Bradford Reporter.

Towanda, Pa., Thursday, June 22, 1876.

LOCAL AND GENERAL.

THE heavy rain of Sunday last raised the river several feet at this place.

DR. PORTER is putting down a stone side walk in front of his residence on Main St.

"JUDGE" PARSONS, of the *Argus*, expects to "do" the Centennial next week.

THE Linta Band treated our citizens to some excellent music on Tuesday evening last.

QUITE a large number of Towandians are in attendance at the Centennial this week.

THE new Centennial Stamped Envelope are now for sale at the Post-Office in this place.

THE absence of the editor this week will account for the lack of usually full local report.

THE First National Bank, of Athens, have purchased a lot and are erecting a brick building.

THE First National Bank declared a semi-annual dividend of 8 per cent. on Thursday last.

BRADFORD COUNTY was largely represented at the Grand Lodge I. O. of G. T. in Philadelphia last week.

THE Semi-Annual election of officers of Crystal Lodge, No. 57, K. of H., will be held on Monday evening next.

THERE is to be a Pic Nic at Convent Grove, this place, July 4th. Proceeds for the benefit of the Catholic Church.

OUR neighbors of Laporte, Sullivan Co., are making the necessary arrangements for a grand celebration on the 4th of July.

THE Semi-Annual election of officers of Towanda Lodge, No. 293, K. of P., will be held Tuesday, June 27. A full attendance is desired.

REV. WM. MCGLATHERY and wife will visit their friends in this place this week. Mr. McGl. will occupy the pulpit of Christ Church on Sunday.

THE Universalist Sociable will be held at the house of ALBERT LONG, on the corner of Huston and Third Streets, on Wednesday evening, the 28th inst.

DR. PORTER is building a quarter of a mile of picket fence on the west line of York Avenue, 3d Ward. The Doctor believes that what is worth doing at all should be well done.

C. T. KIRBY received last week a large order for his Cough Balsam, from a firm in New Mexico. Who knows but our townsman may become noted through his preparations as Hembold, Ayer and Jayne.

HEADQRS. CO. K, 12th REG. N. G. The members of this Company will meet in full uniform, on Saturday, June 24th, at 6 P. M. By order of

D. L. SWEENAY, Lieut. Com.

THE Scholars and Teachers of the Graded School of this place, are enjoying a ten weeks' vacation. The fall term will begin in September. The closing exercises of the spring term, last week, we learn were very interesting.

THE Republican County Committee met at this place on Tuesday last. JUDSON HORTON, Esq., was elected Chairman, and E. J. AVERY and E. B. COLBURN Secretaries. A full report of the proceedings will be found in another column.

IT MUST be that KIRBY'S Soda has a peculiar flavor, judging from the large number who patronize his fountain these warm days. Or, perhaps, it is the polite manner in which "Tom" attends to customers, that is the paramount attraction.

THE REV. G. D. STEWART, D. D., of Ogdensburg, will preach in the Presbyterian Church next Sabbath morning. The Sunday School Anniversary will be held in the evening in the Church, at 7 o'clock. Address by Dr. G. D. STEWART.

THE large and valuable collection of miscellaneous books and elegant oil paintings, belonging to the estate of G. D. Montanye, dec'd, are to be sold at public sale at the store in south side of Mercur Block, commencing on Thursday, June 29, at 2 o'clock, P. M.

D. C. DEWITT, Esq., will deliver the oration at Mountain Lake, on the 4th. Danville Bourne will read the Declaration of Independence, and there will be music by the West Burlington Brass Band. The public generally are invited to be present and participate in the festivities.

THE ladies of the Wysox Presbyterian Church propose holding an Ice Cream and Strawberry Festival for the benefit of the Church, in Grange Hall, on Wednesday evening, June 28th, and cordially invite all lovers of these delicacies and a good time, to be present, and give encouragement to such a worthy cause.

WE tender our congratulations to Mr. JOHN MCS. STEWART. We have suspected the asking time that "skipper" was contemplating some important change in life. He is as devoted and faithful to his wife as he has been to his duties as postmaster at the Elwell House, SAYRE, will never regret the step he has taken.

