Bradford Reporter.

LOCAL AND GENERAL.

No paper will be issued from this office next week.

The REPORTER extends the compliments of the season to all its readers.

The donation for the benefit of Rev. S. J. LUSK last week, resulted in leaving him $160 better off in this world's goods.

Collector MONTANYE, who has been confined to his room for several weeks past, by illness, is again on the street.

The sale of reserved seats for GOUGH's lecture, commences on Friday morning.

The engine house of the Pa. & N. Y. R. R. Co., which was burned last week, has been rebuilt.

The Episcopal Mite Society will be held at the residence of Hon. U. Mercur on Thursday evening, December 28th.

Mrs. ELIZABETH SATTERLEE, widow of J. F. Satterlee, late of Athens township, died in Wrightsville, York county, on the 5th inst., aged 73 years.

We are pleased to notice that our old friend, Rev. N. A. DePew, was the recipient of $140, at a donation in Watkins, the other night.

"Early Times on the Susquehanna," by Mrs. PERKINS, would make a nice Christmas present. It is a work full of local interest.

It is JOHN B. GOUGH, who is to lecture at Mercur's Hall, on Tuesday evening next, the REPORTER of last week to the contrary notwithstanding.

Mr. SANDERSON, of the firm of Day, Haddell & Sanderson, sent a car load of coal to each of the ministers in this place as a Christmas present. That is what we call practical charity.

FALSE REPORT.—The report that there is a case of small pox at the American Hotel, in this place, is false. There is not a case of small pox in our village, nor has there been for some years.

The *Northern Tier Gazette* says that Rev. T. Sheardown, the venerable pastor of the Baptist church, in Troy, who has been prostrated by illness for several months past, is able to be out.

Rev. Dr. CHICKERING, of Boston, will spend the holidays in this place. He is one of the foremost temperance advocates in Massachusetts. He will occupy the Presbyterian pulpit on Sunday morning, Dec. 31.

D. A OVERTON, Superintendent of the Presbyterian Sunday School, has circulated the temperance pledge among his scholars. This is a step in the right direction, and the example should be followed by every Sunday school superintendent in the land.

DEATH OF MR. SHAW.—Ebenezer Shaw, the centenary, died at the residence of his son-in-law, O. Gore, Esq., on Sunday morning last. He was buried on Wednesday afternoon with Masonic honors. He was supposed to be the oldest Mason in the United States.

The Christmas vacation will commence at the State Normal School, Mansfield, Pa., Friday, Dec. 22, 1871. The school will reopen Tuesday, Jan. 2, 1872. New students will find it a favorable time to enter the school at the reopening.

The Fire Department election held on Monday evening, resulted in the election of Ira B. Humphrey, Chief Engineer, and John H. Orcutt, Assistant. Mr. Humphrey has been Chief Engineer for the past year, and his reelection is a high compliment. Mr. Orcutt will make a valuable assistant.

Rev. S. J. LUSK, pastor of the Baptist Church, desires us to return his thanks to the members of his congregation and other friends, for the very substantial tokens of regard received from them, on the afternoon and evening of the 20th inst. "The liberal soul shall be made fat, and he that waereth shall be watered also himself."

On Tuesday evening last, JULIA, youngest daughter of Maj. E. W. HALE, of Woodside, died of croup. She was only ill two days, and every effort was made to relieve her, but in vain, and about seven o'clock her spirit passed to that better land where there is "no sorrow nor sorrow." The funeral will take place this afternoon at 1 o'clock.

We regret that so few of our people have been able to attend the lectures of Prof. GUNNING. They were highly entertaining and instructive. The Professor is a man of culture and thoroughly understands his subject. Should he conclude to favor us with more lectures, we trust he may be greeted with larger audiences.

At a meeting of the Stock holders of the Towanda Iron Manufacturing Company, held on Tuesday afternoon, Dec. 19, the following persons were elected Directors for the ensuing year:

G. F. MASON, J. A. CODDING, H. L. SCOTT, N. C. ELSBREE, E. T. ELLETT, M. M. SPALDING, L. L. MOODY. A. G. MASON was re-elected Secretary and Treasurer.

Some two weeks since, Mr. Orlando Grimmell, collector of Wells township left his home, stating to his wife that he was coming to this place to settle his duplicate. It is supposed that he had about one thousand dollars. He drove his horse to Elmira, where he took the cars, and has not been heard from since. Mr. Grimmell has always sustained an honorable reputation, and his friends are loth to believe that he has absconded.

ED. REPORTER: On Thursday evening, the 14th inst., between the hours of seven and eight o'clock, that dreadful agent of destruction, fire, broke out in our vicinity. All repaired to the scene, and found wrapped in flames the large barn of JOSEPH DAUGHERTY, Esq., of Herrick. This barn had been built the last spring, and was intended to be one of the best barns in the community. It contained most of his winter's feed. The loss is a heavy one, falling on account of the shortness of hay crop this season. The loss is partly covered by insurance. It is supposed to have been the work of an incendiary.

