FRIDAY MORNING.....JUNE 10, 1864.

COMMERCIAL AND FINANCIAL.

PITTSBURGH MARKETS.

[Reported Specially for the Pittsburgh Gazette.]

THURSDAY, June 9, 1864.

WHEAT—The receipts continue light and the market is firm at former quotations. Small sales of Red from wagon at $1,45. No White offering of any consequence, and there is but little of this kind in first hands.

CORN—The demand continues limited and the market is dull and neglected, though prices are unchanged. Sale of 550 bu, in Ears, from store at $1,35.

OATS—More active but unchanged; sales of 120 bu from first hands at 75; 150 do do from depot at 81½ and 600 do do from store at 85. The receipts continue liberal and the supply is in excess of the demand.

RYE—But little offering and, in the absence of sales, we quote at $1,05, from first hands.

BARLEY—Sale of 500 bu choice Spring at $1,65, which is considerably above the market for the ordinary grades of Spring.

FLOUR—Is firm with a regular local demand at former quotations. We note small sales from store at 7,75 to $8,25 for Extra Family. Rye Flour, $7,50.

GROCERIES—Raw Sugar is firm, with sales of prime Cuba at 18, and prime New Orleans at 20. Refined Sugars may be quoted at 24 for "B" Coffee; 24½@25 for "A" Coffee, and 23 for Crushed. Coffee is dull and nominal at 45@46. Molasses—steady, with sales of prime New Orleans at $1 10.

RICE—is steady with a fair demand but prices are unchanged. We continue to quote at 12½@13 for Shorelers; 12½@14 for Blished Rice, and 15½@16 for Clear do; 17@17½ for Plain Hams; 18½@19 for Plain Sugar Cured, and 25@27 for Canvassed do.

MESS PORK—There is but a limited demand, yet holders are firm at full rates. We note small sales at $30,00@30,50. An offer of $29 was made for a round lot of 100 bbls on Wednesday and refused.

LARD—Is firm with a fair jobbing demand at 13½@ for Country and 14½ for prime city rendered.

BUTTER & EGGS—There appears to be no demand for Butter, and the market, in consequence, is dull but prices are unchanged—24 to 25 for prime Roll. Eggs—Steady with a fair demand at 21 per dozen.

CHEESE—Firm, with regular sales of Western Reserve at 14@6.

HAY—is steady but there was so little done that we cannot quote correctly. A small sale of baled was made on wharf at $30.

POTATOES—The demand is somewhat better but prices are unchanged, ranging from $2,50 to $3,25 ⅌ bbl.

SEEDS—Sale of 11 sks Flax Seed at $2,95 per bushel.

LIME—Sale of 50 bbls at $1,20 ⅌ bbl.

WHISKY—Quiet and rather dull and unchanged; holders generally are asking $1,30, though sales are still being made at $1,25.

Allegheny Cattle Market.

ALLEGHENY CITY, June 9—The market opened on Monday with some five hundred head of cattle on sale, which, with quite a moderate demand, produced a decline of from ¼ to ½c ⅌lb. On Tuesday about two hundred head of fresh cattle arrived, and this increase, as a matter of course, caused the market to drag heavily at the close, and our best salesman, in order to close out, were compelled to submit to a still further decline. This quality of cattle on sale this week, as a general thing, was good, although there were a few lots of thin Ohio steers offered, and which, of course, sold at very low figures. Good stock cattle, averaging from 800 to 900 lbs, are in demand, and sell readily at 6@6½.

The following are the current rates for the different grades of cattle: common, 4@5; fair, 7@8; good, 8@9; and prime at 9½@10.

Below will be found an accurate report of all the leading sales:

Wyman & Bro sold a mixed lot of Illinois steers at 8½c.

E Whittlesey sold 18 head of Ohio cows and heifers at 6 to 8c.

H A Harrick sold 18 head of Ohio stock for Armer & Morgan at 7½@8.

Hotchkiss & Co sold 40 head of western steers, averaging 1200 lbs, at from 7½ to 8½c.

James Morgan sold 50 head of fair Ohio steers, averaging 1150 lbs, at 8@9.

Carr & Co sold 40 head of good Kentucky stock at 8 to 9.

Reis & Co retailed 38 head of thin Ohio stock steers at 6c.

Seymour & Co retailed 30 head of Ohio stock at 7 to 8½.

Barney Gray sold a lot of 34 head at from 7 to 8½.

SHEEP.

