Pittsburgh Gazette.

SATURDAY MORNING—MAY 28, 1864.

COMMERCIAL AND FINANCIAL.

PITTSBURGH MARKETS.

[Reported Specially for the Pittsburgh Gazette.]

FRIDAY, May 27, 1864.

GRAIN—Wheat is very firm with a good demand, and the receipts continue light; sales of 300 bushels from wagon at $1,60 for Red and $1,65 for White. Corn is rather dull with considerable offering, and prices are a shade lower; small sales from wharf at $1,37@1,38, and from store at $1,40. Oats less active but unchanged; sale of a car on track at $1,40. Rye none offering.

GROCERIES—There is a slight improvement in the demand for groceries—but the transactions are mostly of an unimportant character. Sales of Sugar at 18 for Cuba; 20 for New Orleans; and $1,05@1,10 for Maples. Coffee is quiet and may be quoted nominally at 46, 46½ and 47.

PROVISIONS—Mess Pork is held at higher rates, but there is no speculative demand and the transactions are mostly of a retail character. Bacon is firm, with a regular demand at former rates. Lard is firm with sales of Country at 13½ and City at 14½. Dried Beef is selling at 17 for Plain and 19 for Canvassed.

FLOUR—There is no new feature in this article worthy of special notice. The demand continues limited, while prices are firm but unchanged.

BUTTER & EGGS—Butter is steady, with a fair demand and light receipts; sales of 12 kegs packed at 28, and 16 pkgs Roll at from 30 to 32. Eggs—firm, with sales of 23 bbls at 22@23 ¢ dozen.

DRIED FRUIT—In good demand and the supply is becoming light; sale of 13 bbls apples at 12½@¢ lb, and 1,000 pounds Peaches at 18 for quarters—and 20 for halves.

POTATOES—Dull and neglected with a drooping tendency; sales, in lots, of 400 bush "mixed," from store, at 90 ¢ bush. Good qualities may be quoted at $1,10@1,15 ¢ bush.

HAY—The supply at the scales was light to-day, but it was fully equal to the demand; sales of 13 loads at from $30 to $32—mostly at $32.

Baled Hay is held at from $30 to $33, at wharf and depot.

SALT—Is selling in the small way from store at $3,50 ¢ bbl. Sale, in one lot, of 200 bbls on private terms.

SEEDS—There is considerable inquiry for Flax Seed for shipment, and we note sales at from $2,95 to $3,00 ¢ bush.

WHISKY—Continues dull and neglected, though there is no change in values. Common Bectified is selling at from $1,32 to $1,35.

GREEN APPLES—Sale of 40 bbls "Burnetts" at $6,00 ¢ bbl.

Pittsburgh Petroleum Market.

MAY 27—There is no abatement in the demand for Crude, and, with continued light receipts and the present supply almost exhausted, the market rules very firm, and prices are gradually tending upward. We note sales of 200 bbls at 22¾—bbls returned; 1,000 do, in lots, at 23, and 500 and 200 bbls, on the spot, at 23½ ¢ bbl, included. There was less activity in Refined in bond to-day, but the general tone of the market is firmness, and previous quotations are well sustained. We note a sale of 1,000 bbls, for June delivery, seller option, at 74, and 75 bbls, free—light straw color—at 80. Quotations for bonded may be fairly given at 65, on the spot; 68 for June, and 55 for July. Naptha is quiet and neglected, and, in the absence of sales, we quote at 26@27. Redbium, also, is quiet and may be quoted nominal at 25@25.

The receipts by the Allegheny river during the forty-eight hours ending this evening, are as follows:

Pennock, Ball & co	400	J H McJunkin	135
Jas Gallagher	335	H McKelvy	1,164
Total number barrels			2,111

New York Petroleum Market.

Special Dispatch to the Pittsburgh Gazette.

NEW YORK, May 27—There is a continued fair demand for Crude, and prices are firm but unchanged; sales on the spot at 40, and 41 for June delivery. The market for Refined in bond is very firm and holders are asking higher rates; on the spot, Gas5 is now demanded, and 65 is the quotation for June delivery. Free Oil is unchanged in every respect. Naptha is nominal at 35 for Refined.

Milwaukee Market.

