COMMERCIAL WORKS.

NEW ESTABLISHMENT:

THE subscribers have commenced the FOUNDRY business at the *old stand* formerly occupied as a Chair and Bedstead Factory in the Borough of Towanda, where we will hold ourselves in readiness to attend to the wants of any, and all persons who may favor us with a call. We hope by strict attention to business to merit a share of Public patronage.

We are fitting up a MACHINE SHOP connected with the Furnace, where we hope to be able to do any and all kinds of *finishing and fitting up &c.* We will endeavor at all times to keep a good assortment of work on hand so that customers may be accommodated on the shortest notice,

HAVING taken pains to secure the services of experienced workmen from the state of N. Y., we flatter ourselves we shall be able to turn off work in a workmanlike manner and as good as can be done in any other establishment.

We shall also be prepared for the manufacture of stoves by the quantity and will keep constantly on hand a few select patterns for retail.

The subscribers invite all persons who may be in want of any thing in our line to give us a call and we guarantee they will not go away dissatisfied.

Saw Mill Rods or Parallel slides, Mill cranks, gudgeons &c., kept constantly on hand.

Also plows of the most approved patterns and Plow Points by the piece or quantity to suit purchasers, as low as can be procured at any other establishment.

Cultivators of the most approved patterns, also a superior article of Corn Plow, for sale by

STOVE, HARDWARE, TIN, Sheet Iron and Copper Store.

D. C. HALL having made large additions to his stock, invites the attention of the citizens of Northeastern Pennsylvania to his assortment.

In the *Hardware Department*, I challenge "the world" and "all the rest of mankind," (not forgetting any establishment in Towanda,) to sell as cheap as I can, shall and will.

The stock of Hardware consists of every article usually kept in a Hardware store—among which may be found Iron, Nails, Zinc, Tin, Sheet iron, manure and hay Forks, shovels and spades, blacksmith's bellows, anvils and vices, screw plates, steel springs, mill, X cut circular and pocket saws, chisels, augurs, log chains, hooks and hinges, shovels and tongs, butt and screws, locks and locks waggon-boxes, stake-ropes, well and cistern pumps, Lead Pipes, of all sizes, any quantity of *Carpenters and Joiner's tools, all kinds of Saddlery* Hardware, House Trimmings, of all kinds and at all prices in fact every thing that any body ever saw in a Hardware store, or can reasonably expect ever to see.

In the *Store Department*, I have—oh! there's no use in trying to tell all—but I have Baneboxs stoves, keystone patent, radiator, parlor, cannon, six plate, air plate stoves air tight stoves, Buckeye hot air oven with rotary top, premium stoves from No. 1 to No. 6, central N. Y. stoves, Republican stoves, Albany city stoves, Stewarts air tight stoves, tough andready stoves *air tight complete, in fact all kinds and sizes of stove* if not more.

I also have, and intend to keep on hand, any quantity of Russia and American stove pipe. A general assortment of Brass, Copper and Tin ware, from a big brass kettle down to a small tin pepper box.

All kinds of tin, copper and sheet iron ware manufactured to order, and every article warranted to give satisfaction.

The place of business is on the Public Square on Pine street, in Montanye's New Brick Block, the store running through from the Square to Pine street. As to people's finding it, we have no fears, for of course every body who wants to buy cheap will inquire for Hall's establishment.

☞ No credit given over four months.

Towanda, August 14, 1850.

Valuable Steam Mill & Land for Sale.

THE subscribers offer at private sale, ONE HUNDRED ACRES OF LAND, well timbered, situate in the township of Smithfield, about four miles *from the Susquehanna river.* Upon said land is erected a large and new STEAM SAW MILL, capable of manufacturing 1,000,000 feet of Lumber per year. The lot is surrounded by other well timbered lands, so that the mill can easily be supplied with timber for many years. The mill is in good running condition, and presents every facility for the cheap and rapid manufacture of lumber, and would be a safe and profitable investment of capital. A portion only of the payment would be required at the time of sale.

For further particulars apply to the subscribers upon the premises. P. & F. S. AYRES & CO.

Smithfield, Sept. 6, 1850.
