BRADFORD HOUSE!

J. B. GROSS,

RESPECTFULLY informs the public that he has taken the large and commodious house formerly known as the "Ward House," where he is now ready to accommodate those who may give him a call. He is determined by assiduous attention to the comfort of his guests, and by catering to their appetites in a proper manner, to merit the patronage of the public.

The house being one of largest and most convenient in Northern Pennsylvania, with every convenience of Stabling, &c., attached, it is believed that general satisfaction can be given. Towanda, Dec. 26, 1850.

THE UNITED STATES' LIFE INSURANCE, ANNUITY AND TRUST COMPANY,

Charter Perpetual. : Cash system : . Capital $250,000

Office No. 28, Merchants' Exchange.

ORGANIZED upon the "mixed principle," Stock and Mutual, which combined features offer to insured members double the usual security. The Cash system of payments has also been adopted, thus avoiding the heavy drawbacks created by unpaid premium notes. The table rates of premium, upon which its policies are being issued, is the only scale experience has proven should be adopted, as affording requisite security to be insured, and an undoubted guarantee for the perpetuity of such institutions. An experimental table may be found worthless, at the very instant a policy should possess its greatest value. Life Insurance, very properly, is arresting the attention of the world. The public however, in their commendable willingness to embrace and employ its wise and salutary provisions, should make ultimate security the primary and most important object, which can only be attained by so adjusting the premiums as to anticipate unexpected losses and fluctuations of every kind. It is the purpose of this company annually to credit, upon the policies of holders and books of the Company, such an amount of profits as shall not affect the stability, or impair the sacredness of its contracts. Premiums may, at the option of the insured, be paid annually, semi annually, or quarterly, in advance. All necessary information, together with blanks, pamphlets, &c., may be obtained gratis, at the office of J. E. CANFIELD, Athens, Pa.
