SPRING RESORTS

Switzerland? NO · CANADA

DO YOU love mountains? To look at—to breathe—to paint—to climb? Would you enjoy living in a valley full of flowers, next door to the most wonderful turquoise lake in the world, with burnt cinder and jade green cliffs at two sides, and, at the end, a living glacier, tumbling ten white miles against the skyline?

If so—Lake Louise is waiting for you. Summer in the valley, spring on the lower levels, eternal winter on the roof of the world.

And—by the way—you couldn't find a more satisfactory hotel anywhere—or a better chef. Real Swiss guides too. Three hundred miles of trails. And everything in ponies from a trained featherbed to a mountain goat in horsehide.
