YOU CAN QUALIFY
FOR
JUNIOR ACCOUNTANT OCTOBER, 1919
AND SENIOR ACCOUNTANT OCTOBER, 1920, IF YOU ACT QUICKLY
October 15 to November 15 is the period during which one-fourth of the year's business changes, readjustment and building up of staffs are made.
There is just about time enough between now and October 15 this year for you, through suitable intensive training—during your spare hours at home—to qualify for a junior accountancy position that will pay at least $35 a week.
And ample time to qualify before October, 1920, for position of senior accountant, auditor or income tax expert, at a salary of at least $75 a week, with possibilities of more than twice that amount.
The most successful business training system ever devised under the tutelage of a corps of eminent certified public accountants who are renowned as practical teachers.
We have given hundreds of ambitious, earnest men and women the start that has put them over the top and have their records to point to with just pride. We can do as much for you if you are made of the right stuff. It is worth your while to investigate. Write, call or phone Walnut 5184.
