BROOKE HALL FEMALE SEMINARY
Media, Delaware County, Penna.
Miss Maria L. Eastman, Principal.

THIS SEMINARY, SITUATED IN THE delightful and beautiful village of Media, thirteen miles from Philadelphia by Railroad, offers to young ladies the most perfect combination of advantages for the attainment of a thorough and accomplished education.

The large and commodious building lately erected, contains all the modern conveniences of baths, gas, &c., is, with its extensive grounds, a model in all that pertains to the health, comfort, refinement and improvement of the pupils. The sleeping rooms are high, well ventilated, and furnished with comfort and elegance, and but two pupils occupy the same apartment. The number of pupils is limited to forty, for whom seven teachers are employed. The most faithful instruction is given in all the branches taught, while moral and religious principles are constantly inculcated by theory and practice.

The course of instruction comprises a period of four years, and a diploma is awarded to all who pass through it satisfactorily.

The Right Rev. A. Potter, D. D., L. L. D., Bishop of Pennsylvania, says: "Miss M. L. Eastman, who proposes to open a Young Ladies' Seminary in Media, Delaware county, Pennsylvania, in September next, is known to the subscriber for several years past. He has a very high opinion of her capacity, efficiency and devotedness as an educator. She has had a large and successful experience. The building which is to be erected will contain every accommodation. The village and surrounding country are distinguished for healthfulness and beauty—and the subscriber has confidence that parents who entrust their daughters to Miss Eastman will have no cause to regret it."

The French language is taught by a Parisian lady residing in the family.

The Latin, German, Spanish, and Italian languages, receive due attention.

The Natural Sciences are taught with the aid of a large and expensive apparatus.

Pupils will be received in under the charge of a lady eminently qualified for the situation, and all who prefer to be taught on the piano or Piano-forte by a gentleman, have a visiting teacher from Philadelphia.

Drawing and Painting are under the direction of a lady skilled in these arts.

The Fall Term commences September 9th.

Miss Eastman has the liberty to refer to the following gentlemen:

Right Rev. A. Potter, Bishop of Pennsylvania.
Hon. Franklin Pierce, ex-President of U. S.
Hon. S. P. Chase, Governor of Ohio.
C. Longstreth, Esq., Philadelphia.
George M. Wharton, Esq., Philadelphia.
William Bagaley, Esq., Pittsburgh.
Rev. Thomas Hill, D. D., Allegheny City.

MISS M. L. EASTMAN,
Media, Delaware county, Pa.

T. KINGSFORD & SON'S
PURE
Oswego Starch,
(FOR THIS LAUNDRY.)

HAS established a greater celebrity than it has ever been obtained by any other Starch.

The public may be assured of the continuance of the high standard and excellence of this article.

The production is over Twenty Tons Daily, and the demand has extended throughout the whole United States, and foreign countries.

Working thus on a very large scale, and under a rigid system, they are able to secure a perfect uniformity in the quality throughout the year. *This is the great Desideratum in Starch making, and is realized now for the first time.*

The very best Starch that can be made, and no other, is always wanted by consumers, and this will be supplied to them by the use of this article, which is recommended by all who it is the best, and ask for it—otherwise they would be likely to get that article on which the largest profit can be made.

Mr. Kingsford has been engaged in the manufacture of Starch exclusively for the last 27 years, and during the whole of the period, the Starch made under his supervision has been beyond any question, the best in the market. For the first 17 years, he had the charge of the works of Wm. Colgate & Co., at which period he invented the process of the manufacture of Corn Starch.

Ask for Kingsford's Starch, as the name Oswego has been recently taken by another factory.

It is sold by all of the best grocers in nearly every part of the country.

T. KINGSFORD & SON'S
OSWEGO CORN STARCH,
(FOR FINENESS, &c.)

Has obtained an equal celebrity with their Starch for the Laundry. This article is perfectly pure, and is, in every respect, equal to the best Bermuda Arrow-Root, besides having additional qualities which render it invaluable for the dessert.

Potatoes Starch has been extensively packed and sold as Corn Starch, and has given false impressions to many, as to the real merits of our Corn Starch.

From the great care and purity, it is coming also into extensive use as a diet for infants and invalids.

The enormous demand having induced a few to offer for sale of the above celebrated Laundry and Corn Starch, will supply the trade at Eastern rates, with addition of freight.

JOS. F. PEIRCE,
Agent for Oswego Starch Factory.
