

"Cap' Weinberger's Judgement Day Nightmare"

Anit-peace is war
 Warmonger
 An excuse for war is a rationalization
 Hypocrat
 Says one thing and does another
 Two-faced
 Have something to hide
 Liars
 What is the real reason for war
 Puppets
 Only do what their told
 Robots
 Slave to information holder
 Ignorance
 Why hate the people of the Soviet Union
 Some say they know
 No one will tell me
 Am I a slave to their knowledge
 Is their knowledge insecure
 Insecurity, confusion
 Confusion, disorganization
 Chaos, war
 Peace is secure
 Why war
 There is no excuse for war
 Why peace
 Why not?

-John Burd

Civilized Man

I can not see the forest through the trees.
 I am above the forest of which I percieve.
 I'm so high I can barely see the ground.
 The stars seem so much easier to see.
 Mathematics no longer matter to me.
 Earth my home I feel being destroyed.
 Bull dozers and tankers look like Tonka toys.
 I feel all alone left to defend The village whose reckoning we'll all attend.
 All alone in the search for clean air We re-elect the man who helped put it there.
 Congress, listen to the man with gold
 The Earth is not his lone abode.
 The Indian way we kill with our rain's tears
 We've ridiculed their way for 2,000 years.
 Society defends the need for change
 No forethought, doubt we all have brains.
 Their lack of change should point towards our bind
 And pardon them for getting it right the first time.

-John Burd

This year the American Poetry Association is holding a contest for all individual poets. No more than five poems can be sent and they must be shorter than twenty lines each. Judging ill be based on originality and sincerity. Every poem is also considered for publication. All poems must be postmarked by December 31st in order to be eligible to win. Prizes ill be awarded by February 28, 1989.

Please send your work to:
