From the Carlisle Volunteer.

An Outrage by Carlisle Know Nothings.

On Tuesday night last, as the members of the Know Nothing order of this borough were sneaking, with stealthy steps, to their place of meeting (Education Hall,) one of our most respectable German citizens happened to be passing said building, when he was accosted by a half-dozen of cowardly ruffians, who demanded what he wanted? The German, not knowing the character of the men who surrounded him, replied he "wanted nothing," then seeing the hall lit up he inquired what was going on? The Know Nothings who held him a prisoner, made no answer to the inquiry, but asked him, "what is your name, where do you live, what do you follow?" at the same time taking hold of the German by the shoulders. Receiving no satisfactory answer, they shoved him violently from them, ordered him to be gone, and then pelted him with stones. Four times was he struck with stones, once on the head and three times on the body, bruising and injuring him in a very serious manner. The German thus wantonly assaulted is, as we have said, one of our most respectable and industrious citizens, and a member of the Lutheran church of this place. A more peaceable man is not to be found in Carlisle, and the assault was as uncalled for as it was cowardly and devilish. Because this poor man happened to be a German and a Lutheran, (for be it known the Lutherans are as much detested as the Catholics by a full-blooded Know-Nothing,) his life was put in jeopardy. Can villainy or devilishness go farther?

While on this subject, we would just inquire by what authority our School Directors of Carlisle grant the use of Education Hall to these Know Nothings? This building belongs to the people of Carlisle, and we, as a tax-payer, protest against its use for any such unholy and villainous purposes? Are our Directors all Know Nothings, that they grant the use (free of charge, it is said,) of Education Hall to a set of men who skulk through alleys, over fences, and through stables to attend their Tuesday night meetings? No man who is not of the order, is safe to pass that Hall on a Tuesday night, for he is almost sure to be insulted or stoned. We therefore ask our School Directors to abate this nuisance, and if they fail to do it the tax-payers of the town, who own the property, will abate it themselves. They have no notion that a set of men, some of them strolling strangers and gamblers, and but few of them tax-payers, shall take possession of one of the public buildings, to hold their traitorous meetings. Let the Know Nothings meet in Dickinson College, or any other place, but let not old Education Hall be longer polluted by their meetings.

☞A riot occurred at Newark, one day last week, between a "Protestant Association" procession and a number of persons opposed to them, when one man was killed, and a Catholic Church almost demolished by persons belonging to the procession.

☞The Evangelical Lutheran Synod of Ohio and the adjacent States has passed a resolution not to admit to church membership any person belonging to secret societies.
