagration, are heart-sickening in the extreme. The magnitude of the loss and suffering can hardly be conceived of. Shall we not do something for them? As a people we have been peculiarly blest, and we should feel it a privilege to contribute out of our abundance to our suffering fellow beings.

Burlington.—*Friend Alvord:* By request of Triumph Division, No. 136 S. of T., I [illegible] to notice through your paper the installation of their officers, and receive their thanks as sound Republicans. We have seventy-five members and not one copperhead in our number.

The third is the Synod of New York which embraces also our churches in New England, with 332 ministers, 165 churches, [illegible] communicants, and 29,860 Sabbath school [illegible] importance to our denomination of these three Synods, which cover the southeastern part of the State of New York, the eastern part of Pennsylvania, and New Jersey, will appear from the statement that their united [illegible] amount to $3,013,451, or [illegible] of all the moneys reported by the churches under our assembly. They also number one-fifth of the ministers, one-seventh of the congregations, and almost one-fourth of the communicants."

[illegible] will be preached this evening, and [illegible] will probably adjourn to-morrow [illegible]

☞ **Information continues to reach** us in regard to the terrible loss of life and immense destruction of property by the late disastrous fires in the States of Michigan and Wisconsin. Whole villages have been destroyed, [illegible] districts devastated. Thousands [illegible] have been lost, and tens of thousands [illegible] been spared, are now entirely destitute of food and clothing. The call is an urgent [illegible] respond in a manner worthy of us. Any of our citizens who wish to give, will please [illegible] their contributions to Fox & Mercur's Store. Wyalusing Railway.—Under the [illegible] State of Pennsylvania, approved [illegible] A. D. 18[illegible], and commonly known as [illegible] law, the Wyalusing Railway, [illegible] of ninety-nine years, capital one hundred thousand dollars, to extend from the [illegible] N. Y. C. & R. R., at the village of [illegible], to or near to the Forks of Wyalusing [illegible], with Gen. Robert C. Smith, of Wilkes-Barre, as President, and Martin Coryell, [illegible] Esq., Almon Fuller, [illegible] Robinson, Joshua Burrows, Rev. Samuel [illegible], Hon. Levi P. Stalford, G. H. [illegible] Bradshaw, Ingham Stone, Wil[illegible] D. Volney Homet, directors—[illegible] at Camptown, October 5.

A majority of directors being present, a directors' meeting was organized, and Martin Coryell appointed Secretary.

[illegible] adopted for the present, and [illegible] Secretary and Rev. Samuel F. [illegible] appointed a committee to obtain [illegible] to the stock, and to carry out all [illegible] requirements of the act of Assembly, and were empowered and instructed to [illegible] engineers and have the necessary [illegible], and route selected at the earliest time practicable, and to take such other steps as would facilitate the enterprise.

The next meeting of the directors was appointed at Camptown, Nov. 1, at 1 o'clock P. M., with an invitation to all interested in the project to attend.

Towanda.—God helps those who help themselves, and the only way for a community to prosper in material things is to work together with those forces that are under their lawful control.

In a town in Massachusetts fifteen years ago, a number of men worked hard and erected a small nail and iron mill. The capital was raised in the immediate vicinity. With well directed efforts they made money, and to-day they have one of the most successful nail and bar-iron works in the United States. Shortly after the erection of the Iron Works, a party of men erected a Cotton Factory costing about $500,000, and to-day they have $15,000,000 interested in cotton factories; and the most of this money was furnished from the immediate vicinity of the town where the mills and factories are located.

Not long since a new corporation was created for another factory: the capital stock was to be $200,000. The first day the books were opened there was about $200,000 more offered than was wanted.

This is the way Massachusetts has become prosperous and wealthy.

Would each man of large and small means in Towanda and the surrounding county, use his money in the same way, it would become in the space of ten years, one of the most flourishing towns in the State. The Messrs. Humphrey are going into the boot and shoe manufacturing business quite extensively. They should have all aid necessary to carry on a successful business.

The Towanda Iron Manufacturing Co. desire a loan of $15,000 or $20,000. They should borrow it at reasonable rates, as their success is the success of the town. The loan they ask for is secured upon the real estate and franchise of the company. They will issue 7 per cent. coupon bonds of $100 to $500, interest payable semi-annually. The money is wanted for working capital. Will the citizens of Towanda and surrounding country, come forward and help themselves to a good investment, and help to build up the manufacturing interests of the county?

Will the people learn to throw off their selfishness, and stop the 15 to 20 per cent. shaving, and make investments that will add to their own prosperity and that of a whole community.