MAY 25—On Change the market opened with a strong upward tendency, owing probably to the advance in gold, and a further improvement of 1½@2c, was established. About 100,000 bushels were sold during change at $1,25@1,27 for No 1 in store, and $1,25 for No 2 spring free on board, equal to $1,23 in store. The market closed with a good demand at $1,26½ for No 1, deliverable in the regular time, and with some demand from short sellers at $1,27 on the spot.

In the evening the market ruled 1@1½c higher than on Change, No 1 selling at $1,26@1,26½, closing rather dull at $1,26. At the Newhall House about 115,000 bu changed hands, making the total sales of the day over 3,000,000 bu at a range of $1,23@1,28½ as the extremes for No 1 spring.

Flour was firmer, but scarcely enough business done to give a clear idea of the state of the market. Sales of 700 bbls were reported at $5,50 for common superfine and $5,75@5,90 for country spring extra.

Oats again declined, with sales of about 10,000 bushels No 1 at 68 cents in store and 69 delivered. Corn was nominally lower, but there were no sales offered at $1,00 on track. Common barley was lower. No 2 selling at $1,24 on track. There is no strictly prime barley in the market, and such would probably command fully as much as heretofore. We have to quote rye entirely nominal, as there is little or none offering and no demand at anything like the prices expected for it.

But one consignment of new wool has thus far been received, and that was a small amount of indifferent quality, selling at 65c. Fine light wool would find ready sale at 70c.

Highwines are higher, held at $1,22.

Chicago Market—Mail Report.

MAY 25—The wheat market to-day opened steady and firmer, with sales at $1,26@1,27 for No 1, and at $1,24@1,24½ for No 2 Spring; subsequently there was a dull and heavy feeling, and prices receded fully 1c, and at the close, in the absence of New York dispatches, the market was inactive and nominal at $1,25@1,25 for No 1, and at $1,22@1,23½ for No 2 in store.

There was less firmness and a quiet feeling in the flour market, but prices were without essential change.

The demand for corn by shippers and speculators was brisk, and the market was active at an advance of 1c. Sales were made at $1,10@1.11 for No 1, $1,07 at 08 for No 2, and at $1,04@1,05 for Rejected in store.

The demand for oats was light, and the market was quiet and easy at 66½@67c for No 1, and at 64½@65c for No 2, closing at the inside figures.

There was little or nothing done in either rye or Barley, and prices were entirely nominal.

The market for highwines was less active, and 1,000 bbls changed hands at $1,21½@1,22.

Seeds are inactive and almost nominal. Groceries are firm but quiet. Some of the holders are asking an advance of ½@¾ ¢ lb on New York hard Sugar.

The provision market continues firm with sales of mess pork at $23,00, an advance of 50c@1,00 per bbl. Lard is inactive and nominal at 13@13½c.

Cleveland Market.

MAY 25—Flour—Dull and quiet. Sales 50 bbls extra at $5.

Wheat—Dull and inactive. Sales 2 cars No 1 Toledo red at $1,56.

Corn—Steady and unchanged. Sales 1 car corn from store at $1,24.

Oats—Nominal at 78c, on track, and 80c from store.

Rye—Nominal at $1,40 from store.

Barley—Sale 1 car on track at $1,30.

Buckwheat—Selling at $1,75.

TO THE GROCERS OF PITTSBURGH.
FRENCH COFFEE.
We offer to your notice the FRENCH COFFEE, prepared as in Paris, from PURE COFFEE AND COFFEE MALT. It is a wonderful preparation, being one of the most healthy and nutritious articles ever prepared. The FRENCH COFFEE does not affect the nervous system, and invalids can use it with perfect safety. It has all the aroma and taste of pure Java, (and has than one-third the price,) and yet it is far superior in nourishment. Hospitals, Colleges and Institutions who have used it, speak highly of its virtues. In all the large cities it has taken precedence, and the press speak of it as really a wonderful preparation. The FRENCH COFFEE is all PURE COFFEE and PURE DARLEY MALT manufactured on a peculiar manner for Coffee. It has no drugs to flavor it, nor does it require families to mix Coffee with it in using, as do the various substitutes. Sufficient Coffee is used in its manufacture; and owing to the saccharine created in process of malting, it does not require as much sugar as other Coffees.
The grocers of Pittsburgh are requested to make trial of this celebrated Coffee. They will find that not a word has been said in its praise that will not be fully realized. It is put up in pound packages, in French paper, 56 lbs. to a box. It is beautifully labelled.
