GREENE COUNTY.—Some days ago the democrats of this county, undertook to get up a Soldiers' Convention, evidently for the purpose of procuring an endorsement of Mr. Clymer. Notice was given of the meeting in their local newspapers and by handbills. When the day appointed came—which was Saturday last—the Convention assembled in the Court House at Waynesburg. As soon as a Chairman was selected the point of order was raised that none but the supporters of the President's Policy were entitled to take part. This was voted down. Then upon a count of fifteen men withdrew. Resolutions were then passed approving the Congressional plan of Reconstruction, protesting against Mr Clymer; expressing strong preference for Gen. Geary, and reaffirming the action of the Soldiers' State Convention recently held in this city. We are indebted for these particulars to the Waynesburg *Inquirer*.

GOV. CURTIN, of Pennsylvania, has appointed SAMUEL P. BATES, LL.D., to the position of State Historian, in accordance with the act of Assembly of 1865, authorizing the appointment, and appropriation, $5,000 to the work of collecting and writing a complete history of the Pennsylvania regiments in the service of the United States during the rebellion. Mr. BATES is eminently adapted to the performance of this work, and his selection will give general satisfaction. He is a graduate of Brown University, and has served with much efficiency as the Deputy Superintendent of Common Schools of Pennsylvania for the past six years.

CRAWFORD CO.—The Republican County Convention was held on last Tuesday, and the following candidates were put to be nominated: Congress, S. Newton Pettis; Law Judge, H. L. Richmond; Assembly, J. T. Chase, J. Boyd Espy; Prothonotary, W. F. Challaus; Sheriff, F. W. Elsworth; Register and Recorder, D. S. Keep; Clerk of the Courts, O. H. Hollister; Commissioner, Jeremiah Baker; Auditor, Charles S. Kelly; Coroner, A. M. Gorton. The number of votes polled or the positive instructions is not given.

BRIDGEIO.—The Republican County Convention met on last Tuesday, and nominated Wm. H. Koontz for Congress, G. W. Horsehopper for State Senate, John S. Stucker, of Bedford, and John Weller, of Somerset, for Assembly.

A SPLENDID gold headed cane, voted to General Geary at a Farmers's Fair in Lancaster city, was presented to the hero on Monday last.

RHIGOLENE!

The Greatest Discovery of the Age!

BETTER THAN LAUGHING GAS!

There is no longer any necessity for you to go to sleep with the risk of never awakening, for you can now have your teeth extracted and know everything that is going on, and yet not experience the slightest pain. To strange only time, and by calling upon Dr. Quincy A. Scott, and examining his new process, you will be convinced. He gives a full set of artificial teeth, with beautiful gums, for $8, such as other Dentists charge $10 for, and an extra set for $10, while other Dentists charge $20 and a full set for from $120 to $150, which he will guarantee to be better than can be made at any other establishment at any price. He gives Laughing Gas free of charge, in every case, and makes no charge for extracting when artificial teeth are ordered.

N. B.—Other parties have advertised this new agent before they were supplied with the necessary apparatus, but the public are assured that Dr. Scott never advertises anything but what he is prepared to do. Remember the number—278 Penn street, third door above Hand.—*Pittsburgh Post.*

Beautiful Specimens.

The pedestrian on Sixth street is irresistibly attracted to gaze into the art windows of the well known photographer, R. L. Dabbs. At the present time there is open exhibition a number of photographs finished by the artist Wenzel, which, for beauty of execution, are superior to anything ever turned out in this city. One enlarged photograph of a little son of Rev. James Allison is worthy of special attention. It is a master-piece of photographic art. Another, the picture of a little daughter of Mr. Bruno, is the most faithful likeness of an earthly angel we have ever seen. The crowning photograph, however, is that of a young lady of Altoona, Ohio. It is a life-size or cabinet photograph, delicately colored, and as natural as life. There are many other specimens upon exhibition, and the admirer of the beautiful would do well to call and closely examine the many superior works of photographic art in Mr. Dabbs' palatial establishment. He charges but reasonable prices for photographs, and every picture finished at his gallery bears the impress of superiority. His rooms are located at No. 98 St. Clair street.

Hostetter's Stomach Bitters.

MUSHROOM IMITATIONS.—Success is the prevalent cradle of mushroom imitations. No sooner had HOSTETTER'S STOMACH BITTERS made their name in the world than up sprang a host of imitations, and as the fame of the great restorative grew and spread, the pestiferous crop of poisonous mushrooms thickened. But the true medicine has lived them down. One by one they have disappeared. When the billows of public favor which kept above the broke fire of a burnt-out reputation, ceased to blow, and ceased to live, and the fires continued to rage and go. Meanwhile, HOSTETTER'S BITTERS, the great protective and remedial agent of the age, have progressed in popularity and in unending year. Their success is a means of preventing and curing the diseases resulting from malaria, unwholesome water, and an unhealthy climatic influence, are been boundless, and as a remedy for Dyspepsia, Liver Complaint, Fever and Ague, Nervous Weakness and Debility, and all complaints originating in indigestion, they are acknowledged to be superior to any other preparation ever advertised or prescribed. From home market, to which a few years ago they were confined, the demand has been extended to every State in the Union, over the whole of South and Central America, Mexico, the West Indies, the Sandwich Islands, Australia, Cuba and Japan. Home and foreign testimony continues to show that HOSTETTER'S BITTERS are the most remarkable and convincing medicine before the world.