Do not say that this man or that is entitled to the credit, but take hold with your $100 or more, and help forward any enterprise that will add to the prosperity of the masses by placing them in a position to help themselves to a competence of material things.

A Citizen.

☞ **Editor Bradford Reporter**—*Dear Sir:* There is in this section of the country a man by the name of D. P. Rathbun, who pretends to be a minister of the Gospel, and who seems to think that his Master's work is only to be performed by an open and persistent opposition to all secret societies, and more especially to Free Masonry. He has been lecturing against all such organizations and pretending to disclose the secrets of Masonry, which he says he learned while a member of St. John's Lodge, No. 24, Sheboygan Falls, Wisconsin. In order to enlighten the public as to the true character of this man, you will please publish the following letter in your valuable paper, and oblige.

Yours truly,
S. W. Buck,
Sec'y LeRay Lodge, A. Y. M.

LeRaysville, Oct. 11, 1871.

Sheboygan Falls, Wis., Oct. 7, '71.

S. W. Buck, Esq.—*Dear Sir and Bro:* Your letter of the 11th Sept. is at hand, and contents noted. There is no such man as D. P. Rathbun belonging to our Lodge, nor ever did. We have within the past two or three years received many communications from Lodges in the State of New York, concerning this man where it appears that he has been conducting himself the same in those places as in yours. He is an impostor. Treat him as such. I did not answer your letter at once, because there is a Rathbun family living in this neighborhood, and I wanted to ascertain whether he was a Mason belonging to some other Lodge. But it appears that nobody knows the man except by the inquiries of N. Y. State Lodges.

Fraternally yours,
Charles A. Mueller,
Sec'y St. John's Lodge,
No. 24, A. F. & A. M.

THE OTHER SIDE.

Since the above was in type, we have received the following letter from Mr. Fletcher, a well known citizen of Pike township:

Leraysville, Oct. 16, 1871.

Mr. Editor—*Dear Sir:* I wish to inform you that the Secretary of our Masonic Lodge claims to have written to a Lodge of Masons in the West, where D. P. Rathbun, a Wesleyan Methodist preacher, is said to have been initiated, and have learned that he is an impostor, and is going to have you publish him as such in your paper. Now I wish to say to you that said D. P. Rathbun is esteemed by the Christian community to be a pious and devoted man, whose labors have been much blest in Herrickville as well as in most places where he has labored. I have seen the President of the Wesleyan Methodist Conference, and he informs me that he has known said Rathbun ever since his conversion, and he has ever borne a good Christian character; and as a preacher his labors have been much blest. Also, the Wesleyan papers always speak very highly of him. Now, sir, I think his crime is this: he claims to be a seceding Mason, and sometimes lectures against Masonry, for which he has been mobbed and slandered, and much abused. I think you would serve the cause of truth by refusing to publish the documents against him.

Yours,
Lynden Fletcher.

☞ **The M. E. Church, of this** place, has adopted the free pew system. On Sunday morning last, cards with blanks to be filled out by the members, were placed in each pew. The following is a copy of the card on the front side:

Go ye into all the world and preach the Gospel to every creature.

There is that scattereth and yet increaseth. There is that withholdeth more than is meet and it tendeth to poverty.

Not grudgingly or of necessity—God loveth a cheerful giver.

M. E. Church, Towanda, Pa. Arrangement for current year, 1871-2. Seats free! Everybody Cordially Welcomed!—The following statement of estimated church expenses for the year ending Sept. 1, 1872, to be defrayed wholly by voluntary contributions, is submitted by the Trustees and Stewards of the Church, viz:

For Pastor's Salary, Presiding Elder's Claim, pay of Sexton and Organist, Sunday School requisites, Insurance, Taxes and Repairs upon Church and Parsonage property, Warming and Lighting the Church, and for other probable contingent expenses, $2,190.00. This divided by 365 gives for the average daily expenses, $6.00. If this sum be again divided by 200, which is about the number of actual communicants, the amount which each should be required to pay per day, provided all paid alike, would be *Three Cents.*

Please insert in the following blank the amount per day, which, after *prayerful consideration,* you think you *ought* to give for the support of the Gospel at Home, and sign your name thereto.

The golden bowl is broken,
The mortal mold in darkness wrapped,
The words funereal spoken;
The tomb is built, or the rock is cleft,
Or delved is the grassy clod,
And what for mourning man is left?
O, what is left—but God?

The tears are shed that mourned the dead,
The flowers they wore are faded;
The twilight dew hath veiled the sun,
And hope's sweet dreamings shaded;
And thoughts of joy that were planted deep,
From our heart of hearts are riven,
And what is left us when we weep?
O what is left—but Heaven? T.
