TO THE PUBLIC!

The undersigned would most respectfully say they are now prepared in every way to attend to the

UNDERTAKING BUSINESS

In all its branches. And we trust can give satisfaction to those who require the services of any one in that line.

Having spared no expense or trouble in procuring from the shop of H. Stulen & Co., of our place, a hearse which cannot be surpassed or even equaled in elegance, this side of our largest cities. We have also secured the services of a most reliable, careful, and gentlemanly person to attend to this branch of the business.

J. S. ALLYN, one of our firm, will be found at the Furniture Store, on Bridge street, and C. M. MANVILLE, the other member of the firm, at his residence on Third street, or about the office of Dr. J. W. Lyman, a very reliable and celebrated physician; whose office is on Park street, near the Elwell House.

CORNS.

Bunions, Ingrowing Nails, Tender Feet, etc. Language is almost inadequate to express the torture endured by those unhappy mortals who suffer from any one of the above, almost universal afflictions; the twinging corn, the painful bunion, the torturing nail, &c., and to say that humanity was discouraged would we fear, be only too true. Yet there are exceptions, and they are those who have used the never-failing remedies of Dr. BRIGGS. We allude to his Alleviator and Curative, the great modern discoveries for all diseases of the feet, no matter how severe or seemingly incurable the case may be. The many thousands who have been happily benefitted by their use, bear witness to the above assertion. A trial is all that is needed to convince the most skeptical.

PILES.

Look at those features and see the agony depicted in the face. It cannot be helped while the trouble remains. The sufferings from piles is of a very aggravated description. You cannot walk with any comfort; you cannot ride in peace; you cannot sit with ease, and the suffering when attending to nature is almost unbearable, and causes such a feeling of dread that it is put off at great sacrifice to health and comfort in many instances increasing the difficulty to an alarming extent. Use Dr. Brigg's Pile Remedies according to directions to cure internal, external, itching or bleeding piles. They are mild and reliable, and warranted as represented. Sold by Druggists.

BUNIONS.

There are only a limited number of the human race who do not know from experience what pain and torture can arise from corns, bunions, ingrowing nails, etc. There are but few thus affected who have not tried some of the many methods of relief offered which are anything but satisfactory. To all who are skeptical or discouraged by repeated failures, Briggs' Alleviator and Curative will be guaranteed as safe and positive remedies for diseases of the feet.

HEADACHE.

Dr. J. Briggs' Alleviantor will instantly relieve nervous or sick headache, neuralgia, catarrh, sore throat, dyspepsia, heartburn, palpitation, flatulency sour stomach, in fact, it is the greatest restorer of the age, counteracts or neutralizes all poisons, reduces inflammation, banishes pain from any part of the system, has marvelous and perfect control over the nerves, increases the action of the heart, the brain, will cure all malarious diseases, subdues fever, equalizes the circulation, stimulates the weakened and diseased frame and restores the sufferer

COUGHS.

Dr. Briggs' Throat and Lung Healer, can, without any exaggeration, safely be said to be the best remedy for the Throat and Lungs that is manufactured. It heals the diseased mucus surface, restores the lungs, purifies the blood, acts upon the Liver and Kidneys, and strengthens the system throughout. To the poor Consumptive, no greater boon can be offered. Sold by CLARK B. PORTER, at his new Drug Store, south end of Ward House, Towanda, Pa. July 11, 1872.—1y.

IMPORTANT TO ALL WHO VALUE THEIR SIGHT!

The sight of the aged assisted, the weak strengthened and the perfect preserved.

PHILADELPHIA OPTICAL INSTITUTE,

For the manufacturing of the

CONCAVE CONVEX, CRYSTAL LENSES, LONDON

SMOKED AND TINTED GLASS FOR WEAK OR INFLAMED EYES.

The Concave Convex Crystal Spectacles, made by the above institute are now a long time before the public, and the rapid and increased demand for them combined with the universal acknowledgment of their clearness in vision and ease to the eye, shows plainly that they are superior to any other glasses in the market.

The majority of Spectacles, (mostly imported) and no matter how fine the frames, contain but a poor and worthless article of glasses, (generally cast or pressed;) they are made to be sold only, without any calculation respecting benefit to the eye, and therefore the great complaint of poor and weak sight. Thousands are using glasses now which tire and fatigue the eye, where the objects get dim after short usage, or require an intensely strong light and therefore destroying the sight, which, were they properly suited, would be preserved a life time.

The advantages claimed for the Concave Convex Crystal Glasses are the following:

The Lenses are ground of the best material, pure and hard, and made only for optical purposes, they are therefore not liable to get scratched or dim.

They confer a brilliancy and distinctness of vision not found in any other glass.

They can be used equally well by day or candle light without tiring or fatiguing the eyes.

They are ground mathematically true in the concave convex mirror, according to the philosophy of nature, and shape of cornea of the eye, therefore assisting nature only instead of forcing it.

That the lenses are centered correct into the frames.

They can be used longer than any other glasses without changing to a higher power.

The frames are made strong and durable by experienced workmen and warranted to give satisfaction.

WM. A. CHAMBERLIN,

Dealer in Watches, Jewelry and Silver Ware, Towanda, Pa., has the sole Agency for these glasses in Bradford county. No Pedlers employed.
