DENTISTRY.

J. M'INTOSH, DENTIST,

HAVING entered into an arrangement by which he can have BLOCK TEETH furnished to order, informs the public that he is prepared to mount suction plates in this new and improved method,

The great superiority of the block style of mounting plates is at once apparant to those who have for any length of time worn artificial teeth. To those who have yet to be initiated, it is only necessary to say, that in the old method of mounting the plate with a succession of single teeth, it was no unusual thing for a tooth to drop off; by the new method no such accident can take place, the teeth being all connected by each other. In the second place, the plate with block teeth is always clean and sweet, because there is no chance for deposits of food being made, however small, the upper rim being capped, thus effectually precluding even the saliva from making a lodgment, and in the third place, the adaptation of the grinding surface is better fitted for masticatory purposes, the irregularities being made exactly to correspond with those of the teeth of the opposing jaw.

With a properly fitted suction plate, having an air chamber, and mounted with block teeth, a person may crack kickory nuts with impunity,

"And sleep in spite of"—toothache.

VALUABLE PROPERTY FOR SALE.

THE subscriber offers for sale his valuable real estate, situate in Wysox tp., Brad. Co., Pa., consisting of the following:

1. About three and one third acres of land, at Myersburg, with a tavern House, barns, Carriage Manufactory shop and machinery, blacksmith shop and other out buildings thereon erected. There is also upon it an orchard of choice fruit trees. The necessary tools will also be sold with the carriage shop. This property presents a rare opportunity for any active business man to make a profitable investment and carry on a lucrative business.

2. A farm situated on the State road, about one mile from Myersburg, containing seventy-five acres, about thirty acres thereof improved, with a small framed house and a log barn thereon erected, with a small orchard. The farm is well watered and the soil fertile; and it is susceptible of producing large crops.

The property will be sold together or separately, and a reasonable credit given for a portion of the purchase money.

For further particulars inquire of Ulysses Mercur, Esq. of Towanda, or of the subscriber at Myersburg.

CHARLES BENNETT.

VALUABLE FARM FOR SALE.

WISHING to dispose of his property, in Sheshequin township, Bradford county, Pennsylvania, the subscriber offers it for sale upon the most reasonable terms, and invites the attention of those wishing to purchase.

The property contains two hundred and forty-three acres of land, lying along the Susquehanna river, with a large portion of river flats, of the very best quality of grain land, and well adapted for a dairy.

The improvements are a large two story BRICK HOUSE, built last year, and finished in the best style, with brick kitchen and wood house attached. There are also three other Dwelling houses and three Barns, and two large double roofed sheds for stables and cattle.

There are also three ORCHARDS of choice apple trees, and a young Peach orchard of 55 trees, selected with care.

One hundred and eighty-five acres are under improvement, and the balance is covered with timber, such as oak, hickory, yellow pine, &c. &c., all being well supplied with springs of water.

This property was formerly in three farms, and will now be sold to suit purchasers, either whole or separately, and terms of payment made easy. It offers inducements rarely met with, being within 2½ miles of Towanda, (the county seat), opposite the North Branch Canal, 14 miles from the New York and Erie Railroad, and immediately upon the line of the projected North Pennsylvania Railroad. Application may be made to ULYSSES MERCUR, Esq at Towanda, or the subscriber upon the premises.

Jan 2, 1854. JOHN M'MAHON.

☞ If the above property is not sold by the 1st of March next, the Farms will be rented, reserving the privilege of selling.