There is a continued good demand for this grade of stock, and, with a light supply and limited receipts, the market rules firm at last week's rates—5½ to 6½c, the same 400 head, in different lots, changed hands at the above quotations. No sales of lambs reported.

HOGS.

There is only a moderate local demand, and the market is quiet, as there is scarcely enough doing to establish quotations. About 100 head were retailed at from 8 to 8½c.

Pittsburgh Petroleum Market.

June 9—With improved receipts and a continued fair demand, the market for Crude rules firm and prices are well sustained. Sale of 200 bbls—bbls included—at 37½; 700 do do, at 38, free on board cars; 300 on the spot, at 38, and 50 bbls at 35½, bbls returned. Refined is not very active, but the market, notwithstanding, is firm and prices are well maintained. We note a sale of 500 bbls, in bond, for July delivery, buyers option, at 58½. There is not enough doing in Free oil to establish quotations. Redtown meets with ready sales at 55@56c on board. Sale of 100 bbls Naphtha (68 gravity) at 28.

The receipts by the Allegheny river during the twenty-four hours ending this evening, are as follows:

Waring & King	520	J Mawhinney	20
Fisher & Bro	20	H Rosenbach	120
Wray & Benny	718	J Gallagher	220
Peacock, Bell & Co	320	R Ashworth	160
Brown	200	J Gidlings	220

Review of the Pittsburgh Tobacco Market.

(Reported for the Gazette, by C. D. Arnsthal, Tobacco Inspector.

June 9—Since my last report, the market has improved somewhat, and orders have come forward for late manufactured and well handled Tobaccos, and really good work has been generally sight after. Particularly is this the case for old tobacco; last summer made, which is scarce and commands high rates. The demand for bright work, light pressed, sun dried and properly handled, has been steadily on the increase and commands high rates in the eastern markets. I quote the ruling factory rates as follows:

BLACK WORK—Navy, 68 to 65, Good, 8@10's and ¾ the 50 to 65; Spun Roll 60 to 65.

BRIGHT WORK—Hard, Pressed 70 to 80; Light Pressed, Sundried, 70 to 81,00; Diamond Twist, 70 to 75; Ladies Twist 80 to 90.

SUN TWIST—In good kegs, well sweated, sells readily at 22 to 35.

Pittsburgh Lumber Market.

June 9—The market, since our last, has been steady with a moderate demand, although the transactions, in the aggregate, have been comparatively light. There is no quotable change in values, with the exception that low grades of Timber is very dull and lower, sales of this particular description, having been made at 10@12c per cubic foot. Good Bridge and Barge Timber, however, is steady with a fair business doing at former rates. The stock at Boards is somewhat reduced, but there is still a fair amount offering at quotations. Shingles in light supply but the demand is not pressing, and prices have undergone no change. The following are the current quotations at the river.

Pine Boards, by the raft	$22@23
Pine Boards, by the raft	$16@18
Hemlock Boards, by the raft	12@13
Timber	$5,00
Shingles	

New York Petroleum Market.

Special Dispatch to the Pittsburgh Gazette.

NEW YORK, June 9—The market for Crude is very firm and holders are asking higher rates; sales at 41, on the spot, and 45 for July delivery. Refined in bond, also, is firmer and higher rates are asked; sales at 55 @56 on the spot, 56½@57 for July and 60 for August. Free Oil is firm and higher with sales at 72@73. There is a steady demand for Naptha at full rates.

Philadelphia Market, June 7th.

Fish continue dull, and the demand for Mackerel is mostly in a small way from store at $18@20 for Is; $14@15 for 2s, and $9@12 for shore and large 3s. Pickled Herring sell slowly at $4@7 ⅌ bbl for Eastport and Labrador, and dry cod at $5@5 ⅌ the 100 lbs. A few raw shad have arrived and been disposed of at $12 ⅌ bbl.

Oats—Quiet, heavy and market quiet. Sales 4 cars on track at 80c.

Review of the New York Grocery Market.

(From the Shipping List, June 8.)

COFFEE—There are no new features of moment to notice, the market, in the absence of any large demand, remaining dull and somewhat unsettled. We retain our notations of Brazil 34c, at which, for this description, there is rather a steadier feeling. The sales include 1220 bgs Rio, a small portion at 43c; 100 Maracaibo, 42½; 4 mats; 50 St Domingo, 35½, cash; 750 Laguayra, for export, on p t and 200 St Domingo, for home use, and 870 do, mostly Jacmel, in bond, about 1250 cash. The stock of Brazil in the country, as made up by Messrs W Scott & Son is 132,574 bgs, viz: 113,173 bgs here, and 18,500 at Baltimore.

