MISS WILLIAMS, a Foreign Missionary of the Presbyterian Church, addressed the ladies of the First Presbyterian Church in this place on Wednesday afternoon last.

THE man who don't advertise is like the boy who took green corn to market in a bag, and when any person asked what he had to sell, he told them "it was none of their business."

A. S. MCDONALD has disposed of his Tobacco and Fruit store to W. R. SMALLEY. We understand MAC will return to New York. During his stay in Towanda he has made many friends.

TEMPERANCE MEETINGS. — Messrs. HARRIS and ALLEN will address meetings as follows:—

Overton—Sunday, August 26, at 2 P.M., in the M. E. Church.

A LOT of rowdies were making a disturbance on the street in Athens the other evening, when Constable SINSABAUGH interfered to quiet them. One of the men assaulted him with a stone or weight, inflicting a painful wound on the head.

Two Bradford county officers of the regular army are stationed in the coal region. We refer to Lieut. J. M. CALIFF, brother of JOHN N. CALIFF, of this place, and Lieut. C. B. SATTERLEE, son of JOHN F. SATTERLEE, of Monroe.

SHEPARD & Co., our wholesale grain and flour dealers, have shown us a sample of the "California Prize Wheat," grown in Western New York. The kernels are large and plump. We would advise our farmers to procure some of this variety for seed this fall.

DON'T purchase blanks, bill-heads, or letter-heads until you satisfy yourself how much better they are put up in "Hadder's Patent Tablets." We have the exclusive right to use this useful invention in Bradford and Sullivan counties. Call and examine samples.

C. A. CARPENTER, of Windham township, has left at this office a sample of oats taken from his field. The stalks are about five and a half feet tall, and the heads average from 130 to 140 kernels each. The variety is known as the "English Side Oats," and yield about fifty bushels to the acre.

POSTMASTER BARDWELL, of Tunkhannock has taken out letters patent for his post-office stamp-handle. The improvement has been used in many large offices, and is highly approved by all. With this handle the work can be performed much easier and more rapidly than with the old. Every Post-Office should have it.

REV. G. L. PAINE.

THE visit of Lit-ta Band to Troy proved to be a most enjoyable affair. We are informed by those who were present on the occasion that the Lit-tas never played better, and the Trojans vied with each other in honoring their distinguished guests. They accepted invitations to several of the hospitable mansions of Troy, and received a cordial welcome.

THE quaint old church just west of Burlington Boro' was built in 1822, and is perhaps the oldest church building in Northern Pennsylvania. The congregation worshipping in it commemorated its semi-centennial, and now hold memorial services annually within its walls, at which many pleasant recollections are recounted.

A WRITER says: "There is no sin that doth more deface God's image than drunkenness. It disguiseth a person and doth even unman him. It gives him the throat of a fish, the belly of a swine, and the head of an ass. Drunkenness is the shame of nature, the extinguisher of reason, the shipwreck of chastity and the murderer of conscience."

THE Sullivan county *Democrat* compliments one of our professional men in this marked manner:

"Dr. KELLY, the Dentist, returned to Towanda Saturday evening. The doctor put in a very busy week and accomplished much work. The people patronize Dr. KELLY in preference to any dentist that comes to Laporte; he has been practicing here so long that his work shows for itself."

AS REV. S. BARNER, of Sheshequin, accompanied by his daughter and Miss GILLETT, were returning home from camp-meeting on Saturday evening, while crossing the railroad track on the approach to Blackman's Ferry, the buggy was upset and badly damaged. The horse became frightened and ran away. Mr. B. was quite seriously injured, but the ladies escaped with slight bruises.

OUR old friend, MIKE HANLEY, of Pittston, has been up here and carried off a Bradford county lass. MIKE was always a fellow of good taste, and in selecting Miss JULIA FOYLE, of Herrick, for a life companion, has displayed his usual good sense and excellent judgment. We extend to Mr. and Mrs. HANLEY our congratulations, coupled with best wishes for a long, prosperous and happy life.