THOSE who were fortunate enough to hear, pronounce the Essay read by Miss ANNA KINNEY at the closing exercises of the Graded School of this place, on Friday last, a production far above the average. Miss K. is a young lady of more than ordinary ability, a careful, painstaking student, and will at no distant day, we opine, occupy a high place in the field of literature.

BASKET PIC NIC.—There will be a Centennial Basket Pic Nic in the grove, near Fuller's School House, in South Towanda, on Tuesday, July 4th, 1876. Every arrangement will be made for the enjoyment of all who are present. A large platform will be erected, and good music will be in attendance, that all who desire may trip the "light fantastic toe." Everybody and family are cordially invited to come and bring their baskets.

PERSONAL.—Mail Agent Fox, of the S. L. & S. R. R., is laid up with rheumatism, and is sojourning for a short period at Avon Springs.

J. L. MERCUR is home, court having been adjourned until October.

Mr. and Mrs. STRATTON, of Owego, N. Y., are visiting at Judge MORROW'S.

Miss LIZZIE COOLBAUGH, of East Towanda, is visiting her sister, Mrs. THOS. RYON, at Topeka, Kansas.

W. A. SCHUTZ and C. SCHUTZ, of Hayfield, and J. B. KIRBY, of Towanda, are attending United States Court as Jurors at Williamsport, Pa.

WE were favored with a pleasant call from our old friend Peter Monroe, of Sylvania, last week. Mr. M. is as firm as ever in his adherence to the principles of the Republican party.

HON. JOSEPH POWELL spent a few days with his family last week. Although Mr. P. is very attentive to the duties of his office, the labor does not appear to wear on him, as he appears to be in the enjoyment of excellent health.

THE good people of Troy, this county, are making arrangements for an "old fashioned" celebration on the coming 4th. The committees who have the matter in charge are using every exertion to make it a success, and we have no doubt but they will. The following named gentlemen have been selected as officers for the occasion:

President of the Day—S W Pomeroy.

Vice Presidents—Hon V M Long, Hon Isaac Smith, W A Thomas, John Mix, A Foster, Dr M D Gamble, Stephen Cole, Peter Peck, H M Ferguson, Jesse B McKean, Hon J H Webb, V M Wilson, Calvin Jones, Hon S D Hackness, Benj Young, W H Saedekor, Morris Shepard, Jas Gillis.

HAYES AND WHEELER CAMPAIGN CLUB.—A meeting will be held in the Grand Jury Room on Monday evening next, for the purpose of organizing a HAYES and WHEELER Campaign Club.

BISHOP HOWE, in his annual address to the late diocesan convention, referred to the late Rector of this parish in this beautiful and touching manner. The tribute will be appreciated by the many warm friends of the late REV. CHARLES E. MCILVAINE:

"Another who bore a familiar and honored name, the Rev. CHAS. E. MCILVAINE, in the meridian of life, and in the ripeness of his excellent gifts, was relieved from the cares and toils of his earthly ministry on the 22d of Feb. He bore his people and their interests in his heart with more than ordinary solicitude. When sickness like an armed man came upon him, he was not in condition to make a strong resistance, and sank when they who watched him were most hopeful, because they believed the crisis of his disease was passed. He was a worthy son of a noble sire—true not only to the principles in which he had been reared, but true also to the intelligence, earnestness and amenity of spirit and manner with which they had been transmitted to him. His late parish may account themselves signally blest if God should send them another as good and able and cultured and gentle as he whom they have lost."

MEETING OF THE I. O. OF G. T. CONVENTION OF BRADFORD AND SULLIVAN COUNTIES.—This convention met at Camptown, June 6, 1876, D. W. C. T., M. E. Chubbuck in the chair; called to order at 11 o'clock, a. m.

The following committees were appointed: Finance—C. E. White, D. Boardman, A. Alger; Good of Order—Wm. Chamberlin, C. Avery, E. Cleveland. Minutes of last session read and approved; adjourned at 12 o'clock to meet at 1:30, p. m.

