OVERWHELMING DEMONSTRATION!

100,000 Freemen in Council!

WESTERN PENNSYLVANIA IN A BLAZE!

TERRIBLE OUTPOURING OF THE MASSES!

Yesterday morning opened very cheerlessly. A cold, drizzling rain was falling, and the prospect was everything but encouraging. But between nine and ten o'clock the rain held up, and the country delegations began to pour in in almost endless streams, and it then became apparent that the people of city and country were turning out *en masse* to the Convention.

And so it turned out. Despite the cold, cloudy day, and the general nastiness of the weather, the display was the grandest ever witnessed here, if not the grandest ever witnessed anywhere. We have never seen anything like it. We saw the great displays of 1840 and 1856, both of which were, in their time, unprecedented; but this display overtopped both. Mr. WADE, of Ohio, who has attended many enthusiastic popular gatherings, says it exceeded all he ever before saw, and this was the general testimony of all the gentlemen from abroad who were present. It was not only a success—it was a triumph—a most magnificent, as well as unprecedented display.

The scene on the ground was truly beautiful. The whole of the vast area of the West Common, stretching from Seminary Hill to the Outer depot, was literally alive with people. The immense crowds around the four speaking stands did not seem to lessen the magnitude of the great mass, which could not be reached by the human voice from the places appointed for speaking. There were tens of thousands on the ground who could not get near the speakers.

The weather undoubtedly kept many away, and the unexampled course of Pittsburgh, Fort Wayne and Chicago Railroad in refusing to issue excursion tickets doubtless kept thousands away. Yet it was an unexampled gathering, the recollection of which will never fade from the memory of those who witnessed it.

Speeches were made by Messrs. Corwin and Wade, of Ohio, Campbell and Caldwell, of Va., Armor, of Md., and Curtin, Cowan, McMichael and Coffey, of Pa. For a full report of the procession, which was five miles long, see our local page.

MAINE TO PENNSYLVANIA GREETING.—Maine until the organization of the Republican party was as firmly Democratic as Pennsylvania, but she now gives the Republican ticket a plurality of over 18,000 against the united forces of both wings of the Democracy. We desire to see our brethern of Pennsylvania place the Key Stone State of this Union where we have placed its northern buttress, securely and permanently in the Republican fold; but to do this, they must work as we in Maine have worked, to build up a party seventy thousand strong in an old Democratic State.

There have been two primary causes of the success of the Republicans in Maine, first our principles, broad, national and truly Democratic, in its original sense, the Republican party early and continuously has received accessions from the Democratic ranks. These same principles and same causes are at work in Pennsylvania we know, and we expect to see them produce a result equally as favorably to our cause in that State as in Maid of Bowdoin. Secondly our party *organization* has made this public sentiment of our people available at the polls, for your party at home elector is a cipher politically, as well as numerically. It is to the imperitive importance of a thorough party organization, a thorough personal canvass to which we now desire to call the attention of those having charge of the canvass in Pennsylvania.

Maine's words of greeting to you, if she could say but three words, would be first *organize*, second *organize*, and third *organize*. Trust not to mass meetings, and public assemblages alone, but copy our New England plan of a campaign, not to omit the township and school district canvass, but to let that go quietly on with the other public demonstrations; both have their advantages, both are necessary, and of the two, the private canvass is of more importance than public meetings.

The Republicans of every State now turn their eyes to their brethern of Pennsylvania, and on them rests the high honor of again settling the Presidential election. We can hardly expect them to roll up such a majority as the people's party had in 1858, when they lead in the Congressional vote about 42,000. Last year, on a light vote, the opposition had a plurality of 17,000 to 18,000 for State officers, and if our friends organize thoroughly, we hope to see this majority increased, notwithstanding the two wings of the Democracy are united on the gubernatorial candidate, which they will not be on electors. We repeat, Maine sends greeting to Pennsylvania this message, organize, organize, organize.—*Portl. Adv.*

BREADSTUFFS.—The shingle market is very dull just now, and prices have a declining tendency. This decline is attributed by a great many to the supply being more than equal to the demand, but the real cause may be found in the fact that the demand is not so great as in former years, shingle roofs not being thought of when "Grogan's celebrated Asphalt Roofing Felt" can be obtained. The agent for this excellent material can be found at his office, Laughlin's building, Canal bank, near the city Water Works.