MEANS MAGILL, the obliging, polite and trusty messenger of the W. U. Telegraph Company, for the past two years, was last week presented by his father with an elegant hack and a fine pair of horses, harness, etc. We cheerfully commend MEANS to the patronage of the people of Towanda. Those who have had business with the telegraph office during his employment there, will need no assurance as to his punctuality or courteousness.

The parties mentioned in the following item are the father and mother of Mrs. F. D. HOSKINS, and have acquaintances in this county:

"A very serious runaway occurred to Hon. T. E. FRANKLIN, of West Earl township, Lancaster county, on Thursday. Mr. FRANKLIN had just handed his wife into his phaeton, and was getting in himself, when the horse started off on a run. He was just between the wheels, and was knocked down and severely bruised. The horse ran on, and collided the vehicle with a tree. Mrs. FRANKLIN had a rib and collar bone broken, and received very serious injuries on the head.

SUDDEN DEATH.—EDWIN R. BECKWITH, a prominent citizen of Ridgebury, this county, died suddenly of heart disease, at his residence, on Monday evening, aged 56. The deceased was well known in this section, having resided in this county for many years. On Sunday last he was in his usual health, attended the funeral of his cousin, the late John BECKWITH, and even up to Monday afterwards he was apparently well. During the night he suddenly partially arose in bed, and fell back dead. He leaves a wife and three children.

ED. REPORTER: MRS. ZILPHA CRANMER, wife of NATHAN CRANMER, Esq., of Monroe, has been recently relieved of a most painful affliction, in a quite scientific and successful manner. The ancle of the left limb was distorted into an acute angle, the foot being nearly inverted and the toes turned squarely in toward the other foot, and held in this position for the past eight months. The left arm at the wrist was equally distorted and painful, and all the result of disease. About a week since, the distortions were relieved, and the dislocations reduced without a surgical operation, through the science and skill of Dr. W. C. HULL, of Monroe. The patient is doing finely.

TO THE FARMERS OF BRADFORD COUNTY.—The undersigned committee of the Bradford County Agricultural Society, whose duty it was to arrange the premiums for the Fair of 1877, regret that the premium on Grade and Native Bulls was omitted in the list published in pamphlet form. We take this opportunity to say to exhibitors that the premium will be the same on Grade and Native Bulls as on Thoroughbreds under the rules.

STRUCK OIL.—It affords us real pleasure to chronicle the good fortune of a young gentleman of this place, in the new Bradford oil region. About a year and a half ago, JOHN VALLILEE, son of Mr. VALLILEE, janitor at the Court House, learning something of the excitement over the discovery of oil in McKean county, went thither to seek employment. In March last Mr. V. and three other gentlemen leased a piece of ground and commenced boring. In due time they succeeded in "striking oil," and now have a sixty-barrel well. The company will put down other wells. We congratulate Mr. VALLILEE on his good fortune in finding himself so suddenly a wealthy man, and commend his good sense in not permitting his sudden change of fortune to spoil him.

THE Graded School commences next Monday, August 27th. Every pupil should be present at the opening.

THE public are cordially invited to attend a free lecture by J. H. FRENCH, LL. D. under the auspices of the Bradford County Teachers' Association, at the Court House, this (Wednesday) evening.

It is our painful duty to announce the death of Hon. T. B. STREETER. He died at his residence in Montrose on Sunday last. For some weeks prior to the sad event, the Judge was satisfied the end was rapidly approaching, and prepared for it by resigning the Judgeship and arranging his business affairs. We have not the data on which to make any extensive obituary. When one is prepared we shall publish it. The deceased was 58 years old. His funeral was attended on Tuesday by Judges MORROW and RUSSELL, and several other gentleman from this county.

LOCAL ITEMS.—We are always pleased to receive items of interest from the different sections of the county, and endeavor to reciprocate such favors. The following letter from a reader, enclosing a local item, may provoke some one to go and do likewise:

RIDGBURY, Pa., August 15, 1877.

