He'll Do.—The Rochester Republican tells of a man who came to market to dispose of his cattle, which naturally led to conversation on the very common theme of "hard times". "Yes," said the cattle seller with an air of peevish positiveness, "times are hard, and this is a hard world, and in my opinion very few will get out of it alive."

BALDNESS AND LOSS OF HAIR is caused by a want of healthy action in the vessels which throw off the perspiration from the head. When these vessels are weak and diseased, the perspiration is thick and clammy, and adheres to the mouths of the pores, and clogs them up, and dries and forms scurf and dandruff. Less blood is then carried to the roots of the hair, and for want of which the hair has not sufficient nourishment, and consequently becomes dry and harsh, and begins insensibly to fall off, which, continuing to increase, eventually produces baldness. Restore the capillary vessels of the head to their former healthy circulation, and fine silky *new hair* will make its appearance, which will increase in quantity and volume, until the hair becomes thick and healthy.

Jayne's Hair Tonic is the only preparation that has been known to produce *new hair on bald heads*, which it has done in innumerable instances, and will seldom fail if properly and perseveringly used.

JAYNE'S EXPECTORANT.—This medicine has already proved itself to be all that it has been recommended, by those who have given it a fair test in this country, and the demand for it increases daily. We have just heard of an important cure of Asthma, which has been effected by the use of it in a neighboring town—the case was that of a female, who had for a long time been under the care of a physician, but had received no relief, and her case was considered hopeless. As a last resort she purchased a bottle of Dr. Jayne's Expectorant, which caused her to expectorate freely, gradually eased her cough, and rapidly restored her to health. We have no hesitation in saying, that this preparation of Dr. Jayne, for the cure of Coughs, Colds, Influenza, Asthma, Consumption, &c., is the most valuable medicine ever offered to the American public. There is no quackery about it—Dr. Jayne is one of the most skilful practising physicians in Pennsylvania, and wherever his various preparations have been thoroughly tested, he is looked upon as a great public benefactor.—*Somerset (Maine) Journal.*

WHIG ALMANAC'S for 1846, just received and for sale by MERCURS'

TOWANDA MERCHANTS vs. THE SAVINGS BANK.

THIS action was brought for "downright murder," against the Cashier & Co. of the Towanda Savings Bank, for selling goods too cheap, and thereby bringing leanness upon the "Merchant Princes" of the borough. But, with all their vaunted sayings, hired witnesses and combinations, together with the principal evidence admitted by us—(that goods were sold cheaper at Flynt & Co.'s than any other establishment)—we have at last come off with our "capital increased," and obtained a signal victory over these would-be 'law' and order' combinations, and carried dismay even into the enemy's camp. In addition to our former stock o Fall Goods, we have just received

Another Ark Load of Goods,

which will be disposed of as liberally as heretofore.—Therefore we have to record the

SIXTH PROOFS,

That George E. Flynt & Co. cannot be put down.

☞ *Look for the Savings Bank.* dec3.

NO. 3 CAN'T BE OUTDONE!

THE undersigned are under many and deep obligations to their numerous friends for the very liberal patronage they have received, for which we tender you many thanks; and we have no doubt of a continuance of your "*smiles and favors*," so long as we continue to sell goods cheaper than any store within 100 miles of us.

We now have the pleasure of informing our friends and customers and the public generally that we are receiving direct from N. York, a larger and better assortment of Goods, that we, or any other merchants ever brought to this market, consisting of

Dry Goods & Groceries,	*Glass & Nails,*
Crockery & Hardware,	*Iron & Salt,*
Drugs & Medicines,	*Leather & Fish,*
Dye Woods & Dye Stuffs,	*Boots & Shoes, &c.*

We gave notice in our last advertisement that "we had Henry Shelden & Co., floored—" since which time some of our neighbors have been firing their *little pop guns* at us, but *its of no use*—men who have stood at the cannon's mouth as long as we have, cannot be frightened by such small trash.

We can assure our worthy neighbors who have fallen so deeply in love with the terms "*bluff*" and "*bluffing,*" that it is our intention so long as we remain in business to always have a FLUSH of Goods, and after the gross attempt made in 1842 to prevent our buying, we are not so green as to go to the city without a FULL HAND, which in addition to the experience of one of our firm in the city trade (having been for some time a clerk in N. York city,) enables us to buy goods cheaper than merchants generally from the country can.