REPUBLICAN Song Books, Nos. 1 and 2; price 10c; Burleigh's Republican Song Books; price 10c; Young Men's Republican Vocalist; price 8c; Wide Awake Vocalist; price 10c; Lives of Lincoln and Hamlin, 12 mo. cloth, $1; paper, 25c; Life of Cleveland's Political Text Book, $1; Life of Lincoln and Douglas; cloth 50 cents; paper 25c; Life of Lincoln and Hamlin; Campaign Songs, per 100, $1; Lithographic portraits of Lincoln and Hamlin.

All campaign documents can be had at Hunt & Minor's, 71 and 73 Fifth street.

☞ WE call the attention of our readers to an article advertised in another column, called BLOOD FOOD. It is an entirely new discovery, and must not be confounded with any of the numerous patent medicines of the day. It is *Food for the Blood*, already prepared for absorption, pleasant to the taste and natural in action, and what one gains, he retains. Let all those, then, who are suffering from poverty, impurity or deficiency of blood, and consequently with some chronic disease or ailment, take of this Blood Food and be restored to health. We notice that our Druggists have received a supply of this article, and one of the world renowned DR. MATON'S INFANTILE CORDIAL, which every mother should have. It contains no paregoric or opiate of any kind whatever, and of course cannot be hurtfulnate for all infantile complaints. It will relieve all pain, and ease the gums in process of teething, and at the same time regulate the bowels. Let all mothers and nurses, who have endured anxious days and sleepless nights, procure a supply, and be at once relieved.

☞ See advertisement. For sale by GEO. H. KEYSER, Agent, 140 Wood st., Pittsburgh, Pa. se17:4d&w3w

☞ ALL should not fail to read the advertisement of *Prof. Wood*, in to-day's paper.

DIED:

On Thursday evening, Sept. 27th, at the residence of her husband, in East Liberty, ANN HAMS, wife of James M. Scott, in the 40th year of her age.

Funeral private to-morrow.

Female Health! Female Health!

Thousands of females suffer from derangements peculiar to the sex. First and most common among these is, FEMALE WEAKNESS, or FLOODING or LEUCORRHŒA, with its constant attendants, LASSITUDE, PROSTRATION, LAME or WEAK BACK, and General DEBILITY. No one can be entirely well who thus suffers, and in hundreds of cases health is utterly or, deranged. Old-School medicines and drugs do but little good—often much injury; but HUMPHREYS' SPECIFIC HOMŒOPATHIC FEMALE PILLS are just the thing, relieving promptly and curing permanently. A dollar's worth will do more good than quarts of nostrums, or six months' attendance on a doctor.

Six boxes for $1; single boxes 25 cts.

N. B.—A full set of HUMPHREY'S HOMŒOPATHIC SPECIFICS with Book of Directions, and twenty different Remedies, in large vials, morocco case, $5; ditto, in plain case, $4; case of fifteen boxes, and Book, $2. Single boxes, 25 cents and 50 cents.

These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Address, Dr. F. HUMPHREYS & CO., No. 562 Broadway, New York.

Sold by J. M. FULTON, Fifth street, second door from the Post Office, Agent for Pittsburgh. se15:d&w1pt

☞ A CARD TO YOUNG LADIES AND GENTLEMEN.—The subscriber will send (*free of charge*) to all who desire it, the Recipe and Directions for making a simple *Vegetable Balm*, that will, in from ten to eight days, remove Pimples, Blotches, Tan, *Freckles*, Sallowness, and all Impurities and Roughness of the Skin, leaving the same—as Nature intended it should be—*soft, clear, smooth and beautiful*. Those desiring the Recipe, with full instructions, directions, and advice, will please call on or address (with return postage,)

DR. SCHENCK, of Philadelphia, will be in Pittsburgh to examine patients afflicted with
DISEASES OF THE
LUNGS,
Liver and Stomach,
ON
MONDAY AND TUESDAY,
Oct. 1st and 2d, at the Drug Store of his agent,
DR. GEO. H. KEYSER, No. 140 Wood street.

DR. SCHENCK'S MEDICINES.

PITTSBURGH CERTIFICATES.

