BROOKE HALL FEMALE SEMINARY

Media, Delaware County, Penna.

Miss Maria L. Eastman, Principal.

THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia by Railroad, offers to young ladies the most perfect combination of advantages for the attainment of a thorough and accomplished education.

The large and commodious building lately erected, containing all the modern conveniences of baths, gas, &c., in with its extensive grounds, a model in all that pertains to the health, comfort, refinement and improvement of the pupils. The sleeping rooms are high, well ventilated, and furnished with comfort and elegance, and but two pupils occupy the same apartment. The number of pupils is limited to forty, for whom seven teachers are employed.—The most faithful instruction is given in all the branches taught, while moral and religious principles are constantly inculcated by theory and practice.

The course of instruction comprises a period of four years, and a diploma is awarded to all who pass through it satisfactorily.

The Right Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, says: "Miss M. L. Eastman, who proposes to open a Young Ladies' Seminary in Media, Delaware county, Pennsylvania, in September next, has been known to the subscriber for several years past. He has a very high opinion of her capacity, efficiency and devotedness as an educator. She has had a large and successful experience.—The building which is to be erected will contain every accommodation. Without exaggerating, country are distinguished for healthfulness and beauty; and the subscriber has confidence that parents who entrust their daughters to Miss Eastman will have no cause to regret it."

The French language is taught by a Parisian lady resident in the family.

The Latin, German, Spanish and Italian languages, receive due attention.

The Natural Sciences are taught with the aid of a large and expensive apparatus.

The Musical Department is under the charge of a lady eminently qualified for the situation, and all who prefer to be taught on the piano or singing by a gentleman, have a visiting teacher from Philadelphia.

Drawing and Painting are under the direction of a lady accomplished in the arts.

The Fall Term commences September 9th.

Miss Eastman has the liberty to refer to the following gentlemen:

Right Rev. A Potter, Bishop of Pennsylvania.
Hon. Franklin Pierce, ex-President of U. S.
Rt. Rev. C. Chase, Bishop of Ohio.
C. Lesley, Esq., Pottsville, Pa.
George M. Wharton, Esq., Philadelphia.
William Bowley, Esq., Pittsburgh.
Sylvanus Lothrop, Esq., Allegheny City.

T. KINGSFORD & SON'S PURE Oswego Starch,

(FOR THE LAUNDRY,)

HAS established a greater celebrity than it has ever been obtained by any other Starch. This has been the result of its marked superiority in quality, and its invariable uniformity.

The public may be assured of the continuance of the high standard now established.

The production is over Twenty Tons Daily, and the demand has extended throughout the whole United States, and foreign countries.

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. *This is the great Desideratum in Starch-making, and it is realized now for the first time.*

The very best Starch that can be made, and no other, is always wanted by consumers, and this will be supplied to them by the grocers, as soon as their customers have learned which is the best, and ask for it—otherwise they would be likely to get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch continuously for the last 27 years, and during the whole of the period of his business no maker has superseded him. He has been, beyond any question, the best in the market. For the first 17 years, he had the charge of the works of Wm. Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.

Ask for Kingsford's Oswego Starch, as the same Oswego has been recently taken by another factory.

It is sold by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SONS
OSWEGO STARCH FACTORY.

DUBARE BULSION,

(FOR PUDDINGS, &c.)

Has obtained an equal celebrity with their Starch for the Laundry. This article is perfectly pure, and is, in every respect, equal to the best Bermuda Arrow-Root, besides having additional qualities which render it invaluable for the sick.

Potatoe Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.

From its great delicacy and purity, it is coming also into extensive use as a substitute for Arrow-Root and Isralin.

The subscriber having been appointed sole Agent for the sale of the above celebrated Laundry and Corn Starch, will supply the trade at Manufacturers' prices, with addition of freight.

Agent for Oswego Starch Factory,

AYER'S CATHARTIC PILLS,

SUGAR COATED.)

ARE MADE TO

DELEASE THE BLOOD AND CURE THE SICK, *Invalids, Fathers, Mothers, Physicians, Philanthropists, Read their Effects, and Judge of their Virtues.*

PITTSBURGH, PA., May 1, 1853.

Dr. J. C. AYER:—Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect,

ED. W. PIERCE, Clerk of Steamer Clarion.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., Feb. 7, 1854.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their Regulating action on the *Liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *Bilious Disease* so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Colics and Worms.

POST OFFICE, HARRIS'S, Lv. Co., Mich., Nov. 16, '55.

DR. AYER: Your Pills are the perfection of medicine. They have saved my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. Has then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They also cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston:

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1853.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

Yours, JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, an Salt Rheum.

From a forwarding Merchant of St. Louis, Feb. 4, 1856:

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. His mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, and she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia and Gout.

From the Rev. Dr. Rawlins, of the Methodist E. Church:

PULASKI HOUSE, SAVANNAH, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which yielded to no treatment or remedies. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am entirely well. W. M. S. BEKIS & CO., Proprietors.

SENATE CHAMBER, BATON ROUGE, La., Dec. 5, 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—that terrible disease that has afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Pills, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Coughs, Colds, Hoarseness, Influenza, Bronchitis, Whooping Cough, Croup, Asthma, Incipient Consumption,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Through out every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any part of this country or this continent without some personal experience of its efficacy and power to relieve dangerous and where which have no among them some lung trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral save more lives by its consumptions it prevents than by its cures—Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inextricable canker that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those you rely on it the best agent which our skill can furnish for their cure.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

Health and Strength Must Inevitably Follow its Use.

Boerhave's Holland Bitters.