Afternoon session.—Called to order, M. E. Chubbuck in the chair; opened in usual form. Committee on resolutions—Maxwell, Chamberlin, A. B. Cass, Sisters Hillis, Buck and White. The delegates from several lodges being absent, members of those lodges being present were admitted. Thirty-two lodges were represented the first day. (The second day the number of lodges represented was increased to about forty-five), and perhaps a more encouraging report was never given at a convention, many lodges having over one hundred members, and all being in good working order. The reports of district deputies were very flattering, and as follows: S. P. Warner, of Eastern District, reported that no new lodges had been organized, but his district is in a flourishing condition. C. E. White, of Middle District, had organized one new lodge, and his district is prospering.

Also he being a representative to the R. W. G. L., reported that Bradford County is the "Banner Temperance County of the World!" Brother O. L. Larkum, of North Western District, organized one new lodge, and reports that all of his lodges are in good working order. H. B. Benson, of South Eastern District, reported as follows: Seventeen lodges organized and reorganized in the last quarter, and one Degree Temple in previous quarter. He has initiated during quarter as charter members six hundred and six, and has, during his term of office for the year ending June 1st, organized and reorganized thirty-seven lodges, and initiated into the order as charter members, thirteen hundred and twenty-six, also reports fifty-six lodges in Bradford county in good working order, with a total membership of nearly three thousand.

Unfinished business taken up. Resolution by M. E. Elliott at the previous convention—Provided that article second of constitution of District Convention be so amended as to admit delegates from Degree Temples. Moved by Brother Benson that the resolution be adopted; after a spirited debate by Brother Benson on the affirmative, and Brothers White, Maxwell and others on negative, the resolution was adopted. Several resolutions of minor importance were presented by committee; others of more vital importance as follows: That the sure and only road to the success of the Temperance Reform is by constant and incessant work, individually and collectively. Carried. That we deem it expedient for the perpetuation of our cause that each lodge organize a juvenile temperance society, under its control and management, and that said sabbath school scholars, not over eighteen years of age, living in the immediate vicinity, be solicited to join the same. Adopted. Adjourned at 5:30, p. m., to meet at 7:30, p. m., at the Union Church.

Open session in the evening. Opened by song entitled "Ninety and Nine," beautifully rendered by Prof. Warner, of Herrick, and Sister Wilson, of Towanda. Second, prayer by Rev. G. S. Transue, of Burlington. Third, song by Sister Wilson, of Towanda. Then Cd. J. E. Hoyt, of N. Y. City, was introduced, who held the audience spell-bound for two hours, with a lecture equalled only by John B. Gough. Song by Brothers Warner and Taylor. A beautiful recitation by the "Child Oratress," Sister Lola May Wilson, of Rome Lodge, No. 463; closed by benediction.

Morning Session of Second Day.—Opened in usual form in second degree, M. E. Chubbuck in the chair. Degrees conferred upon several members; meeting was closed in second and opened in third degree. The degree was conferred upon a large number. Unwritten work completed. Closed in third degree and opened in subordinate at nine, a. m. Reports of committees read and approved. A committee was appointed to redistrict and recommend District Deputies. The committee made its report, but it not being brought before the Convention, no action was taken thereon. The election of officers for the ensuing year, resulted as follows: D W C T, Wm Maxwell; D W V T, Clara Chubbuck; W S, Frank W Parks; W T, J M Piatt; W M, Wm Myer. The W C T elect made the following appointments: W C Rev. J Davis; R H S, Anna D Beidleman; L H S, Emma Canada; I G, L E Beaumont; O G, Charles Harshberger; D M, Susie Davenport; A S, Ella McAfee.

A vote of thanks was tendered the people of Camptown and vicinity for their untiring efforts to make the convention profitable and pleasant. Adjourned to meet at New Albany, Sept. 5, 1876.