Export from Jan 1st to May 31st—

1864	pkgs...6,648	1863 pkgs...11,621

Rice—There is a moderate demand both for export and home use, and the market is steady at previous rates; the sales are 50 bgs Rangoon at $11,25@11,75; 550 do, in bond, part $7,50; 2900 bush, in bond, on private terms.

Sugar—The demand for both Raw and Refined is quite moderate, and though holders are for the most part pretty firm, the market is slack, and prices favor buyers rather than otherwise. A considerable portion of the sales was for export. We quote Refined, other than Stuart's, 23½@24c for Hard; 21½@23 for Soft White, and 18½@20½ cash, for Yellow. The sales of Raw are 93 hhds Cuba at 10½@17½c; 1173 do, in bond, part 10½@11½, cash; 50 Porto Rico, 17½@19½; 151 New Orleans, 19½; 472 bxs Havana, 10@18½c, mos; and 158 do, in bond, 12, cash. By auction, 97 hhds New Orleans sold at 19½,19½@20, 4 mos.

Molasses—The market is firm, and prices are supported, but the demand is moderate, and the business only to a fair extent. We notice—chiefly for refining—202 hhds, 76 tcs and 22 bbls St Croix at 50c; 357 hhds and 4 bbls Barbadoes, 50; 669 hhds, 96 tcs and 63 bbls, Cuba Muscovado, 72@85; 45 hhds, tart do, 60 cents; 20 Porto Rico, 82@85; 45 Clayed Cuba, 64; a cargo of 250 hhds and 66 bbls do, 70; 124 bbls Para Syrup, about 90; and 240 do New Orleans, 28@30, 4 mos. By auction, 60 bbls New Orleans sold at 42@38c, cash.

New York Wool Market.

June 8—Wool—The market ruled very firm, but quiet, the extreme prices demanded having the to limit business to the immediate and urgent requirements of consumers. Stocks are light, which, in connection with the fact that future importations must come in under enhanced duties, indicates holders of foreign to realize, unless at advanced prices, and domestic is also held very firmly in sympathy. Small parcels now clip, from New Jersey and the river counties in this State, are beginning to come forward, and sales have been made at about 75 cents, which is considerably above the opening prices of last year. The sales for three days include 78,000 lbs domestic fleece, chiefly at 60@65c, with some light selected at 67½, and heavy fine grade Illinois, 77@c; 77 bales pulled, 50@55 for city, and county super; 10,000 lbs California 51; 500 bales Cape, mostly 50@52½; 170 do unwashed black and gray Donskoi, part 30; 500 do white do, 200 do low Buenos Ayres, 150 do, 45c Grands, and 20,000 lbs Provence, on terms not transpired. The Liverpool sales continued very animated at last advices, both, home and foreign buyers competing freely. Large purchases made for France, principally of combing and grease wool, both of which were fully 1d. ⅌lb dearer than at the opening of the sales. All other kinds met a very good sale, and were fully ½@1d ⅌lb dearer.

RIVER.

Under the influence of the recent rains, the river commenced rising at this point during Wednesday night and continued all day yesterday, and last evening the pier marks indicated six feet six inches—an advance of nearly three feet during the twenty-four hours. The rise appears to be principally out of the Monongahela river, as the Allegheny, as yet, has not risen over two feet. It is thought, however, that there will be a swell in the latter stream, as the rains appear to have been general. The weather yesterday was cloudy and sultry, with occasional showers of rain.

There have been no arrivals or departures since our last report. The Cities, from Nashville, Cherokee, from St. Louis, and the Julia, from Parkersburg, with the fine last night and will doubtless be found at the wharf this morning.

The Major Anderson, America, Leonidas and Kate Robinson, arrived at Cincinnati from this city on Tuesday.

The Keokuke was advertised to leave Louisville for this city on Tuesday.

The Lent Leoti was advertised to leave Cincinnati for this city on Wednesday.

The river was falling at Louisville on Tuesday, with five feet six inches in the canal and three feet six inches on the falls.

The Minerva, Capt. Gordon, is the regular packet for Wheeling to-day, leaving at noon. Mr. A. F. Breiting is the clerk.

The Cherokee, Capt. Davis and the Citizen Capt Gallagher, are announced for St. Louis.
