Ridgbury, Pa., Sept. 6, 1875.

ED. REPORTER: Taylor Hill, in Rome township, was the scene of an interesting event, on Wednesday the 1st inst. The occasion was the marriage of FRANCELLA A., the second daughter of A. J. TAYLOR. Quite a large number of the relatives and friends were present, among them the grandmother of the bride, now nearly 89 years old; also the daughter of Dr. A. F. TAYLOR, of Upper Lisle, N. Y., making the fifth generation present on the occasion. Rev. C. E. TAYLOR, of Whitney's Point, N. Y., uncle of the bride, performed the marriage ceremony. The newly married couple started the same day for their home at Catskill, N. Y., accompanied by LOTTIE A., the bride's eldest sister, who after spending a few days with them at their new home, goes to Springfield, Mass., where she is to take charge of a graded school.

ANOTHER NOTICE.—The Ottawa (Ont.) *Citizen* calls attention to the "Boss Fanning Mill," and gives some good advice to the thrifty farmers of the Dominion. Here is what the *Citizen* says:

"A NEW INVENTION.—Mr. HENRY GUEST, of this city, has just secured letters patent for the inventor, Mr. J. W. JOHNSON, and a company of gentlemen from the States for a new and improved fanning mill. The mill has been named "The Boss," and is pronounced by those who have examined it to be superior to anything of the kind ever introduced in this country or the States. "The Boss" will be on exhibition at some of the agricultural fairs in the Dominion this season, and manufactories will at once be established at several points in Canada. An effort should be made to secure one of these establishments for Ottawa. No doubt the business would prove highly remunerative here, as the grain crops of this section create a demand for just such a mill. The price at which it can be produced places it within the reach of farmers of limited means as well as the more prosperous. Agriculturists should not purchase any mill until they have examined this one. Any information in regard to the mill, or the establishment of manufactories, can be obtained by addressing the "Dominion Mill Co.," Towanda, Bradford Co., Pa."

PERSONAL.—Rev. WM. MCGLATHERY has resigned the parish at Fall River, and accepted a call to Pittsfield, Mass. His pastorate has been a remarkably successful one at Fall River, and he only consents to leave it in hopes to improve his health by getting farther from the sea breezes.

—JOHN D. MERCUR has entered Dr. PANCOST's office in Philadelphia, as a student. He will also attend lectures at one of the Philadelphia colleges during the coming winter.

—WILL GRIFFITHS and BENNIE HALE are attending school at Cazanovia Academy.

—We were honored with a call from Ex-Senator OSTERHOUT, on Thursday last.

—JOHN C. HARRIS has been appointed Post-Master at Powell.

—Miss MARIA ELSBREE, of this place, and Miss JESSIE ELSBREE, of Athens, are attending boarding school in Philadelphia.

—R. R. R. DUMARS, of the Elmira *Advertiser*, was in town on Tuesday.

—Miss MARY CRITTENDEN of Bedfonte, daughter of Rev. Mr. CRITTENDEN, is visiting Miss Jessie ROCKWELL.

—Rev. Dr. U. SCOTT and wife, of New York, are in town.

THE wedding of Superintendent PACKER and Miss PIOLLET, at Wysauking, last week, was a very *recherche* affair. In addition to the parents and other friends of the groom from Mauch Chunk, a number of our most distinguished citizens were present. Lin-ta Band furnished music for the occasion, and accompanied the bridal party as far as Sayre in the special car provided for the occasion. The bride, who is a general favorite with her acquaintances, was the recipient of very costly and rare presents. We understand the happy pair are to take rooms at the Means House on their return from their bridal tour.

BASE BALL.—The game between the Winonas, of this place, and the Mystics, of Elmira, played on the grounds of the former, on Saturday afternoon last, was decidedly the best exhibition of ball playing ever witnessed here. The triumph of the Winonas was well deserved, as they played together—and to win. The Elmira boys did some very nice playing, but all through the game it was evident that they were not strong enough to cope successfully with so expert a nine as the Winonas. The game was umpired by ROBERT PINCH, of Elmira, who in that position combines all the requisites to successfully fill it. Not a murmur was heard from either nine during the progress of the game, or at its close. Should another series of games be arranged between the two clubs, the Elmira boys may rest assured that they will receive a hearty welcome when they choose to visit our village again. Annexed is the score:

—The Shoemakers of this place and the Shoemakers of Elmira, played a game of ball on the grounds of the Winonas, on Saturday last, which was won by the first named by a score of 15 to 7.