☞ It is a conceded fact that M. E. ROSENFIELD is better posted in the clothing trade than any other dealer in Towanda, and his announcement in another column will attract attention wherever he is known. The statements bear the evidence of truth on their face, and the public will not be slow to avail themselves of his most generous offers. It would, without doubt, be largely to Mr. R's pecuniary profit, to close his store, and await an advancement in prices, but his philanthropic spirit and interest in his customers impels him to a different course. His unselfish and straightforward manner of dealing in this instance is another evidence that the confidence heretofore reposed in him by a confiding public, was not misplaced. 14j.

Actuated by this motive he will cheerfully send (free of charge) to all who desire it, the recipe for preparing and full directions for successfully using this providentially discovered remedy. Those who wish to avail themselves of the benefits of this discovery without cost can do so by addressing, in a proper manner, a dressing with stamp, naming this paper,

SPECIAL NOTICES.

[From the Rochester Times, Oct. 31, 1875.]

☞ Briggs & Brothers, who can boast of conducting the largest seed business in the known world, are arranging to compile a work in which they will give to the floricultural and horticultural public the benefit of their thirty years of experience in the culture of vegetable and flower seeds. The work will be substantially bound, and its several hundred pages will be illustrated with numerous cuts, chromatic plates and succinct directions with regard to the care and culture of everything known in floral and vegetable kingdom. We know of no one better qualified to treat on the above subject than Briggs & Brother, whose seeds are sold in almost every city, town, village or hamlet in the United States. They are practical growers of seeds, and the forthcoming work will emanate from eminently practical sources. What Seth Green is to fish, Barry or Purdy to fruits, Brigs & Brother are to seeds. A very large edition will be published which, it is well understood, will lessen the price per volume. Purchasers of the work outright will only be charged cost, while the customers of Briggs & Bro. will receive it as a premium on the purchase of seeds. The intended work will go to press about May next, and the artists are now engaged upon the engravings. It will be separate and apart from the January Catalogue, which will be issued in December, or from any other of the publications of this well known house. Every lover of floriculture or horticulture should put himself, or herself in the way of obtaining it.

Briggs & Bro.'s seeds are for sale by Geo. H. Webb, Alba, Pa. (jan20-6m.

☞ A CARD.—To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INMAN, *Station D. Bible House, New York City.* (May1smo

☞ A TOMATO RACE.—Among the many excellent articles which our friend Geo. H. Webb, of Alba, Pa., keeps in his stock, may be counted seeds from that justly celebrated firm, Briggs & Bro., Chicago, Ill., and Rochester, N. Y., the largest seed house in the world. It will surprise many of our readers to learn that over 25,000 merchants in the United States handle seeds from Briggs & Bro.'s, whose boxes, catalogues, labels, chromos, &c., are extremely attractive in high colorings and artistic finish. One of the newest designs from the hands of their artists is what is called "Briggs & Brother's Great Tomato Race on their Grounds," and represents a race course with perfect representations of the different varieties of tomatoes striving for the honors of leadership. The design is extremely happy and pleasant, besides conveying to the farmer or horticulturist considerable information upon the merits of the different tomatoes. We see that they place as their leading varieties the Green Gage, Conqueror and Hathaway's Excelsior, while they rate other varieties in the following order of merit: Trophy, Defiance, General Grant, Hubbard Curled Leaf, Hepper's Goliah, Large Early Red, Dwarf Orange Field, Dwarf Early Red, Keyes's Early Prolific, Simon's Cluster, and in the rear, with reins thrown to the ground and a telescope at his eye to see where the rest are, shuffles up the Large Yellow. The whole scene is laid in the richest humor, and no one can get up lithograph at Webb's on examination without breaking out into a hearty laugh.

We can assure our readers who desire to order Briggs & Bro's. seeds, that they can secure them on just as advantageous terms of G. H. Webb, and of just as good quality, as if ordered direct. See Briggs & Bro's. January number and order of GEO. H. WEBB, Alba, Pa. jan27m6.

Thus lovely was this infant's dawn,
Thus swiftly fled its life away.

It died ere its expanding soul
Had ever burnt with wrong desire,
Had ever spurned at Heaven's control,
Or ever quenched its sacred fire.

It died to sin, it died to cares,
But for a moment felt the rod,
O, mourner, such, the Lord declares,
Such are the children of our God."
