Michigan Six Per Cent Loan for the Benefit of the Ship Canal Around the Falls of St. Mary.

IN pursuance of an act of the State of Michigan, entitled "an act to provide for the repairing, preservation and operating of the Ship Canal, around the Falls of St. Mary, and to perform the trust respecting the same," approved February 14th, 1859, the undersigned Governor and State Treasurer of said State, hereby give notice that on MONDAY, the 25th day of April next, they will offer for sale to the highest bidder, bonds of the State of Michigan of not less than one thousand dollars each, to the amount of one hundred thousand dollars, for the purpose mentioned in said act, duly executed according to the requirements thereof, the principal redeemable in the city of New York, at the pleasure of the State, twenty years from the first day of July next, and the interest payable half yearly at six per cent per annum in said city. The tolls and income of said Canal, after paying the expense of the care and operating thereof, are by the State pledged and devoted to the redemption of the bonds and the faith of the State is pledged for their payment. Persons wishing to bid for said loan will please address proposals to the undersigned State Treasurer, at Lansing, Michigan, which will be opened by the Governor and himself, at the Exchange Bank, in the city of New York, where the negotiation will be completed. Persons to whom said loan or any part thereof may be awarded, will be required to deposit the amount thereof to the credit of the State Treasurer of the State of Michigan, in such bank as he may designate at the time and place the bonds are delivered. Said act is in the following words:

"An act to provide for the repairing, preservation and operating of the Ship Canal around the Falls of St. Mary, and to perform the trust respecting the same.

WHEREAS, By an act of Congress approved August 26th, 1852, the Congress of the United States granted to the State the right to locate a Ship Canal around the Falls of St. Mary, and also seven hundred and fifty thousand acres of the public lands to aid in the construction of said canal, and,

WHEREAS, The said act was accepted by, and the conditions thereof made obligatory upon this State by an act approved February 5, 1853, and,

WHEREAS, Such canal has been built and accepted by the authorities of this State, is found to meet the requirements of its preservation and usefulness and the due performance of the trust created by said act of Congress, and the assent of this State thereto, therefore,

SECTION 1. *The people of the State of Michigan enact*, That the Governor and State Treasurer, are hereby authorized and directed in the name and behalf of the people of this State to negotiate and contract for a loan or loans not exceeding in all one hundred thousand dollars, redeemable at the pleasure of the State, at any time after the expiration of twenty years, from the first day of July in the year one thousand eight hundred and fifty-nine, on the best and most favorable terms and conditions that in their judgment can be obtained, at an interest not exceeding six per cent per annum, payable half yearly, to be expended and applied solely in making from time to time such repairs upon the locks, gates, and walls thereof, as the Board of Control created by the act entitled "an act to provide for the collection of tolls and for the care, charge and operating of the St. Mary's Falls Ship Canal," approved February 12, 1855, may deem necessary for the preservation and efficient operation of said canal, and the full performance of the trust above recited.

SECTION 2. For the purpose of effecting the loan or loans aforesaid, the Governor and State Treasurer are hereby empowered and directed, after having first advertised for such loan in one of the daily papers in the cities of Detroit, Boston, New York and Pittsburgh, for at least thirty days prior to negotiating said loan, to cause to be made, sealed, and issued, bonds in sums not less than one thousand dollars each, to be signed by the Governor and countersigned by the Secretary of State and State Treasurer, with the great seal of the State affixed thereto, which said bonds shall be drawn in favor of the Auditor General and being endorsed by him shall become transferable and be delivered to the Governor and State Treasurer, and be transferable by them in such form as they may decide, to be redeemable as aforesaid and to bear interest as aforesaid payable on the first days of July and January, in each year, in the city of New York or elsewhere in the United States, should the Governor and State Treasurer find it convenient and advantageous so to contract; and it is hereby declared that it shall be deemed a sufficient execution of said power to borrow, that the Governor and State Treasurer have caused said bonds to be executed and sold; provided that said bonds shall be sold to the highest bidder, but shall not be sold at less than par, and the money arising from said loan or loans shall be paid over to the State Treasurer, and shall constitute a part of the St. Mary's Ship Canal fund, to be applied and used for the above named purposes and for no other purpose whatever, for which application of such moneys the faith of the State is hereby pledged.

SECTION 3. All the tolls and other income from the St. Mary's Falls Ship Canal, after paying the actual and necessary expenses for the care and operating of the same, are hereby pledged and devoted to the payment of said bonds, principal and interest as the same shall fall due, and the State hereby guarantees the payment of the principal and interest of such bonds and each and every of them out of such tolls and income, and pledges the faith of the State for the payment if will unconditionally pay the same without delay.

SECTION 4. All necessary contingent expenses incurred by the Governor and State Treasurer, in carrying out the provisions of this act shall be audited by the Board of State Auditors and paid out of any moneys in the treasury not otherwise appropriated, and be charged against said canal fund, *provided however*, that the State Treasurer shall not as a member of said Board vote in auditing any claim under this section.

SECTION 5. The bonds, the issue of which is authorized by this act shall be numbered and registered in a book to be prepared for that purpose by the Auditor General in his office, which register shall contain the number, amount and when each bond becomes due, the rate of interest, and when and where the interest is payable, and each bond shall contain a copy of the third section of this act.

SECTION 6. This act shall take effect immediately.

President of the Senate.

HENRY A. SHAW,
Speaker of the House of Representatives.
Approved February 14th, 1859.

GAS FROM ROSIN OIL

OR OTHER

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the naphtha, chlorides and other offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

To Dealers in Artificial Flowers, Ostrich Feathers, Fancy Goods, &c.

JOHN C. HENDERSON, SMYTH & CO., have removed their sales rooms to the lofts of 343 BROADWAY, and are ready to exhibit their samples of FRENCH FLOWERS, which exceed in variety any importations yet made, numbering Fifteen Hundred Styles; the largest part made to order for factories in Paris, and patterns confined.

We have also manufactured an extensive variety of AMERICAN FLOWERS, and in this class we have every conceivable quality, style and price of manufactured goods, and the materials for manufacturers.

Our stock of ostrich and Marabout Imported Feathers is large and varied in quality and style, and to meet the wants of the Trade, we have purchased and converted the entire buildings, Nos. 3 Broadway and Greenwich streets, into one Factory and are prepared to produce

ARTIFICIAL FLOWERS
FEATHERS
LACES, RUCHES, &c., &c.,

under the management of Mr. E. V. WILCOX.

Under the management of EDWARD JACKSON, of the late firm of Jackson & Marsh.

Our purpose being the development of the above branches of Home Trade to to their fullest extent, we have imported material and brought over French Artists of Parisian reputation with a staff of assistants which, with the well known efficiency of the management, is a guarantee that the production of our factory will surpass in perfection any goods here-tofore made in America.

The sales department is confined to 343 BROADWAY, and is under the following management:

The French Flower Department,
J. B. SMITH.
Ostrich and Fancy Feathers,
H. CREIGHTON.
French Materials, P. HALE.
Head Dresses, Ornaments, &c.,