I have been sick now for nearly two years with a cough and liver complaint, and the whole of my breast inside, was completely raw. I first took it with a bad inflammation of the lungs, and I was attended by one of the best Doctors in Pittsburgh, who told me I had inflammation of the lungs. Some time in the early part of March last I called on Dr. Schenck, who was examining patients at Dr. Keyser's Drug Store, 140 Wood street. After he examined me carefully he told me that I had liver complaint, which had settled upon my lungs. My doctor, before I called on Dr. Schenck, told me that my lungs were badly affected. I was wasted very much in flesh, and my strength left me. My appetite was entirely gone, and I had very little hopes of recovery when he examined me. The Doctor told me I would get well if I took his medicines and followed his directions, which I did faithfully until I had taken four bottles of "Pulmonic Syrup," two of "Seaweed Tonic," and a box of "Mandrake Pills," and now I am better than ever I was in my life, and I can weigh ten pounds more than ever I did in my life before, and I can now carry as much weight as any man of my weight and size anywhere. I am entirely recovered from the disease which has broke down my constitution and threatened my life, and I feel under a debt of gratitude to Dr. Schenck for his treatment. I know, besides, quite a number of my acquaintances, who have been cured by Dr. Schenck's medicines, whom I recommended to take them. I always keep the "Mandrake Pills" in my house. They cured my wife of liver complaint when nothing else would help her. Her skin was sallow and she suffered much—she tried various other kinds of pills; but they all did no good, until she took your Mandrake Pills, which have made her a well woman. I am sure that I owe my life and present state of health to Dr. Schenck and his medicines, and I take pleasure in bearing my testimony to their efficacy. I have mentioned many persons for Dr. Schenck's medicines, and they have all been benefitted. I am well known and there are numbers of my neighbors who can bear testimony to my statement. GEORGE WOOD,
Two miles above Pittsburgh, at Hussey's Copper Works.
Signed in the presence of Geo. H. Keyser, 140 Wood street.

ANOTHER CERTIFICATE.

ZANESVILLE, Ohio, March 31, 1860.
Dr. SCHENCK:—I write these lines to inform you that I was in Pittsburgh on February 16th, and bought a bottle of Dr. Schenck's Seaweed Tonic, and when I arrived in Zanesville I commenced using the medicine according to directions, and it has improved my health more than I expected it would in so short a time. I am so well pleased with the "Seaweed Tonic" and "Pulmonic Syrup" that I want you to send me one dozen bottles of "Seaweed Tonic," and one bottle of "Pulmonic Syrup" by express, and I will settle for the carriage of it at the office in Zanesville.
W. ROBERTS, Zanesville, O.

DR. GEO H. KEYSER, 140 Wood street, sole agent for Pittsburgh.

ANOTHER CURE BY DR. SCHENCK

I took bad August—now nearly a year ago—a violent attack of cold, which I contracted by lying on the damp ground on a hunting excursion. I had a dreadful cough and constant pain in my breast, and I expectorated a great deal of tough matter from my lungs and bronchial tubes. I thought I had consumption. I judged the disease from the fact that I had such a hard cough and tightness very bad. I suffered a great deal with pain and dizziness in my head. I called on Dr. Schenck in October last, and he examined my lungs with his respirometer. He told me my bronchial tubes were very much affected, and he prescribed for me his Mandrake Pills, Pulmonic Syrup, and Seaweed Tonic. I took one box of the Pills and two of the Tonic, and four bottles of the Pulmonic Syrup. At this time I am entirely well, and stronger and heavier and stronger than I was before I took the disease.

ANOTHER GREAT CURE—CASE OF NICHOLAS KITZ OF ALLEGHENY CITY.

On the 6th day of last July I took sick with spitting blood and a bad cough; I did not mind it till I spit two or three times; I spit about a teacup full of blood. A week afterwards it returned and I got alarmed, and went to my physician and got medicine from him, which did not do me any good. I then went to another, who told me my lung was diseased, but did not give me much satisfaction about the spitting blood. I heard of Dr. Schenck being in the city on the 23d of July, and was advised to call on him. I called on him at Dr. Keyser's drug store, and he examined my lungs and told me that my right lung was affected, and that the bleeding or spitting of blood came from the lower part of the right lung. Dr Schenck told me to take his Pulmonic Syrup and Mandrake Pills, which I did until I had taken seven bottles of Pulmonic Syrup and one box of Mandrake Pills. I am now well and can attend to my regular business, trunk making. I work at 104 Wood street, and live on Penn street, between First and Second streets, Allegheny City. I give this certificate in order that other persons afflicted may receive the same benefit that I have. You may publish this if you wish. NICHOLAS KITZ.
Pittsburgh, August 28th, 1860.
Such has been the demand for my Syrup, that I have been compelled to resort to the most perfect steam machinery for the disparcing of the herbs and boiling down the syrup, by which the substance can be more readily and perfectly extracted. This process gives a different color to it, rendering it lighter, but stronger in substance. The difference in color may cause many to doubt its genuineness; but my signature always accompanies each bottle, and my agents are publicly announced which renders imposition impossible.