—The Winonas were defeated at Ithaca, on Tuesday of last week, by the Athletic nine. Score 13 to 5. And by the Amateurs of Owego on Wednesday by a score of 14 to 6.

—It is now understood that the Amateurs of Owego will play the Winonas at this place on Saturday next.

—The Gazelles hope to meet the Winonas before long. A lively game may be expected, for our "bark peelers" don't "ax" any favors, and manage to "ring" around pretty lively sometimes.—*Laporte Free Press.*

When the Gazelles send a challenge to the Winonas, it will undoubtedly be accepted; and when the game is played the score will look about thusly: Winonas, 100; Gazelles, 0. Send up your challenge.

TEMPERANCE CONVENTION AT BARCLAY.—The second quarterly session of the Northern District Convention, I. O. G. T., met pursuant to adjournment at Barclay, August 31, 1875, in Hall of Elevation Lodge, at 10½ o'clock A. M.

Forenoon session occupied by receiving credentials, reading minutes of last Convention, and singing.

Afternoon session occupied by reports of Lodges represented; District Deputies; Special Grand Lodge Deputy, and discussion of the following resolution:

Resolved, That we fully accept the doctrine of prohibition, and believe our complete triumph can only be found in the ballot box.

Morning of second day occupied by instruction in the *unwritten work* of the order.

Public session opened at 9 o'clock. Reports were heard from Lodges not represented on the preceding day.

Bro. S. S. BUTTS offered the following preamble and resolution, which were unanimously adopted:

WHEREAS, Our Heavenly Father in his infinite wisdom has taken from earth our dear sister, CLARA A. DARTT, of Canton Lodge, No. 498, I. O. G. T. Therefore,

Resolved, That we bow in humble submission to the will of Him who doeth all things well.

Resolved, That we extend to the Lodge, Sabbath School, and Church, of which she was a faithful member, and especially to her parents, our dear Brother and Sister, B. S. DARTT and wife, and the other members of the bereaved family, our heartfelt sympathy; and we pray that they may find consolation from above, as with the eye of faith they see this rose-bud unfolding into fadeless beauty in the garden of Paradise.

Resolved, That the Secretary be hereby instructed to furnish copies of the above, to her Pastor, the Superintendent of the Sabbath School to which she belonged, the W. C. T. of Canton Lodge, I. O. of G. T., and the family so afflicted by the loss of a household pet.

Resolution of preceding day again read, discussed and adopted. The following resolution was offered and adopted:

Resolved, That we as Temperance people should hold public meetings for the purpose of promoting the cause of prohibition.

Litchfield fixed upon as the place of next Convention.

SECOND DAY—AFTERNOON.

Bro. H. B BENSON notified delegates to Convention that there would be a Good Templar Celebration at Prospect, on the first day of October, 1875, to which all are invited.

The following resolutions were offered and unanimously adopted:

Resolved, That while we are heartily in favor of the success of the principles of the Prohibition Party, and of the ticket representing it, yet we would recommend that they should in no way be allowed to become a test of membership as a matter of discussion in the Lodges.

Resolved, That we earnestly urge Temperance men, whatever party they may support, do discriminate against all supporters of the liquor traffic.

The following resolutions of thanks were offered and adopted:

Resolved, That we tender our thanks to Brother H. B. BENSON, D. D., of North-Eastern District, for his earnest and efficient services in organizing Lodges.

Resolved, That our thanks are due and are hereby tendered to the citizens of Barclay for their hospitality in entertaining so large a Convention.

Interesting five minute speeches for a half hour, after which the Convention closed to meet at Litchfield, on the last Tuesday of November, 1875.

Harmony prevailed through all the sessions of the Convention.

Twenty-four Lodges were represented. Four new Lodges organized since May, 1875, by Brother Benson.

The total gain of Good Templars since May, 1875, has been 283. This shows the cause of Temperance is *decidedly* on the advance.

The exercises of the Convention were enlivened by appropriate songs from our music committee.

WILL T. LAWRENCE, Dist. Sec'y.
