THE FRIEND OF WOMAN.

E. Clark's Revolving Looper
DOUBLE THREADED
FAMILY SEWING MACHINE

The Revolving Looper is a late improvement on Raymond's Latest Improved.)

Warranted the best in the world for Family Use!

Price Within the Reach of Every Family.

PRICE $35.

Hemmer, Feller, Binder & Tucking guage, combined, $5.

THE reputation of this Machine is now fully established as the *most reliable* Machine in the market for family use, and has been attested too by thousands of the most respectable families in the Union.

This Machine makes the celebrated "Double Lock Stitch," the only one made by machinery that meets all the requirements of Family Sewing. Each stitch is tied twice, so that every one is securely fastened and wholly independent of all the other stitches for strength, so that if the seam is cut or every fourth stitch broken, the sewing must hold good while the fabric will wear. The machinery which makes this stitch is a marvel of simplicity, requiring no mechanical skill to manage it, nor does it require adjustment more than the mere change of thread and needles to adopt it to the character of the work to be sewed—coarse or fine as the case may be. It will sew gauze laces, and all varieties and kinds of fabrics between and including heavy beaver cloth, without changing either needles or thread equally well, and return to either variety of work with perfect satisfaction. No other Machine ever offered to the public will do as much.

A perfect Sewing Machine, one making a stitch answering *all* the requirements of the family, sewing coarse and fine work equally well, was the great desideratum of the home circle, previous to the invention of EDWIN CLARK'S REVOLVING LOOPER. The stitch is beautiful, strong, and elastic, and *will not rip in wear* or in accidental breaking a thread.

Every Machine is warranted to give satisfaction or the money refunded.

The Argus Book bindery
Again in Full Operation!

WE have the gratification of announcing to our friends, customers, and the public, that we are now prepared to do

BOOK BINDING,

in all its Branches in the latest and most approved styles, and on the most favorable terms.

Having secured, permanently, the services of Mr. H. C. WHITEKAR, a finished workman from Philadelphia, and having added extensively to the fixtures of the concern—giving greater facility than formerly—we can present to the public the most positive assurance of our ability to please our patrons.

☞ Customers should be particular to remember that the "Argus Bindery," is in the Argus Building, as formerly, (first building north of the Ward House) and is connected with our Book and Stationery Store and Printing Office, where all work should be delivered.

CAUTION.—We are compelled in justice to ourselves, and our old customers, as well as to prevent an imposition upon the public generally, to caution them against a sort a concern, that falsely holds out to the public that it is the Argus Bindery. This *fraud* is practiced no doubt, with a hope of deluding the Public. Against this bold and deliberate attempt to deceive, they are hereby cautioned.

☞ Particular attention paid to re-Binding. All work guarranted.

☞ Country Produce of all kinds taken in payment for work.

☞ Having made complete arrangements, we are prepared to Rule and Bind BLANK BOOKS to any style or pattern, at prices as low as elsewhere.

Towanda, March 5, 1860. E. A. PARSONS.

BOOK BINDERY.

THE subscriber having withdrawn from the Argus building would respectfully inform the public that he has removed his Plain and Fancy Bindery to the North Room of the Ward House, formerly occupied by the Post Office, where he is now prepared to bind all kinds of Books in the most approved and workmanlike manner.—Having to share my profits with no second person I flatter myself that my prices will meet the satisfaction of the public.

Thankful for the confidence reposed in me and the public appreciation of my work, for the last two years, I shall endeavor in the future to merit the continuance of public support.

Particular attention given to re-binding Books. All work will be warranted. Terms, Cash.

☞ Also, a large assortment of STATIONERY of the best quality, at the lowest prices. Justices' and Constable's BLANKS, of all kinds.

PICTURE FRAMES, round, square and oval; and pictures framed to order, cheaper than ever known here.

JOHANN F. BENDER,
Towanda, Jan. 11, 1860. Bookbinder and Artist.

CAUTION.

"To be, or not to be— hat is the question!
Whether 'tis nobler in the mind to suffer
The slings and arrows of outrageous *opposition*,
Or by taking up arms against a sea of *printing ink*,
And opposing, end them."

THE proprietor of the *Argus* takes occasion in advertising his Bindery to indulge in an uncalled for fling about a "sort of a concern," which is hoping "to delude the public." As I have opened a Bindery on my own account, the inference is that if the public bring their binding to me, they are in no danger of being defrauded. For two years I have worked for Mr. PARSONS, and he has taken great pains to satisfy the public I was the "best Binder in America," as the columns of the *Argus* will testify. Has he been all that time "deluding the public?" If I have been engaged in a fraud, he has been the principal. But I refer to my work during that time as evidence that there has been no fraud practiced.

Having served a long apprenticeship at the Bindery business, I have resumed business here on my own account, as I know of nothing which prevents me from following a legitimate and bawful calling for my support.—I shall endeavor by good work and attention to my business to give public satisfaction.

March 15. JOHANN F. BENDER, Binder.

N. B. Pupils will be classed by the most advanced branch they respectively pursue.

Pupils using scholarships are charged $1 per term for fuel and contingents.

EXTRA EXPENSES:

French	$ 5 00
German	8 00
Drawing	3 00
Board in the Institute, per week, including fuel and light	2 00
Washing, per dozen	38

The Collegiate year is divided into three terms of 14 weeks each. The Anniversary exercises will be held at the close of the Spring term.

No deduction will be made for absence, except in case of protracted illness of over two weeks.

Instrumental Music will not, as heretofore, be taught in the Institution, but by special arrangement—a class will be taught in a hall adjoining the grounds of the Institute, by the Teacher of Vocal Music.

This arrangement has been adopted for the past term, and experience has proved it to be eminently superior to the plan pursued in former years. Special pains will be taken to secure the greatest progress of those wishing to take lessons in this branch. Terms will be as heretofore:

Tuition on Piano Forte, per term	$10 00
Use of instrument for practice	3 00

Pupils boarding in the Hall will furnish their own towels, &c., and the table silver at their option. It is desirable that they also furnish their own bed and bedding when it is convenient, but when otherwise, these will be furnished at a slight charge.

It is strongly recommended that students from abroad should board in the Institution, as better opportunities for advancement in study are thereby secured.

Normal Department—Special exercises are arranged without extra charge for those preparing themselves as Teachers of Common Schools. Prof. C. R. COBURN, the able and well known Superintendent of Common Schools in the county, has kindly consented to organize the Teacher's class, and direct the course to be pursued.

He will also be present to conduct its exercises as often as practicable, and will deliver frequent lectures on the Theory and Practice of Teaching, as also on other subjects connected with Normal training.

Those persons, therefore, intending to engage in teaching for the winter, will find it greatly to their advantage to be present during the Fall term.

Prof. Coburn's connection with the institution is not such as to in any way interfere with the discharge of the regular duties of his office.

No pains will be spared, on the part of the Faculty and Trustees in sustaining the high reputation the institution has hitherto enjoyed, and in rendering it more worthy of future patronage and support.
