PITTSBURGH GAZETTE

"Our little Charlie has always been in the habit of saying a little prayer before going to bed.

A few evenings since, all things being ready for retiring, and when he was about to kneel at his mother's knees, he stopped and looked earnestly into his mother's face said:

"Mamma, I am tired of saying somebody else's prayer; mayn't I make one myself?"

"His mother said, "certainly my boy, if you really wish to.

"The knelt very reverently and clasped his hands; then with the earnestness of unaffected childhood said to his mother.

"Mamma, if I get stuck, will you help me out?"

Fresh Stock of Nunns & Clark's Piano

HENRY KLEBER respectfully informs the public that he has just returned from the eastern cities with the largest and most complete stock of PIANOS ever brought to this city. They are from the celebrated factory of NUNNS & CLARK, and are warranted in fact in every respect. N. & C's Pianos have received the first class prize medals, both in this country, and Europe, and they are considered by the musical profession as unrivalled in general, as altogether superior and unequalled. The prices will invariably be the same as charged at the factory, without addition. They range from $250 to $1,000. Also, a choice lot of Dwight's well known and highly popular Piano. Dunham's Piano we remove the agency in this city, and have sent us a most suitable number, ranging from $300 to $450 for superiority of tone, touch and durability.

The above lot comprises all styles and prices, and as every instrument of merit will be sold by the subscriber is carefully and thoroughly examined by him, he can, in all cases guarantee to furnish purchasers with a good, substantial and reliable Piano, and at lowest prices.
