GAS FROM ROSIN OIL ON CHEAP.

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufactured Illuminating Gas. Many Gas Companies use Rosin with coal in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all gross and refuse substances, and yields at once, its brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

PATENT MEDICINES

And everything appertaining to the Drug Business.

Those in want of Pure and Genuine Articles, will do well to give us a call. We guarantee to sell as low as can be bought in this or other markets, and warrant everything to give satisfaction.

We are the sole Proprietors and only Manufacturers of

B. L. FAHNESTOCK'S VERMIFUGE,
AND
DR. R. A. WILSON'S
Tonic, Cathartic and Anti-Dyspeptic
PILLS.

The best cure for worms, either in children or adults, ever offered to the public is undoubtedly the Vermifuge, prepared by B. L. Fahnestock. Thirty years experience in this line of medicine has given a sure guarantee that this is an article every way worthy of confidence. As a cure for worms it claims to be *unequalled*, and as a merchantable article it is prepared and sold as B. L. Fahnestock's and no other, as the proprietors do not wish to have it confounded with any other article of Vermifuge now in the market.

WILSON'S PILLS have had a more local existence for over twenty years, unsupported by advertising of any kind, and held at double the price of what they are now sold at, yet with all those disadvantages wherever used they have in no instance failed to render the utmost satisfaction in performing all the purposes of a *valuable family medicine*, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa., says:

WASHINGTON, January 5, 1858.

Dr. R. A. Wilson, Pittsburgh, Pa.—I have been using your Anti Dyspeptic Pills, when occasion required, for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and bowels; they have never failed to relieve me from headache, and have always left my system in better condition than they found it. I must confidently commend your pills as a safe and highly valuable medicine.

Yours, respectfully, WILLIAM HOPKINS.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will scour the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst cases of erysipelas.

One to two bottles are warranted to cure all humors of the eye.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted to follow the proper quantity to be taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no its and ifs, humor he's about the smiling some cases and not yours. He has over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has a manly face and never disappoints the sick. In one instance, I gave it to children over a year old: to old people of sixty. I have seen poor, puny, wormy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those whose are subject to a sick headache, one bottle will always cure it. It has proved relief to catarrh and dizziness. Some who have been routine for years, have taken and been regulated by it. Where the body is sound it works quietly, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extraordinary testimonies of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adults, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, teaspoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance to the cases of females. Consultation free. Sold by the proprietor, No. 25 Kneeland st., Boston, and by druggists, to whom application should be made for agencies. Sold in Pittsburgh by R. S. Cochran, 69 Market st., and by druggists everywhere.