THE CELEBRATED HOLLAND REMedy for Dyspepsia, Liver Complaint, Costiveness, Palpitations of the Heart, Railway's Regulators, in the form of Pills, can be relied upon as a positive and certain corrector and regulator of these difficulties. In cases of temporary Constipation or derangement of the stomach or bowels, the Cathartic and Purgative Pills given by the regular faculty, even if they remove the temporary difficulty, do so at the expense of Cramps, Sickness at Stomach, and Weakness, and after the effects of these purgatives are over, the bowels are left costive and the system debilitated. Railway's Regulators will instantly relieve the pain and distress, remove the difficulty and restore a regular action to the liver, stomach, bowels and other organs—they neither irritate, inflame, sicken or weaken the patient, and the evacuations are natural, without constraining the system or cramping the bowels

These remedies are the only ones that have reduced the hygienic principle to the fixity of a mathematical demonstration—invariable in all cases, and proceeding on a settled course, they, and they alone, have imparted to the incongruous experience and repugnant practice of the so called "regular faculty," the precision and invariability which are essential to the requirements of a science. Taking the pills, they proceed by fixed rules to eliminate all extraneous and deleterious particles, and thus restore the constitution to its integrity, by the expulsion of those local or organic irregularities which vitiate the soundness of the system.

DANGEROUS DISEASES.

In Cholera, Yellow Fever, Ship Fever, Dysentery, Diarrhoea, Typhus and Typhoid Fevers, and all malignant and malarious fevers, Railway's Ready Relief and Regulators are not only positive curatives, but certain preventives.

Not only in the milder latitudes of the North have these remedies cured the patients of these terrible maladies, but under the burning zones of the tropics, where, in the wildest and most violent degree, they scourged the people as a pestilence. With these remedies you need not fear exposure to any contagious disease or infectious malady.

CONSTITUTIONAL DISEASES.

All diseases that have become *established* in the system, called chronic or constitutional, Railway's Resolvent, aided by the Relief and Regulators, will remove. Scrofula, Rickettsia, Ulcers, Sores, Fever Sores, Humors, Hemorrhoids, Rheum, and all skin diseases will quickly yield to this all powerful remedy.

The use of the Resolvent will, in a few weeks, entirely change the whole condition of the body, we care not from how many generations you have derived your illness. Diseases established in your bodies, Railway's Resolvent will remove it, and give to you what your forefathers were unable to—a pure and healthy body—free from disease.

COMMON DISEASES.

All disease prevalent at this season of the year, caused by derangement of the organs of the system, sudden changes of the weather, heat and cold, disturbed circulation of the blood—Rheumatism, Neuralgia, Tic Doloreux, Gout, Complaints, Fever and Ague, Headache, Toothache, Aches and Pains of all kinds, Bruises, Sprains, Scalds, Falls, Inflammatory Diseases, Congestive Diseases, Humors in the system, Impure Blood, Boils, Pustule Pimples, Blotches, &c. Liver Complaints—Dyspepsia, Biliousness, Costiveness, Piles, whether acute, inflammatory, malarious, nervous, chronic, or constitutional, Railway's Remedies will most positively exterminate and remove the infirm and enfeebled system to health and strength.

AN OFFER—TO THE DYING.

To who have friends now upon the brink of the grave, on whom all hopes of recovery are lost—who have been given up incurable by your physician, we invite you to try one more effort to save the valued life of the dying one. A trial of these Remedies cannot do any injury, and may restore to health and vigor, even though all hopes are abandoned by your physician. Over a thousand such instances have come to our knowledge and we therefore, feel authorized in urgently requesting the trial. Surely, after the physicians have can do no more, his prejudice to your using a remedy he can not do good, is criminal.

As one of the instances we have alluded to in the above article, we refer the public to the case reported to us by Richard Griffith, Esq., well known in Allegheny City as a man of high integrity, and well approved of by his countrymen for his high official capacities.

HARRISBURG, Fontenue Co., O. W.,
June 24th, 1857.

In October, 1855, my wife giving birth to a child, left her bed too early and caught a severe cold, which promised to terminate her life. The best physicians in this neighborhood and Kingston were in attendance on her—but all were *useless—the doctors had given her up to die. For seven consecutive weeks* I sat at her bedside, momentarily watching to see her breathe her last. I happened to see a copy of your paper called "*The Morning World*," and there read of your medicines. I resolved to try them as a last resort. I gave her the *Resolvent* with the Regulators—and Relief—according to directions, and *in three days observed a wonderful improvement.* From this she daily recovered, and is now, thank God, better than ever she was in her life.

The child, when three months old, caught a bad cold, and *dreadful croup to assure skeleton*, nothing but bone and skin *his eyes protruded from his head; as if they would drop out;* the physicians all united in saying there was no use of attempting to save him, *his case was hopeless, as he was too young and must die.* But I thought different. Your Resolves gave him to my wife, while the doctors gave her up to death. I again had recourse to them. I gave him the Resolvent internally and used it as a wash externally—he improved—he is now a laughing, hearty, breathing child, enjoying the best of health. Your *new* obedient and grateful servant, RICHARD GRIFFITH.

The above, reader, is but one out of thousands of similar cases in the world, where the ministrations of the physicians been relied upon without further trial, *death* would have claimed its victim. Do not therefore give up your friends on the mere report of your physicians who say they can do no more. When you are told this, resort to our Remedies.

The Greatest Medical Discovery OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both kindred cancers.) He has in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will scour the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of scrofulas.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to cure it, or it does not, humor or no humor, the cutting out process and its pains. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done more of the greatest cures ever done in Massachusetts. I gave it to children over a year old: to old people of sixty. I have seen poor, puny, worm-eaten children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and themselves of the bowels. Some have been costive for years, have taken and themselves of the bowels. Some who have been costive for years, have taken and themselves of the bowels. Some who have been costive for years, have taken and themselves of the bowels. Some who
