COMMERCIAL AND FINANCIAL.

PITTSBURGH MARKETS.

[Reported Specially for the Pittsburgh Gazette.]

SATURDAY, July 16, 1864.

WHEAT—The offerings of Wheat continue very light, and while as yet, prices are nominally unchanged, dealers do not seem so anxious to buy, and some of them anticipate a decline. In the absence of sales, however, we continue to quote at $2,00 for Red and $2,05@2,10 for White.

CORN—Is steady with a fair local demand at unchanged rates. Small sales of prime Yellow from store at $1,55. The receipts continue light and the stock on hand is limited.

OATS—The demand is fair and the market is steady with small sales at previous rates, $1,00@1,03 from depot, and $1,05@1,08 from store. It is but proper to remark however, that these prices could not be sustained but for the fact that the supply is almost exhausted.

FLOUR—The market, under the influence of the material decline in gold and the continued unfavorable advices from abroad, was very dull and neglected to-day—in fact there was not enough business done to establish quotations. It is safe to say, however, that large sales could not have been effected, unless at a material concession in prices. The stock in this market is light and the receipts are limited.

BACON—Is less active and rather dull though prices are without quotable change. We continue to quote at 15 for Shoulders; 16¼@16¾ for Sides; 19a19½ for Plain Hams; 22 for Plain Canvassed, and 22a23 for Sugar Cured.

MILL-FEED—Steady with a fair demand at unchanged rates. Sales of 3 tons Shorts at $1,45; 5 tons Seconds at $1,05; and 6 tons common Middlings at $2,40.

CHEESE—Is in good local demand, and prime qualities sell readily at the advance—20c. The stock in this market is light.

GROCERIES—Sugar is firm and prices are well sustained. Cuba is held at 12c, and New Orleans at 23 to 25, for fair to prime. Molasses may be quoted firm at from $1,20 to $1,25. Coffee is too unsettled to quote correctly.

HAY—Is firm with a fair demand and prices are fully sustained; sales of 10 loads at $35 to $40 per ton.

BUTTER—Is scarce and wanted. Good Packed Butter would command 28a30, and prime Roll would sell readily at 33a35.

EGGS—Under the influence of liberal receipts and a very light demand, continue extremely dull, and we now quote nominally at 12c per doz.

SALT—Is firm but unchanged; sales of 50 bbls No 1 Extra, from depot, at $3,00 per bbl.

LARD OIL—Is held firmly at $1,00 for No 1 and $1,50 for No 2.

Pittsburgh Petroleum Market.

JULY 16—The market for both Crude and Refined was unusually quiet and dull to-day, in proof of which we can say that, after making diligent inquiry, we were unable to hear of a single operation. There appears to be but little inquiry for Crude, and notwithstanding the receipts are light and the supply on hand is very small, the market is a shade easier, and we heard of several lots being offered at a slight decline, without finding buyers. Refined in bond is held pretty firmly at about previous rates, while outside lots, and some city brands, of from 40 are being offered at a material decline. There is a good demand for Residuum, at former quotations, while Naphtha is dull and almost entirely neglected.

The receipts by the Allegheny river since our last report comprise 150 bbls, as follows: 105 bbls for Duncan & Williams; and 45 bbls for R D Cochran & co.

Dividends Declared.

The "New York Oil Trade Review" publishes the dividends of the various oil companies, among which we notice the "Dalzell Petroleum Co." of Philadelphia, declaring 1½ pt. for May and 1½ pt. for June on the capital stock. The par value of this stock is $10 per share, and the market price on Saturday in Philadelphia was 6¾—having advanced from 6¾ since Monday last. We know of no company now organized which promises a better investment than the "Dalzell," which is based on the extensive and very productive farms known as the Hays and McElhany on Oil Creek.

The Noble & Delamater Petroleum Co have declared a dividend of ten per cent from the earnings of June alone

The Allegheny & Pittsburgh Oil Company one of the best oil companies in existence, are paying about 24 per cent per annum, free from all taxes.

New York Petroleum Market.

Special Dispatch to the Pittsburgh Gazette.