On Friday evening following, our people were again thrown into an excitement by the alarm of fire. It proved, however, to be but a small, unoccupied house, belonging to LUKE DOLEN, partly covered by insurance. PEN.

Litchfield, Dec. 20, 1871.

A Division of Sons of Temperance was instituted at Barclay, Pa., on Tuesday, Dec. 6, by Division Deputy C. F. TAYLOR, of this place, and the following officers installed:

W. P.—WM. JOHNSON.
W. A.—JOHN FLETCHER.
R. S.—ROBERT BROWN.
A. R. S.—JAMES DITCHBURN.
F. S.—ARCHIBALD HAY.
Treas.—WM. HAY.
Chap.—JAMES JOHNSON.

O. S.—JAMES HUNTER.
Chap.—JAMES KELLOGG.

The Division was organized with thirty-five charter members, and they guarantee that they will hold over a hundred in a short time. When called upon to choose a name for their Division they at once chose the beautiful and appropriate name of "Blossom Home." May prosperity attend them, and be the wish of all the friends of the cause, for it is well known that there is a great need of their influence at Barclay. C.

At a meeting of Naiad Engine Co., No. 2, held December 19, 1871, the following Resolutions were adopted:

WHEREAS, For the first time since the organization of our company, we have been called upon to mourn the loss of a member; therefore,

Resolved, That in the death of W. A. Weed, Secretary, Naiad Engine Co. has lost a zealous and efficient officer, the fire department a faithful and earnest worker, and his parents a dutiful and affectionate son.

Resolved, That while we most humbly bow in submission to the will of God, we cannot but mourn that one so useful and so much esteemed, should have been thus early removed by death; yet we should rejoice that our loss is his incomparable gain.

Resolved, That we tender the family and relatives of the deceased our heartfelt sympathy in this their sad bereavement, and most earnestly commend them to the only source from which comfort can be derived, our Heavenly Father.

Resolved, That as a token of respect to the memory of our departed comrade, our room shall be draped in mourning for a space of thirty days.

Resolved, That a copy of these resolutions be presented to the family of the deceased, the same be entered upon the minutes of Naiad Engine Co., and published in all our local papers.

S. E. WALWORTH, Pastor.

BE CAREFUL.—In these days, when tight hats, hot air, and sedentary occupations, cause the hair to fall out, it is a matter of no little importance to know which of the hair preparations are of *any* value. The majority, as has been frequently proved by the first dermatologists, or hair-doctors, possess little or no merit. Such being the fact, it is consoling to those who are afflicted to know there is really *one good article*, which is recommended and used by the first medical authority, and has stood every test, many years. This preparation is HALL'S VEGETABLE SICILIAN HAIR RENEWER,—a truly scientific compound, which is unquestionably the best preparation of the kind now before the American public. It will restore to gray hair its original color, cleanse the head thoroughly, cure all eruptions of the scalp; and will always restore the hair so long as any germs remain, as they almost invariably die until extreme old age has destroyed the roots. The original article is made by R. P. HALL & Co., Nashua, N. H.—*Forney's Press*, Jan. 25, 1868.

GEO. H. WOOD and FRANK SMALLEY have purchased, or rather re-purchased, the Photographic Gallery formerly owned by HARDING & GUSTIN, in this place. Both of these gentlemen are well and favorably known to the public from former connection with this gallery. Mr. WOOD was the pioneer of photography in this community. His immense success in building up the business, and his extensive reputation as a first-class artist are both universally known; and it is principally due to him that in this respect we are scarcely behind the great cities. The simple announcement that he is to attend personally to the business, giving it all his time and attention, will gladden all his old patrons, and secure at once a greatly increased patronage.

Mr. SMALLEY will not attend to the business, though retaining an interest in it, as it is his intention to continue his studies without interruption, and he does not propose to be diverted from the object he has in them. The new firm is styled GEO. H. WOOD & Co.

The accomplished artist, Mr. GUSTIN, is to remain at the Gallery. Without his skill in painting, it would be sadly deficient in this very important branch of the business.

CODDING, RUSSELL & CO.

TOWANDA, PA.,

Who not only sell at the lowest cash prices, which cannot be undersold in the county, but who, from their long experience in the trade, are able to, and do, keep a variety of goods of all kinds which is not equalled in this part of the State. It is their aim to sell goods that shall give satisfaction, and they have only to refer to their customers in the past as to what they will perform in the future. As the ordinary space of an advertisement would fail to enumerate the goods kept by them, whoever may wish to purchase should not fail to visit their store.

They have a great variety of Cooking and Heating Stoves, among which are the *American*, *Morning Glory*, *Oriental*, and many other patterns of Base Burners. They have a large lot of *Merry Christmas Stoves at Reduced Prices*, although the tendency of prices is decidedly upward. *American Cook*, *Magic Shield*, *Tribune*, *Union*, and many others.