S. W. ALVORD — *Dear Sir:* For the first time in my life I build an article for publication in your paper, which you may print if you think it worthy. The meeting to which I refer was a very interesting one, and I thought perhaps as you are interested in the temperance movement, it might prove acceptable.

At Bentley Creek, on Monday evening, August 13, a large meeting of Hope Lodge, No. 1,098, I. O. G. T., listened with profound attention to an address delivered by JOHN LORTON, on the subject of temperance. He is an able and interesting speaker, and gave good satisfaction. Good music was furnished by the Lodge, and they all seemed to feel that it "was good for them to be there." Mr. LORTON is on his way to Tioga county, to deliver a series of lectures. Our best wishes are with him. SAMUEL J.

PERSONAL.—JAMES H. HAWES, of Monroeton, has returned to his home from a tour in Europe. We regret to learn that Mr. H. did not experience all the benefit he anticipated from the trip.

—Editor KEELER, of the Owego *Record*, and wife are at Minnequa.

—MRS. G. H. WATKINS and Miss IRENE MASON are visiting friends in Montrose.

—MRS. G. H. WATKINS and Master GUY WATKINS, who have been visiting at Judge INGHAM's, in Laporte, for several weeks, have returned to this place.

—MRS. M. A. SHAW and daughter are sojourning at the popular and delightful summer resort, the Fountain House, Staterville, N. Y.

—MRS. MYRON SMITH, of East Towanda, suffered quite a serious injury by falling down stairs a few days since. She is now improving, however, under the careful nursing of her mother, MRS. L. H. SCOTT.

—J. H. WILHELM, the Paymaster of the L. V. R. R. Co., was in town a day or two last week, the guest of JOHN M. RAHM. Mr. W. has been in the employ of the road for many years, a fact which affords the strongest evidence of his efficiency and fidelity.

—Col. R. A. PACKER, of Sayre, purchased of Mr. HENRY LUCKEY, of Ulysses, last week a very handsome coal-black mare. The animal is a fine horse and is for the use of his wife, who is said to be an accomplished horsewoman. Several parties in Ithaca were looking at this animal with a view to purchasing, but Col. PACKER was too soon for them.—*Ithaca Democrat.*

BASKET PIC-NIC.—A general invitation is extended to all to participate in this pleasure trip to Eldridge Park, Elmira, on Saturday, Sept. 1, 1877. Let us all go and have a good time for a little money. The tickets will be sold for one dollar the round trip. Children under twelve years half price. The excursion will leave Wysauking at 10:41 A. M. and return at 7 P. M. The sale of tickets will close on Thursday, August 30, at 9 o'clock A. M., in order to give the agents time to notify the committee of the number of tickets sold, so that the committee can procure the required number of cars. The following persons have been appointed to sell tickets under the direction of the committee of Rome Lodge No. 480, I. O. O. F.: Rome, E. M. FROST; Orwell, T. E. GRIDLEY and G. I. BROWN; LeRaysville, L. P. BLACKMAN; Herrick, I. A. PARK; Wysox, D. S. ADAMS and N. L. PARK; Sheshequin, G. W. BLACKMAN and WM. SNYDER; Ulster, HART SHAW; Towanda, M. E. CHURBUCK at Evans & HILDRETH's store; North Orwell, J. O. ALGER; Potterville, A. C. FRISBY; Allis Hollow, G. R. ALLIS; State Road, H. STEVENS and A. F. EDDY; Hollon Hill, Capt. G. W. KILMER; Monroeton, RHINEVAULT & Co.; Shores Hill, WM. M. SHORES; Ghent, G. L. FULLER; Centre Valley, E. S. LENT; Dumptown, S. N. BARNER; Litchfield, A. D. MUNN.

Committee: S. O. ALLEN, Chairman; W. H. SHAW, Sec'y; G. I. BROWN, F. W. TOWNER and A. C. MCCLASLIN.