So just come on; all ye who want to buy cheap for CASH; call at no. 3, stake "*the ready*" at us and you "*are caught*—" or if you have a load of produce "*give us the wink*" and we are *into you.*

For more particulars look along through the paper.

Towanda, Nov. 25, 1845.

Oh Gosh! What Proverbs!!

Try it again Master G.,
You may wake up old no. 3.

It has long since ceased to be necessary.

For no. 3 to say they have the largest and best stock of Goods in Towanda, for that has long been "A Proverb."

It has long since ceased to be necessary.

For no. 3 to say they buy goods for cash and buy them 10 per cent cheaper than most of their neighbors, for that too has long been "A Proverb."

It has long since ceased to be necessary.

For no. 3 to say they *are selling* and *will sell* goods cheaper than any establishment in Towanda, for that too has long been "A Proverb."

It never has been necessary.

For no. 3 to say they would sell goods for "12½ *per cent profit*—" for we can do that and then sell at a price less than many of our neighbors pay for the same goods in the city—and that too has long been "A Proverb."

We trust that it never will be necessary.

For no. 3 to boast of "*ruining*" any body by selling goods cheap either in "*Brick Row*" or *Wood Row*—we sell goods cheap to benefit community and not to ruin them, this too has also long been "A Proverb."

It is no whisper—

But in the mouth of every body, even the little boys in the streets proclaim it *aloud*, that no. 3 are selling "*better goods and more of them*" than any other establishment in Town,—wonder how long since some of our neighbors found out this was "A Proverb!"

THERE IS A WAY TO TEST THE ABOVE:

Just continue your old practices, drop in at no 3 before you buy, where no charge is made for exhibiting goods.

THE LATEST NEWS.

FOR PUBLIC INTEREST!!

H. MIX AND SON

TAKE preceding great pleasure in announcing to the public that they commence the FALL & WINTER GOODS, consisting of

DRY-GOODS, GROCERIES, HARDWARE, CROCKERY,

Boots, Shoes, Iron, Nails, Salt, Fish, Leather &c. &c.

Is in market, opened, and ready for their numerous customers, *and will be sold cheaper for Cash, than can be bought at any other establishment in town.* We do not say this for the purpose of decoying customers into our store, (as is the practice with some of our neighbors,) but merely that the citizens of Bradford County may know best where to buy goods to their interest.

It is gratifying for us to know that we have enjoyed some of the "smiles and favors" of a generous public for a number of years, and we will by no means make assertions that we cannot, and do not, intend to fulfil, least we might, like some of our neighbors, receive their frowns. But we wish every man, woman and child to know the fact, that we will sell our entire stock of New and Fashionable Goods, at the extreme low rate of 12½ per cent. above cost and transportation!

Towanda, October 27, 1845.

THE TOWANDA SAVINGS BANK!

GEORGE E. FLYNT & CO.

Are again in the Field with fifteen thousand dollars worth of the cheapest and most desirable stock of Goods ever brought into Bradford County!

THE Cashier & Co. of the *TOWANDA SAVINGS BANK*, tender their sincere thanks for the very liberal patronage heretofore secured, and trust by strict attention to business, and selling goods cheaper than any other establishment, to merit a continuance of their smiles and favors. Our stock of goods consists of every known variety and style of *Dry Goods*, from the first auction houses in the city of New York, and selected with great care expressly for this meridian. Also a large selection of

Family Groceries, Shelf Hardware, Crockery, Boots & Shoes,

Hollow Ware, Iron, Nails, Steel,

and an unusual quantity of *HABERDASHERY*. In make our stock of useful and ornamental complete. Our stock of goods were purchased for cash, and for cash will be sold so cheap as at *Binghamton, Elmira or Owego*, and decidedly cheaper than any establishment in Towanda. Time and space will not allow us to enumerate the many new, rich and desirable goods, but will be shown to all who favor the Cash Store a call, with pleasure.

REMEMBER and call one door below Tracy & Moore, where the "pay down" system is in full force, and as a consequence, are not overcharged with delinquencies in the Credit system, or additions made to support the Lumber trade. "One price, and no deviation is the true system."

☞ A call is solicited, before purchasing elsewhere, at *No. 5, south end, Brick Row.*
