FAIRBANKS' PLATFORM SCALES.

THE undersigned having been appointed exclusive Agents for the sale of these celebrated SCALES, manufactured by the original inventors, E. & T. FAIRBANKS & CO., respectfully invite the attention of the business community to the superiority of these Scales over all others.
These Scales have been subjected to the SEVEREST TESTS on all the principal Railroads in the United States and England, and in every branch of business throughout the world, and their uniform accuracy and great durability have gained for them the reputation of being THE STANDARD FROM WHICH THERE CAN BE NO APPEAL.
We are prepared to fill orders for Counter, Portable, Dormant, Rolling Mill, Hay, Coal, Railroad and Canal Scales, at MANUFACTURERS' PRICES. HUSSEY & WELLS,

REASONS for buying at home in place of at from Tree Peddars:
1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (Oil class) 12½ that they charged 17 for. Peach at 12½ that they charged 25 for, and other things in proportion.
2d. You can have them planted a few hours after they are taken up, while the peddars' trees have weary hours to pass on canals and at railroad depots before they reach the planters.
3d. If mistakes occur a proprietor is still about to correct them, but a pedlar, where is he?

With the Screw Steamers MINERAL ROCK, and GEN. TAYLOR, making THREE BOATS leaving Cleveland every week during the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public being acknowledged in point of speed, accommodations, and appointments, unsurpassed. The "IRON CITY" comes out completely renovated; her Cabin being extended her full length, giving her first class Passenger accommodations; while her Freighting facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are admirable.

For a Pleasure Trip, the Upper Lakes are becoming each succeeding season more popular; none affording the tourist, seeking either business, health or pleasure, so many attractions. Leaving Cleveland, the traveller passes over Lake Erie, through the beautiful rivers Detroit, St. Clair and St. Mary's, over Lake St. Clair, Huron and Superior; passing the Island of Mackinac, and the picturesque Islands of Manquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and Superior City, with many other localities of interest; giving the scientific and money seeking enterprising opportunities for visiting the Copper and Iron Mines—the seekers of health, for sport and pleasure, and attractive scenery; and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured at the office.

GAS FROM ROSIN OIL.
OR OTHER
FATTY FLUID MATERIAL.
THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of illuminating Gas. Many Gas Companies use Rosin Oil, in order to supply their customers with a Superior Quality of Gas.
ROSIN OIL is entirely free from all dross and refuse substances, and yields at once the Brilliant illuminating Gas.
The greater original cost of the apparatus for the manufacture of Gas from Rosin Oil, with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and acrimonious gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.
B. COATES, 276 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.
Perfect satisfaction to the purchaser guaranteed in every case. For further information address
B. COATES, 276 Broadway, New York;

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, and perfect, which medical science can afford. AYER'S CHERRY PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do no more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing which men have known before. By removing the obstructions of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor, health returns once more through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce but little effect. This is the perfection of medicine. It is a sugar-coated preparation, so that children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.
Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. Hence been described inside and out with every potion which ingenuity could suggest. Give him these pills, and mark the effect; see the scale fall from his body; see the new, fair skin that has grown under them; see the healthy tint is clean. Give them to him whose angry humors have planted rheumatism in his joints and body; see him and he screwches with pain; he too has been scaled through every muscle of his body with liniments and salves; give him these Pills to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him. Give them to the lean, sour, haggard dyspeptic, whose gnawing stomach has long sate edes every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away; want of exercise or mental anguish, or some lurking disease, has deranged the internal organs of digestion, and stimulation or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these Pills to stimulate the vital principal into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood. Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and cars, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Say, are they not the marvel of this age—And yet they are done around you every day.
Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sickness, Heartburn, Foul Stomach, Nausea, Pain in the Bowels, Flatulency, Loss of Appetite, Kings' Evil, Neuralgia, Gout and kindred complaints all arise from the disarrangements which these Pills rapidly cure. Take them perseveringly, and under the council of a good Physician if you can; if not, take them judiciously by such advice as we give you, and the distressing, dangerous diseases they cure, which affect so many millions of the human race, are cast into the devils of old—they must burrow in the brutes and in the sea. Price 25 cents per box—5 boxes for $1.
Through a trial of many years and through every nation of civilized men, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid have been restored to their friends and acquaintance, apparently from the grave. Prepared by this all-powerful antidote to disease of the lungs and throat. Have a cold hard settled on the lungs. The dry, hacking cough, the glassy eye, and the pale thin features of him who was lately lusty and strong, whisper to all but him Consumption. He tries everything, but the disease is gnawing at his vitals, and shows its fatal symptoms more and more over all his frame. He is taking the Cherry Pectoral now; it has stopped his cough and made his breathing easy, his step is sound at night; his appetite returns, and with it his strength. The dark which pierced his sides is broken—Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have made the Cherry Pectoral an imperishable renown. But its usefulness does not end here. Nay, it accomplishes more by prevention than cure. The countless colds and slight coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Bronchitis, Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easily cured by the Cherry Pectoral, if taken in season—Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which carries off its parent sheep from many a flock, the darling lamb from many a home.
Authenticated evidence of these facts, with directions for the treatment of each complaint, may be found in Ayer's American Almanac, of which we publish three millions, and scatter them broadcast over the earth, in order that the sick everywhere may have before them the information it contains. Druggists and dealers in medicine generally have them for distribution gratis, and also for sale these remedies, prepared by DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a *Cathartic*, *relief*, *milder*, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, then accomplishing, two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses, will strengthen and build it up with astonishing rapidity.
The Liver is one of the principal regulators of