PIC-NIC.—On Saturday last, the Wysox Sunday-school, P. C. VANGELDER Superintendent, passed a pleasant day in Fleschhut's Grove, adjoining the Fair Grounds. The clerk of the weather was in his kindest of moods, and contrary to expectations in the morning, rolled away the threatening clouds, and a cool and beautiful afternoon was the pleasing realization, allowing a large number to avail themselves of the opportunity to spend the day in a pleasant manner. The procession left the West Wysox School-House at 10 A. M., and reached the grove at 11. The committee, which consisted of all the lady teachers in the school, soon put things in order, and filled the long table with a bountiful supply of "good things" for all present. When dinner was announced, the crowd which had hitherto mingled promiscuously together, collected in a group and marched in file to the table, under the direction of the Superintendent. The committee deserve much credit for their untiring efforts to supply all with the various viands prepared for the occasion. Dinner over, the usual speechies and long talks were laid aside, and all "went in" for enjoyment the best way possible. Some rambled in the grove, others gathered in groups and entertained each other socially, while a large number of the juveniles and "children of a larger growth" enjoyed the various swings previously prepared on the grounds. In fact it was a gala day for the children. We are glad to state, however, that no one was hurt in feelings or person; and on the contrary, all expressed themselves highly elated over the day in the woods.

The committee feel under many obligations to Mr. and Mrs. FLESCHHUT, for their kindness in furnishing many articles of furniture on the above occasion.

ULSTER.—EDITOR REPORTER: As previously announced in the REPORTER, Prof. ALLEN's lecture on "What shall we do to elevate our boys" was presented on Thursday eve, August 16th, to a large, intelligent, and appreciative audience. Prof. ALLEN being Principal of the "State Normal" and the "Orphan School," and having had a ripe experience of almost a lifetime in the education of youth, he was able to handle his subject in a masterly style, worthy of the success and the fame who has attained such an extensive popularity in matters of education. Prof. ALLEN is renovating, refitting, and invigorating the "old Normal" so as to make it attractive to students, and to offer inducements rarely realized. The "Mansfield State Normal School" with a corps of teacher's of marked reputation, with a leader who knows how to plan, organize, and conduct, is destined to become more popular than ever before.

The time is rapidly approaching when teachers qualifications will emanate from the State and not from the *County*, and those who are expecting to be equal to the emergency should embrace the opportunities offered by Normals; the "Normal graduates" will win new laurels, and stand high as teachers of our common schools.

S. S. DEKAY, formerly of North Towanda, is making some valuable improvements upon his new farm at the edge of the village; he has finished a large barn, and has nearly completed a very fine residence. We want a few more such enterprising men; there is plenty of room.

Mr. JOHN MILLS has been appointed Principal of the Mansfield Graded School.

Mrs. FRANK DAYTON and Miss EMMA MILLS are making their new variety store attractive.

Ulster now boasts of three blacksmith shops and greatly reduced prices.

One friend THOMPSON is said to be doing a safe and profitable business in the tin and hardware trade—he is very reasonable.

M. A. FORREST, is now proprietor of the only hotel in operation in Ulster. Mark keeps a good house.

The VanDyke House is now closed for a time.

Croquet is "all the go." Everybody has a set, and from the clicking of balls and music of players, we should judge every set was a good investment—of players.

Plenty of hard times, Irish potatoes and hot weather.

Black bass are popular and every man is a fisherman.

MACCABOY.

Ulster, Pa., August 20, 1877.

Thursday, P. M.,—Dr. D. S. PRATT.
Friday, A. M.,—Rev. CRANMER; P. M.—SWETLAND, HARRIS and ALLEN; evening FRAZIER, SWETLAND. Saturday, A. M.—D. C. DEWITT and FRAZIER; P. M.—INGHAM and Rev. FRENCH; evening—Col. E. SMITH. Sunday, A.