NEW YORK, July 16—There is an improved demand for Crude, and prices are a shade higher; sales at 50a53, on the spot, and 54 for August. Refined in bond is firmer, in better demand and a shade higher, closing at 65a65. Free Oil is dull and prices are nominal at 57a58, on the spot.

Review of the New York Grocery Market.

(From the Shipping List, July 16.)

Coffee—The decline in exchange has checked the export demand, and the inquiry for home use continues quite limited. Prices are still very unsettled, though the large purchases of Rio by the Government have occasioned a firmer tone to the fall in gold. We retain previous quotations, but, in the present state of the market, they are more or less nominal. The sales are 1842,020 bags Rio to Government, at 104c in certificates; 139 do do 50, less 1 ⅜ cent to days; Jamaica, 45; 191 St Domingo, 42a43½, cash; 200 do 11of Rio, and 1000 Laguayra, in bond, for export, on terms not transpired

Sugar—A decline in gold of 6a7½ per cent and a corresponding falling off in exchange, has caused the withdrawal of shipper s from the market, and, with a continued and severe stringency in financial circles, the inquiry for home use has become quite limited, and prices have given way ½a¾ cent per lb. At the close fair to good refining Cuba was quoted 20¾ a21c Refined descriptions are slowly sold, and a little lower. We quote other than Sinars Haid White 23¾c; soft do 22a22¾c; and yellow, 20a21½c. The sales of raw are 981 hhds Cuba at 21a22¾c; 171 do in bond, 18½a19¾c cash; 152 do Porto Rico, 20¾a24½; 155 do and 156 bbs do in bulk, 19 (cash); 87 hhds Martinique, 20¾a21; 71 New Orleans, 19½; 534 bxs Havana, 23a25, 4 mos; and 109 hhds Cuba on private terms. At the fire in Brooklyn yesterday about 1000 hhds and 200 bxs were destroyed. The stock last evening was 60,713 hhds 48,020 bxs and 78 333 bags, and 1838 hhds Sealado.

Molasses—The demand has fallen off, and prices are rather in buyers' favor though no quotable decline has taken place. The sales are 207 hhds Porto Rico at $1,06a1,18; a cargo of 824 hhds and 57 tcs clayed Cuba, in bond, 60c (cash); 10 hhds Cuba Muscovado, 60; 149 hhds Brazilian syrup, $1,05 do New Orleans, $1,16a1,25 4 mos; and 417 hhds English Island, on terms not made public.

Rice—The stock is reduced, and about is now very little offering out of bond; prices remain firm; we notice sales of 300 bags Patna and Pale at $14a15, and 200 bs Para Paddy on private terms.

New York Wool Market.

JULY 16—Business has been moderate, the stringency in the money market seriously interfering with the speculative movement in domestic recently inaugurated, and it is understood not to be improbable that large parcels recently bought up by outside parties for investment may soon come upon the market, unless there be a speedy ease up in financial matters.

What business there is in progress is confined to domestic, the high cost of foreign under the new schedule of import duties forbidding sales, except at a loss to importers. The stock of foreign has accumulated, and some holders, it is said, contemplate making shipments to England, the current rates of exchange enabling them to do so advantageously. Indeed, an invoice of 183 bales desirable Cordova has been shipped to Liverpool by steamer since our last. The sales comprise 275,000 lb domestic fleece, chiefly State and Ohio, part to arrive, at $1a1,06; and 74 bales pulled, at $1a1,15—the latter an extreme price for very choice country. In foreign we have no sales of importance to report. An invoice of 600 bales Cape was destroyed by the fire at Jackson & Woodruffe's store, Brooklyn.

Philadelphia Wool Market.

JULY 15—Supplies continue to come forward very slowly by the Pennsylvania railroad, and they have ceased by the Baltimore and Ohio railroad. The demand has been less active, but the late advance has been well maintained. Among the sales we notice:—

6,000 lbs tub and fleece at.....$1,20 cash
9,000 lbs tub.....1,20@1,24 "
37,000 lbs low fleece.....1a1,02 "
30,000 lbs medium fleece.....1,04a1,10 "
85,000 lbs fine fleece.....1,07a1,10 "
50,000 lbs mixed fleece, common to full blood.1,10 "
